Changes to the LCFF Calculator

Post Budget Adoption

- 2022-23 Unaudited Actuals is complete, which includes the final P-2 ADA to which resets the three year average.
- The 2023-24 LCFF revenue has been modified by a loss 515 ADA and \$4.1M in Revenue.

OUSD LCFF Funding Trend Summary - Comparing 2022-23 & 2023-24 Adopted to UnAudited Actuals Update

Scope: The purpose of this analysis is to reflect the trend of our LCFF Funding and the impact of additional state allocations and funding methods and the financial bridge that has been built to support the District's pre and post pandemic sustainability. The net loss of 515 ADA impacts the District's ongoing funding significantly. An additional adjustment to the TK Add due to a duplicated entry of the projected TK Add on in the District and Charter section, overstated the LCFF Calculator at Adoption. This has been corrected and reduced the ADA projection by \$1.3M, totaling a loss of \$4.1M

Updates & Implications for 2023-24 LCAP

Why is the LCAP returning to Board?

- Updates based on 23-24 45-Day Budget and 22-23 Unaudited Actuals yielded an increase in available funds
- Revised LCAP does not change goals or actions, but does adjust spending in many actions
 - Some saw reductions based on revised costs
 - Some saw increases based on revised costs and/or new investments

Updates to LCAP Budget

- Updated LCFF Base, Supplemental & Concentration grants based on revised LCFF Calculator
- Updated 22-23 LCFF Supplemental & Concentration carryover based on closing
- Alignment to actual costs of OEA positions
- Continued reservation of funds for potential compensation increases for non-OEA positions

Updates to LCAP Budget

- New one-time S&C Carryover allocations:
 - Playground and facility investments at high UPP schools
 - Expanded investments in declining enrollment schools and other one-time school support uses
 - Additional targeted investments

Updates to MPP

- District is required to meet the Minimum Proportionality Percentage (MPP), demonstrating that we have used our LCFF Supplemental and Concentration funds to increase or improve services for the unduplicated student population by at least the proportion of additional funds received
- $MPP = LCFF\ S\&C\ Grants / Total\ LCFF\ Grant$
- Total MPP also accounts for our S&C Carryover
- Revised MPP for 23-24, including carryover: 40.92%

Updates to MPP

- Originally adopted LCAP no longer met MPP once 23-24 LCFF totals and 22-23 S&C carryover were updated.
- To meet MPP in the revised LCAP, we increased planned spending of S&C funds for our highest need students to align to the updated budget and unaudited actuals.
- With this new spending, LCAP now meets MPP.
