**Subject:** 2023-24 Audit Findings Resolution and Corrective Action Plan

**Date:** May 6, 2024

---

Dear Chair Ross and the members of the OUSD Audit Committee,

Annually, the California Department of Education (CDE) reviews the District's Audit report upon submission and determines if any required corrective action is required. The CDE has opined on the District's audit findings 2023-01, 2023-03, 2023-04, 2023-05, 2023-06, 2023-07 Audit and listed the acceptance of previously submitted corrective action plans, options, and required responses.

Next steps include working with the related departments, writing the plan in response to each finding, submitting the plan, and waiting for approval or recommended amendments from the CDE. The District concurrently operationalizes these changes in an effort to mitigate these and related findings in the current year(s).

The District's Corrective Action Plan response will be available for the Audit Committee to review and discuss at the June meeting; however, we are providing the letter for information received to provide the committee context on this stage of the process.

Kyla Johnson-Trammell, Superintendent  
Oakland Unified School District  
1011 Union St  
Oakland, CA 94607-4099

Dear Superintendent Johnson-Trammell:

**Subject: 2022–23 Audit Findings Resolution**

Pursuant to California *Education Code (EC)* Section 41020, the State Superintendent of Public Instruction is responsible for ensuring that local educational agencies (LEAs) correct or develop acceptable corrective action plans for all federal and state compliance audit exceptions identified in the annual audit of their books and accounts. In addition, the California Department of Education (CDE) is required by federal regulations, Title 2 of the *Code of Federal Regulations* §200.332, to issue a management decision and ensure LEAs take appropriate and timely action to correct audit findings affecting federally funded programs.

During our review of the findings and recommendations reported in your 2022–23 fiscal year audit report, we determined the following finding(s) require(s) resolution by our office: 2023-001, 2023-003 thru 2023-007. Within three weeks from the date of this letter, please let us know the additional corrective action you have taken or are planning to take to address the finding(s) identified in the enclosed Management Decision List and provide any requested supporting documentation. Send your response to the following, together with a completed Certification of Corrective Action form (enclosed), and a copy of the documents that evidence the corrective actions:

Audit Resolution Office  
School Fiscal Services Division  
California Department of Education  
Email: [leaaudits@cde.ca.gov](mailto:leaaudits@cde.ca.gov) or  
FAX: (916) 327-6157

We will determine from the information and documentation you submit if the actions taken appropriately address the audit findings so we can clear them.

You may also receive separate communication from your county office of education (COE) with regard to certain audit findings. The COE, rather than the CDE, is responsible for reviewing and resolving LEA audit exceptions related to attendance, inventory of equipment, internal control issues, and other miscellaneous items (*EC* Section 41020[i][1]), as well as audit exceptions related to local control and accountability plans,

classroom teacher salaries (*EC* Section 41372), teacher misassignments, information reported on the school accountability report card, and sufficiency of textbooks and instructional materials (*EC* sections 41020[i][2] and 41344.4). In addition, a COE pursuant to *EC* Section 41020(k) will require an LEA whose audit report includes attendance-related audit exception(s) involving state funds to submit appropriate reporting forms for processing by the CDE.

You may appeal apportionment significant findings contained in the audit report. These are state compliance findings involving one or more units of average daily attendance or a value equivalent to the Local Control Funding Formula funding for one or more units of average daily attendance. Upon receipt of the State Controller's Office (SCO) letter certifying that your audit report met specified standards, you have 30 days to file a written request for summary review (*EC* Section 41344.1[d]) or 60 days to file for formal appeal (*EC* Section 41344[d]) with the Education Audit Appeals Panel (EAAP). A summary review is a voluntary, informal, appeals process for audit exceptions that clearly constitute substantial compliance as that term is defined in *EC* Section 41344.1(c). If you request a summary review, you may appeal the findings included in that review by filing a formal appeal with the EAAP within 30 days after receiving a determination of the review.

The timelines and procedures to follow for the appeal process are posted on the EAAP web site at <http://www.eaap.ca.gov>. If you have any questions on the summary review or formal appeal process, please contact the EAAP staff by email at [filing@eaap.ca.gov](mailto:filing@eaap.ca.gov).

You may request a plan to repay an apportionment significant audit exception or to pay a penalty arising from an audit exception. To request a repayment plan you must submit a letter to the CDE within 90 days of the SCO letter or within 30 days of withdrawing or receiving a determination of a summary review if there is no appeal, or within 30 days of withdrawing or receiving a final determination regarding an appeal (*EC* Section 41344[a]). More information on the audit resolution process, audit appeals, and repayment plans can be found on the CDE web page at <https://www.cde.ca.gov/fq/au/ag>.

Thank you for your attention to this matter. If you need further information, please contact the Audit Resolution Office at [LEAAudits@cde.ca.gov](mailto:LEAAudits@cde.ca.gov).

---

Assembly Bill 3627, effective January 1, 1995, outlines the responsibilities of the California Department of Education, County Offices of Education and Local Education Agencies (LEA) regarding the audit exceptions identified by an independent auditor. Each county superintendent is responsible for reviewing the audit exceptions of their LEAs related to attendance, inventory of equipment, internal control and any miscellaneous items to determine whether the exceptions have been corrected or have an acceptable plan of correction.

In accordance with the requirements stated above, our office has reviewed OUSD's 2022-23 audit report and find:

- Management's corrective actions outlined in the audit report for each finding adequately address the deficiencies noted.

However, pursuant to Education Code (EC) 41020.3(a), by January 31 of each year, the governing board shall review the annual audit for the prior year at a public meeting.

- OUSD's board did not review the audit report for 2022-23 in a public meeting until February 14, 2024.
- Please ensure the district complies with the EC and reviews its annual audit report by the January 31<sup>st</sup> deadline each year.

If you have any questions, please feel free to contact me at [jlaursen@acoe.org](mailto:jlaursen@acoe.org) or 510-670-4220.
