High School Network Superintendent's Report: Spring 2024 Practice Sharing Event

Presented by Vanessa Sifuentes

Presented to Measures N & H Commission

March 5, 2024

Outcomes

- Share initial concept and vision for a Spring 2024 Linked Learning Pathway Practice Sharing event
- Gather insight from Measures N & H Commissioners to inform ongoing planning

HSLLO Spring Practice-Sharing Event

- **Who:** All Measures N and H Funded Sites
- **Primary Audience:** OUSD and Charter Linked Learning pathway teachers and staff
- **Where:** Merritt College (tentative)
- **When:** April 2024 4:00-7:00 PM

HSLLO Spring Practice-Sharing Event

Objectives:

- Celebrate the accomplishments of our Linked Learning pathways and educators
- Share and learn from one another to continue to improve the Linked Learning student experience
- Educators feel more connected to colleagues and to shared work and goals as linked learning practitioners.

Showcase Components:

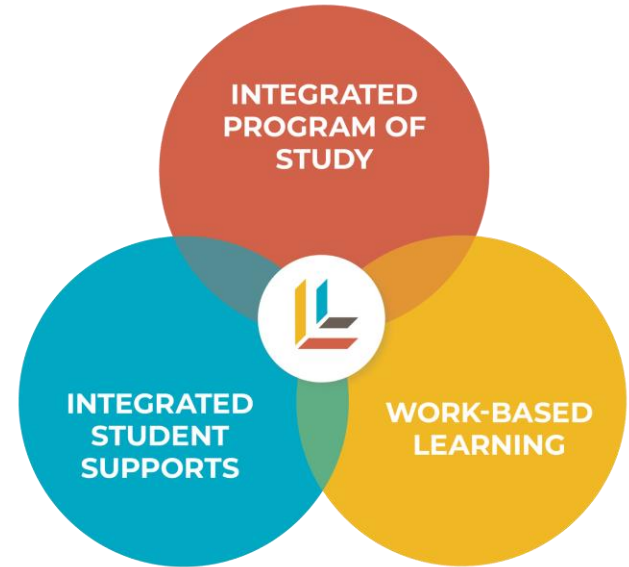

- **Pathway Spotlights:** Pathway leaders prepare to share 4-6-minute stories or highlights from their pathway. They will be grouped by industry sector and be able to connect and learn from colleagues across the district and city. These spotlight presentations are meant to be a “light lift” and should spotlight some bright spots from the past year or good or emerging practices.
- **Pathway KIVA Panels:** The Kiva, a protocol developed by the Center for Leadership and Educational Equity (CLEE), allows large numbers of people to fully participate in a discussion with representatives to voice opinions that are then discussed in smaller groups. These panels will be organized by topics identified by pathway staff. No preparation is required for this, just participant participation.

Tentative Agenda:

Time	Topic	Intentions	Activity/ Resources
4:00-4:15	Registration		Register and get a refreshment
4:15- 4:45 <i>30 min</i>	Welcome and Introductions	Review purpose, agenda and logistics Feel more connected	Welcome and Introductions Remarks from district or community leaders
4:45-5:45 <i>60 min</i>	Pathway Sector Spotlights	Pathways share stories, highlights, spotlight successes, best practices, or areas of growth	Pathway leads, teams, coaches, or students share informally. 4–6-minute presentations and 2-3 minutes of comments or questions for each pathway. ~4-6 pathways per sector.
5:45-6:00 <i>15 min</i>	Break and Connect	Stretch, Snack, Connect and Transition	3-6 options for panel discussions (can include community members, students, district staff, pathway teachers) using Kiva protocol. Table discussions follow the panel discussions for an inclusive conversation. Open seat on each panel for audience members to join the panel.
6:00-6:45 <i>45 min</i>	Kiva Panels: Pathway Practice	Deep dive discussions into Linked Learning problems of practice	Possible topics: <ul style="list-style-type: none"> ● Student voice and leadership ● Equitable access and success ● Impactful Work-Based Learning ● Student-Centered Learning and Portfolios ● Equitable early college credit
6:45-7:00 <i>15 min</i>	Closing and Appreciations		

Guiding Questions for Presenters:

- How are you measuring quality within your linked learning pathways?
- What progress have your pathways made toward your strategic goals?
- How have you revised or identified new actions to support meeting your goals?
- How has Measures N and H funding supported the establishment of enabling conditions for high-quality linked learning pathways at your school?

Questions?
