Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Chief Academic Officer

Meeting Date August 14, 2024

Subject 2024-2025 School Plan for Student Achievement (SPSA) for Markham Elementary School

Ask of the Board Approval by the Board of Education of the 2024-2025 School Plan for Student Achievement (SPSA) for Markham Elementary School.

Background In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). The plans shall also be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the SPSA is to coordinate all educational services at the school. The plan shall address how funds provided to the school will be used to improve academic performance of all pupils to the level of the proficiency goals, as established by the California Department of Education.

Discussion The SPSA builds on a premise that students are capable of learning with effective instruction and includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school quality improvement actions, directs resources where they will most impact student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated with student success.

Fiscal Impact The programs listed below are reported in the Consolidated Application and allocated to school sites through the School Plan for Student Achievement (SPSA):

- Title I, Part A, including Comprehensive Support & Improvement Grant
- Title IV, Parts A and B
- After School Education and Safety (ASES)

2024-25 School Plan for Student Achievement (SPSA)

School: Markham Elementary School
CDS Code: 1612596002059
Principal: Danielle Pharr-Mathews
Date of this revision: 5/16/2024

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Every Student Succeeds Act (ESSA) require each school to consolidate all school plans for programs funded through the Consolidated Application (ConApp) into the SPSA.

ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

Early Childhood Education Program

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

Summer Learning Program

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate.

Transitional Students and Families Unit

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- **Foster Youth Program:** The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- **Refugee & Asylee Program:** The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- **McKinney-Vento Program:** The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

2024-25 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): NEEDS ASSESSMENT

1A: ABOUT THE SCHOOL

School Name: Markham Elementary School

School ID: 138

CDS Code: 1612596002059

SSC Approval Date: 5/16/2024

Board Approval Date: 8/14/2024

School Mission and Vision

The Markham staff and community work together to hold ourselves accountable for student achievement to nurture, guide and challenge ALL students to become productive citizens, lifelong learners and critical thinkers. Through rigorous instruction and conscientious modeling, we as staff, students, families, and community will hold ourselves to high standards and accept responsibility for ourselves and each other upholding the values of love, kindness and scholarship. As we grow through this year, we will highlight and promote what we do well, work to identify our areas of growth with cultural responsiveness, monitor and implement current data and research-based practices, document baseline information and navigate growth, and share our results with the community.

Our Markham School Vision is to facilitate positive growth and learning outcomes as we believe that all students can and do learn. Our essential question remains: How are we working together to ensure every student is making progress towards their goals?

Purpose of this Plan

This school has been identified for the following assistance under the Every Student Succeeds Act (ESSA):

- Comprehensive Support & Improvement for the following groups: CSI Low Performing

The purpose of this schoolwide plan is to improve outcomes for all students. Based on a review of performance indicators for all students, we have identified evidence-based interventions to address the unique needs of each student group. We will measure effectiveness of these interventions by monitoring implementation and tracking progress towards our student performance targets. Goals, targets, activities, and budget expenditures align to Oakland Unified's LCAP goals and to the specific purposes of the CSI, Title I, and other targeted funding programs.

Resource Inequities (Briefly identify and describe any resource inequities identified as a result of your needs assessment.)

Following declining enrollment 2015-2020, Markham has had an increase in enrollment 2021-2024 resulting in a need for additional services and resources to support a growing population of newcomers, mam speakers, ELLs, student with disabilities, transient families, and students with high levels of trauma. Within this diversity, family engagement has been a challenge due to high levels of low-income, and high percentage of working family members during school hours which results in high absenteeism. We have also had a very difficult time recruiting and retaining quality experienced teachers for the past few years. Teacher retention and turnover is very high. These inequities make it difficult to allocate and utilize resources effectively. We are often staffed with teachers on intern credentials who only stay a few years and we then have to start over with coaching, observation, and feedback cycles. Strategies to mitigate this impact include stable leadership; new principal and fifth year CSM. Planning for 24-25 SY will include the leadership teams and summer PD opportunities to focus on: EL instructional strategies, PBIS, MTSS, and explicit planning around social emotional student curriculum and support. We also aim to leverage relationships with community partners to support experiential learning. These partners include All Good Living (ongoing donations) and Bay Area Community Resources (BACR) after school program who provide enrichment and academic support that align with our school values of being safe, being responsible, being respectful, and being kind.

1B: GOALS & IDENTIFIED NEEDS

LCAP Goal 1: All students graduate college, career, and community ready.

