Interests & Experiences

Please explain briefly your interest in serving on this Committee, Commission or Board:

When schools or other city buildings close, it is important that the community knows how and by/for whom they are repurposed. As a senior citizen that has worked decades as an educator in Oakland, I thought it important to have a voice and a say in how our former school buildings will be utilized.

Please indicate your other community involvement (work with public agencies, volunteering, other Committees, Commissions, Boards, groups, etc.):

Last year I became a volunteer with Friends and Stewards of the African American Museum and Library of Oakland and as my time allows, I hold annual fundraisers for orphanages and village communities in Ghana to have necessities such as school fees and clean water access. I was also a member of the Sisterfriend Business Network (SFBN) which met for Black businesswomen to encourage, inspire and educate each other in a non-competitive space. I also regularly share upcoming events of interest to the Oakland community on social media.
