Grant Award Notification (continued)

The following conditions apply:

1. The grant award will be processed upon receipt of the signed Grant Award Notification (AO-400). This AO-400 must be signed by the superintendent or an authorized official and returned within **10 working days**.
2. All approved program funds must be expended within the dates designated and for the maximum amount indicated on the AO-400. Encumbrances may be made at any time after the beginning date of the grant stated on the AO-400. Expenditures must be completed by **June 30, 2027**. **No extensions of this grant will be allowed.**
3. The grantee is required to use these funds to plan for and implement a College and Career Access Pathway partnership with a community college district as described in the approved grant application with any required or requested changes. **Prior written approval** is required for any program or budget changes. Line item transfers in excess of 25 percent of each original line item budget amount may not be made without written approval from the High School Innovations and Initiatives Office (HSIIO). These funds may not supplant current fixed costs. Expenditures shall comply with all applicable provisions for federal, state, and local rules, regulations, and policies relating to the administration and accounting for public school funds.
4. The grantee must limit administrative indirect costs to the rate approved by the California Department of Education (CDE) for the applicable fiscal year in which the funds are spent.
5. Upon receipt of the required certifications, scheduled payments of grant funds will be as follows:
 - Ninety percent of the funds will be released upon completion and return of the AO-400. Please allow approximately four weeks for processing.
 - The final 10 percent of the funds will be released after the End-of-Project (EOP) Expenditure Report and all reporting and submission requirements have been received.
 - The EOP Expenditure Report is due **June 15, 2027**, after all funds have been expended. The EOP includes a narrative of expenditures. Failure to submit a final EOP Expenditure Report with a budget narrative within 60 days of the end of the grant period will result in a billing from the CDE for the entire amount of any grant funds paid and possible reduction of any subsequent years' grant(s).
6. The Baseline Data Report is a requirement of this grant and is due **October 2, 2023**. The Mid-Project Report and Mid-Project Expenditure Report are requirements of this grant and are due **June 15, 2024**. The End-of-Project Report is a requirement of this grant and is due **June 15, 2027**. Guidelines will be mailed separately.
7. The CDE has partnered with the Careers Ladders Project to provide technical assistance to all grantees through a generous grant received from the College Futures Foundation. Some grantees will be required to participate in technical assistance and capacity building support.
8. If the grantee or the CDE terminates the grantee's participation in the program, the grantee shall submit a final expenditure report within 30 days and return the unexpended funds upon receipt of a billing from the CDE. Supplies and equipment purchased with these funds will be redirected to other programs.