School Goal:	We aim to provide coaching support and planning time through professional learning communities (PLCs/PD) to all staff in module unpacking, assessment analysis, and lesson facilitation. If we do this, teachers will be better able to incorporate Common Core aligned tasks in daily instruction, provide engaging opportunities for students to become college and career ready, problem solvers, collaborators, communicators of their learning, resulting in improved academic outcomes for all students.
Identified School Need:	Increase in the number of K-5 students scoring mid/above at EOY in ELA and Math by 5%+ (minimally) from previous EOY Increase in the number of K-5 students meeting their typical growth target at EOY in ELA and Math by 5%+ (minimally) from previous EOY Decrease distance from standard SBAC ELA and Math 3rd-5th grade by 10%.

LCAP Goal 3: Students and families are welcomed, safe, healthy, and engaged.

School Goal:	We aim to provide high quality professional development and coaching support around implementation of SEL resources so that teachers and leaders will have capacity and skill to implement MTSS supports to create strong conditions for learning resulting in a decrease in time out of class and in suspensions. Overall, we aim to increase students connectiveness to school by 10 percentage points or more; keep out-of-school suspensions below 1.9% for all focal groups; reduce Chronic Absenteeism by 5% or more for all students.
Identified School Need:	Specifically for 24/25: Decrease moderate chronic attendance from (~) 32% to 27%. Decrease severe chronic attendance from (~) 12% to 7%. Maintain student well-being as evidence by Sown to Grow. Communicate regularly and work with families to develop learning and SEL at home.

1C: STRENGTHS & CHALLENGES

Goal Area:	School Goal:	Priority Strengths
LCAP Goal 1:	<i>We aim to provide coaching support and planning time through professional learning communities (PLCs/PD) to all staff in module unpacking, assessment analysis, and lesson facilitation. If we do this, teachers will be better able to incorporate Common Core aligned tasks in daily instruction, provide engaging opportunities for students to become college and career ready, problem solvers, collaborators, communicators of their learning, resulting in improved academic outcomes for all students.</i>	Markham is growing into the PLC model. We have a calendar that reflects PD, planning, and data analysis. We have a large English Learner (EL) population, inclusive of a growing newcomer group and the district has provided ELD curriculum and resources, including training opportunities. Markham is allotted a .50 FTE to support Newcomer groups and EL students who we support through Title 1. We also have the support of our TSA who focuses on Literacy.

<p>LCAP Goal 2:</p>	<p><i>Markham focal groups will show growth of 10 percentage points for all measures of assessment.</i></p>	<p>i-Ready reading: 22/23-Trimester 3 Black students- 24% early on on in grade 22/23-Trimester 3 Latinx students- 15% early on on in grade 22/23Trimester 3 Students w/IEPS- 8% early on on in grade</p> <p>23/24-Trimester 3 Black students- 19% early on on in grade 23/24-Trimester 3 Latinx students- 14% early on on in grade 23/24-Trimester 3 Students w/IEPS- 10% early on on in grade</p> <p>i-Ready math: 22/23-Trimester 3 Black students- 13% early on on in grade 22/23-Trimester 3 Latinx students- 7% early on on in grade 22/23Trimester 3 Students w/IEPS- 5% early on on in grade</p> <p>23/24-Trimester 3 Black students-16% early on on in grade 23/24-Trimester 3 Latinx students- 5% early on on in grade 23/24-Trimester 3 Students w/IEPS-13% early on on in grade</p>
---------------------	---	--

<p><i>LCAP Goal 3:</i></p>	<p><i>We aim to provide high quality professional development and coaching support around implementation of SEL resources so that teachers and leaders will have capacity and skill to implement MTSS supports to create strong conditions for learning resulting in a decrease in time out of class and in suspensions. Overall, we aim to increase students connectivness to school by 10 percentage points or more; keep out-of-school suspensions below 1.9% for all focal groups; reduce Chronic Absenteeism by 5% or more for all students.</i></p>	<p>SEL has been a priority focus for Markham. Implementation of our culture plan action steps have been successful in minimizing on campus conflicts. Use of the buddy room, peace corners, restoration with the case manager, the school store, use of Markham bucks, additional whole school and individul incentives in addition to professional development have made our campus more safe. The data from Sown to Grow, student surveys, and CHKS also indicates kids are happy to be at school. Attendance has improved for our Latinx and Black students. I am hopeful more time at school leads to an increase in student proficiency across all grades. Chronic severe attendance in 22/23: 34% Chronic severe attendance in 23/24: 12.9%</p>
<p><i>LCAP Goal 4:</i></p>	<p><i>Increase teacher retention to 80%</i></p>	<p>We have had some PD regarding schoolwide to classroom PBIS. Most classrooms are supporting stduent behavior with Markham bucks and/or other in class incentives. We regularly review schoolwide expectations and intervention/discipline procedures have been shared with staff. Support staff include the Secenca team, school CSM, school case manager, admin, and other classified/certificate staff. Coffee with the Principal has been a very effective strategy to bring parents in and get them involved; this has allowed classroom/school to home communcation in terms of school happenings, assessments, and culture& climmate. We are seeing an average of 25 parents at the coffee with the principal. Other engagement nights such as literacy night and culture night have created a sense of community within our parents. Translation allows more of our parent population to be involved and refreshments at meetings allow parents to feel valued. We would like to continue having workshops for parents to engage familes in school.</p>

