Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Vanessa Sifuentes, High School Network Superintendent
Sondra Aguilera, Chief Academic Officer

Meeting Date August 14, 2024

Subject Dashboard Alternative School Status (DASS) Eligibility Certification - California
Department of Education – Gateway to College High at Laney
College

Ask of the Board Approval by the Board of Education of the California Department of Education (CDE) Dashboard Alternative School Status (DASS) Eligibility Certification for Gateway to College High at Laney College, for the period of July 1, 2024, through June 30, 2027.

Background California Education Code (EC) Section 52052(d) requires the State Superintendent of Public Instruction, with the approval of the State Board of Education (SBE), to develop an alternative accountability system for community day schools and alternative schools serving high-risk pupils, including continuation schools and eligible alternative schools of choice. As a result, the CDE developed the Dashboard Alternative School Status (DASS) program to replace the previously administered Alternative School Accountability Model (ASAM) to hold alternative schools and alternative schools of choice accountable for using modified methods of measurement for accountability indicators. The alternative school dashboard launched in the Fall 2018.

EC Section 52052(d) automatically qualifies Continuation and Community Day schools with an alternative status and these schools will automatically be placed in DASS. Alternative Schools of Choice having an unduplicated count of at least 70 percent of the school’s total enrollment (upon first entry to the school) comprised of high-risk student groups are eligible for DASS and must

re-apply for alternative status to participate in DASS. Gateway to College High at Laney College is an Alternative School of Choice and meets the eligibility requirements for DASS.

Discussion Approval by the Board of Education of the California Department of Education (CDE) Dashboard Alternative School Status Eligibility Certification Gateway to College High at Laney College for the period of July 1, 2024 through June 30, 2027.
