Fiscal Oversight Trustee Apr 24

to Kyla, Jenine, Dexter, bcc: me ▾

Hello,

As indicated in the communication from the Trustee, the closed session action taken by the Board on March 27, 2024 granting staff authority to negotiate was stayed until the board took action on the AB1912 metrics. The board met this requirement on April 10, 2024, thereby, lifting the stay. Staff proceeded appropriately and correctly in negotiating under the authority granted by the board during the negotiations session held the following day, April 11, 2024 and forward.

OUSD Board bcc'ed on this message.

Best regards,

Luz

Trustee