Goal Area:	School Goal:	Priority Challenges
<p><i>LCAP Goal 1:</i></p>	<p><i>We aim to provide coaching support and planning time through professional learning communities (PLCs/PD) to all staff in module unpacking, assessment analysis, and lesson facilitation. If we do this, teachers will be better able to incorporate Common Core aligned tasks in daily instruction, provide engaging opportunities for students to become college and career ready, problem solvers, collaborators, communicators of their learning, resulting in improved academic outcomes for all students.</i></p>	<p>Most teachers are new to or still learning the OUSD curriculum (Eureka math is year 2, and EL Education is in year 2). Markham has phased out its dual language program and teachers have not been adequately trained to deliver the EL instruction through the EL materials. OUSD's in depth training is often during the summer when new teachers have not been onboarded. This results in a lack of familiarity with curriculum. Markham coaching and support team was assigned to the classroom to cover vacancies leaving no additional coaching support beyond the .50 Newcomer FTE. A lack of personnel has limited our ability to go deep with PLC work and analysis of student data.</p>
<p><i>LCAP Goal 2:</i></p>	<p><i>Markham focal groups will show growth of 10 percentage points for all measures of assessment.</i></p>	<p>Trimester 1 i-Ready reading: 4% of K-5 proficient in grade (11 students) Trimester 2 i-Ready reading: 7% of K-5 proficient in grade (17 students) Trimester 1 i-Ready math: 1% of K-5 proficient in grade (3 students) Trimester 2 i-Ready math: 1% of K-5 proficient in grade (4 students)</p>

<p><i>LCAP Goal 3:</i></p>	<p><i>We aim to provide high quality professional development and coaching support around implementation of SEL resources so that teachers and leaders will have capacity and skill to implement MTSS supports to create strong conditions for learning resulting in a decrease in time out of class and in suspensions. Overall, we aim to increase students connectivness to school by 10 percentage points or more; keep out-of-school suspensions below 1.9% for all focal groups; reduce Chronic Absenteeism by 5% or more for all students.</i></p>	<p>While SEL PD has been implemented, it has been limited. In terms of SEL, the Caring schools curricumlum has not been implemented in all classrooms. We need to streamline the breakfast window to maximize instructional/SEL time. In reviewing Sown to Grow data 95% of students report feeling "good" about school. The CSM, Secena Center, and Case manager respond to student alerts as necessary. Abotu 5% of student have had this intervention.</p>
<p><i>LCAP Goal 4:</i></p>	<p><i>Increase teacher retention to 80%</i></p>	<p>Despite a whole school focus on the 4Bs and PBIS, we have students in trauma whose needs show up behaviorally. We have limited Tier 3 supports.</p>

2024-25 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW

School: Markham Elementary School

SPSA Year Reviewed: 2023-24

SPSA Link: [2023-24 SPSA](#)

2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA

Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.

Regarding Conditions for Student Learning- Teachers are in need of ongoing professional development across all content areas. We have the materials and have done some PD, but it seemed to big a lift given we started and will end the year off with open positions in Kinder, third, fifth, TSA.

Regarding Providing Equitable Access to STANDARDS-BASED INSTRUCTION- The first year adoptions of EL Education and Eureka Math Squared along with building SIPPS small group instruction across grade levels need to be the priority. Establishing PLC and collaboration time out side of Wednesday PLC/PD time has been challenging. We are aiming to secure opportunities for grade level PLCs in additon to weekly Wednesdays as we go into August 2024.

Regarding Developing LANGUAGE AND LITERACY Across the Curriculum- Teachers across most grade levels have been successful in establishing differentiated groups for SIPPS instruction. TSAs along with a few new-hire Early Literacy Tutors continue to provide pull out support in addition to classroom teacher small-group instruction for some students. Off to a late start, SIPPS instruction is more consistent in K-3 classrooms.

