Measure N/H Plan & Pathway	Budget Action - Line Item #	Original Amount Approved	Measure N/H Budget Original Strategic Action (proper & full justification)	Total Amount Transferred
2022-2023 Measure N Carryover Plan	17	Was \$15,050.02. New total after approval of prior BMFs \$10,833.36.	Teacher Salaries Stipends: Extended Contracts for 5 Teachers to participate in the ECCCO (Exploring College, Career, and Community Options) Summer Program, through June 30, 2024. This is to pay for 5 teachers, at a cost of approximately \$6,500 each to run the ECCCO summer internship program for all participating Oakland High students. These teachers host a weekly class for students that guides them through their internship experience. The rest of the time is spent visiting (in person or via Zoom) students at their internship sites to evaluate and support the students as they complete this important experience. This position is critical for students' success in the program, as it provides an adult liaison role between the student and the hosting organization that can help ensure students are doing what is required of them and also support the host organization and ensure their interactions and expectations for students are appropriate. We estimate 110-120 Oakland High students will participate in ECCCO the summer of 2024. Budget: 135 hours at \$38.50 hourly rate + 25% benefit costs x 5 teachers = \$32,484.38. (Salary & Benefit Costs)	\$1,200.00

b. What will be the impact on your Measure N/H plan, pathway development, and students for not doing your original strategic action? (*Do not insert links or use Acronyms)

No impact. The original action will still occur but there is a different funding source now available for that action so we are reallocating the Measure N funds to other actions.

c. Enter the Account String for the Original Approved Strategic Action:
