**Action Requested** Approval by the Board of Education of Resolution No. 2324-0072 – Amending Board Bylaw 9150 Student Directors – Adding Compensation and Elective Course Credit for Student Directors of the Board of Education

**Background** In order to enhance communication and collaboration between the Governing Board and the student body and to teach students the importance of civic involvement, the Board supports the participation of high school students in district governance. The Governing Board through its adopted by-laws authorizes two pupil members to be known as "Student Directors." This authorization provides an established means for pupils of the District to be represented on the Board of Education. Current by-laws entitle Student Directors only to reimbursement for mileage, but no compensation for attendance at Board meetings.

On October 7, 2023, Governor Newsom signed into law SB 275, titled: School governance: governing boards: pupil members: compensation (Chapter 321, Statutes of 2023). Amending Sections 1000, 1090, 35012, 35120, and 47604.2 of the Education Code relating to school governance,

SB 275 gives school district boards and county boards of education the option to compensate student board members for their work by awarding a student board member either a monthly compensation, elective course credit, or both.

To demonstrate the District and the Governing Board values the vital contribution its student school board members make in sharing their ideas and opinions on important issues that impact students, education, and the school community, this resolution provides compensation consistent with SB 275.

**Discussion**

The Resolution would provide the following:

- Effective January 1, 2024, monetary compensation to all Student Directors in the same amount as issued to adult Trustees.
- The issuance of elective course credit to Student Directors as applicable to their public service as Trustees, effective the first semester of the 2024-2025 school year.

**Fiscal Impact**

Approximately \$10,500 annually