Regarding Cultivating CONDITIONS FOR ADULT PROFESSIONAL LEARNING- Professional learning teams have been coordinated: Coordination of Service Team (COST), Instructional Leadership Team (ILT), Positive Incentive & Supports Team (PBIS), and Safety Team. TSA meet weekly with the Principal to coordinate and plan Professional Development and routine observation-feedback cycles to support teachers and promote ongoing quality classroom instruction.

Regarding elevating CONDITIONS FOR BLACK STUDENTS- We have established regular reviews of URF data, chronic absenteeism data, and academic performance data to let the data story reveal any potential or persistent disproportionalities to inform our ongoing socio-emotional and academic instructional practices. As we head into 254/25 we have plans to further engage African-American families with a focused effort to establish an affinity group and provide parent-education nights for ELA, Science and Math.

The ILT team is also coordinating peer observations to support environmental & instructional practices, protocols and procedures.

Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.

Coaching support from OUSD partners has been extremely beneficial, however, given the number of new staff and limited training opportunities, more PD is needed in the following areas: Literacy instruction and assessment, SIPPS implementation, math, and overall MTSS.

Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.

We aim to plan to start the 24/25 year with the foundational structures of teacher peer leadership groups, implementation of Caring School Communities with any necessary modifications that speak directly to our specific community needs. We also aim to build on our the Tier 1 classroom management norming and strengthening peer support as led through the ILT as well as continue the foundation of differentiated groupings for SIPPS literacy instruction to raise the level of reading foundational skills across grade levels. We will also make an explicit push to include professional development in areas of ELD, Trauma Informed Care, Restorative Justice, social emotional learning, and instructional strategies to increase positive outcomes. These changes will be reflected in Part 3 Strategies and Actions.

2B: CURRENT YEAR TITLE I-FUNDED PROGRAM EVALUATION

Title I Expenditure	Target Addressed by Expenditure	Actions/Activities <i>(e.g., what does this person or program do?)</i>	What is working? Why? What is not working? Why not?	Based on this evaluation, what will you change, continue, or discontinue? Why?
Parent workshop extended contract	College/Career Readiness	Affinity Nights with Black and Latinx families Literacy Nights	These events allowed us to hear directly from families regarding goals and resources they would like for students. As a result of increased parent engagement as well as other strategies, Markham has seen a decrease in the percentage of students who are severely chronically absent. In SY 22-23 chronic absenteeism was at 31.3% as opposed to this year at we are 11.9%.	Continue and grow based on feedback

Parent workshop refreshment	Student Connectedness to School	Motivated parent attendance at workshops and monthly coffees	Average of 25 families attend coffees. Very few Black families attend despite personal invites. These events allowed us to hear directly from families regarding goals and resources they would like for students. As a result of increased parent engagement as well as other strategies, Markham has seen a decrease in the percentage of students who are chronically absent. In SY 22-23 chronic absenteeism was at 31.3% as opposed to this year at we are 11.9%.	Continue and grow
10-Month Classroom Teacher on Special Assignment (TSA)	i-Ready Reading at or above Mid-Grade	Emphasis on teacher coaching, tutor coordinator, assessment engagement and parent work	Working: Because of the work of our TSA we have been able to implement SIPPS in K-3 and small group intervention with tutors. Not working: consistency with SIPPS instruction K-5th. ELD is still underdeveloped and in need of concentrated support. TSA directed to cover classroom teacher in the absence of a dedicated teacher.	Start the new school year fully staffed so TSA can be available to provide direct coaching. ELD training to be held by Newcomer TSA.
10-Month Classroom Teacher on Special Assignment (TSA)	ELL Reclassification	Emphasis on newcomer support	Not working: .5 staff to support all newcomers at site is not enough to make impact.	Dedicated Newcomer TSA. Site will fund .5 TSA to make this position whole for direct services to students and coaching for teachers. Professional development centered on implementation of ELD.

2024-25 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): STRATEGIES & ACTIONS

3: SCHOOL STRATEGIES & ACTIONS

[Click here for guidance on SPSA practices](#)

LCAP Goal 1: All students graduate college, career, and community ready.

School Goal:

We aim to provide coaching support and planning time through professional learning communities (PLCs/PD) to all staff in module unpacking, assessment analysis, and lesson facilitation. If we do this, teachers will be better able to incorporate Common Core aligned tasks in daily instruction, provide engaging opportunities for students to become college and career ready, problem solvers, collaborators, communicators of their learning, resulting in improved academic outcomes for all students.

Identified Need:

Increase in the number of K-5 students scoring mid/above at EOY in ELA and Math by 5%+ (minimally) from previous EOY
 Increase in the number of K-5 students meeting their typical growth target at EOY in ELA and Math by 5%+ (minimally) from previous EOY
 Decrease distance from standard SBAC ELA and Math 3rd-5th grade by 10%.

Title I, Part A School Parent and Family Engagement Policy

All Title I schools will jointly develop a written parent and family engagement policy with input from and distribution to all parents and family members. This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements.

Markham Elementary

agrees to implement the following engagement practices, in keeping with Oakland Unified School District's Standards for Meaningful Family Engagement:

OUSD FAMILY ENGAGEMENT STANDARD 1: Parent/Caregiver Education Program

Families are supported with parenting and child-rearing skills, understanding child and adolescent development, and setting home conditions that support children as students at each age and grade level.

The school provides parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children by:

- School Site Council Meetings, Meetings for non English speaking families, Back to School Night, Trimester report cards, family conferences

The school supports a partnership among staff, parents, and the community to improve student academic achievement and engage parents in meaningful interactions with the school by:

- School Site Council Meetings, Meetings for non English speaking families, Back to School Night, Trimester report cards, family conferences

OUSD FAMILY ENGAGEMENT STANDARD 2: Communication with Parents and Caregivers

Families and school staff engage in regular, two-way, meaningful communication about student learning.

The school communicates to families about the School Parent and Family Engagement Policy by:

- Convening an annual meeting, at a convenient time, to which all parents shall be invited and encouraged to attend, to inform

parents of their school's participation in Title I, Part A and to explain the program requirements and the right of parents to be involved.

- Sharing compact by ParentSquare and hard copy during family conferences

The school communicates to families about the school's Title I, Part A programs by:

- School Site Council Meetings, Meetings for non English speaking families

The school communicates to families about the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet by:

- Back to School Night, Family Conferences, providing translation support, assessment data

The school distributes information related to school and parent programs, meetings, school reports, and other activities to parents in a format and language that the parents understand by:

- ParentSquare communication, flyers

OUSD FAMILY ENGAGEMENT STANDARD 3: Parent Volunteering Program

Families are actively involved as volunteers and audiences at the school or in other locations to support students and school programs.

The school provides opportunities for families to volunteer in classrooms and other school activities by:

- Offering volunteer opportunities and assistance with signing up, providing translation support

OUSD FAMILY ENGAGEMENT STANDARD 4: Learning at Home

Families are involved with their children in learning activities at home, including homework and other curriculum-linked activities and decisions.

The school provides parents with materials and training to help them work with their children to improve their children's achievement by:

- Providing homework, consumables are able to go home, trimester report cards

OUSD FAMILY ENGAGEMENT STANDARD 5: Shared Power and Decision Making

Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

With the assistance of parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners by:

- School Site Council Meetings, Meetings for non English speaking families, holding coffee with the Principal meetings, providing translation support

The school provides opportunities for regular meetings with a flexible schedule that allows parents to participate in decisions relating to the education of their children by:

- School Site Council Meetings, Meetings for non English speaking families, holding coffee with the Principal meetings, providing translation support, meeting on zoom ad an option

The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the School Parent and Family Engagement Policy by:

- School Site Council Meetings, Meetings for non English speaking families, Title 1 meeting, holding coffee with the Principal meetings, providing translation support, school newsletter

The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, by:

- School Site Council Meetings, Meetings for non English speaking families, volunteer opportunities, providing translation support, school newsletter

The school provides support for parent and family engagement activities requested by parents by:

- Family literacy nights, school events
- Holding Coffee with the Principal meetings
- Planning with community Schools Manager

OUSD FAMILY ENGAGEMENT STANDARD 6: Community Collaboration and Resources

Coordinate resources and services for families, students, and the school with businesses, agencies, and other groups, and provide services to the community.

The school coordinates and integrates the Title I, Part A parent and family engagement program with other programs and activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children by:

- Inviting parent participation, establishing a room for parent assemblies and meet
- Coffee with the principal
- Guests in the classroom
- Partnership with Community Schools Manager

If a Title I School Wide Plan is not satisfactory to parents, a parent can submit any comments on the School Plan for Student Achievement (SPSA) to the Strategic Resource Planning Office.

ADOPTION

This policy was jointly developed and adopted by Markham Elementary and families on August 30, 2023 and will be in effect for the period August 7, 2023 through May 2024).
