Background In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

Early Childhood Education Program

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

Summer Learning Program

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate.

Transitional Students and Families Unit

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- Foster Youth Program: The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- **Refugee & Asylee Program:** The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- *McKinney-Vento Program:* The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

LCAP Goal 1: All students graduate colleg	e, career, and community	ready.				
School Goal: If our students receive quality foundational literacy support and teachers use data from professional learning communities to inform next steps, students will improve their reading ability.						
Identified School Need: 85% of Sankofa scholars will be reading at or above grade level by the end of 3rd Grade. 85% of Sankofa scholars will be ready for middle school by the end of 5th grade as it relates to literacy skills. This will require 70% increase from the MOY data.

C: STRENGTHS & CHALLENGES							
Goal Area:	School Goal:	Priority Strengths					
LCAP Goal 1:	85% of Sankofa scholars will be reading at or above grade level by the end of 3rd Grade. 85% of Sankofa scholars will be ready for middle school by the end of 5th grade as it relates to literacy skills.	1st, 3rd, and 5th are progressing toward meeting our goal with each class showing between 10-24% increase from the previous year.					
		There has been marginal improvement from last year. We believe the imrpovement could be greater with the inclusion of modern classroom technology and additional support from a TSA.					
LCAP Goal 3:	100% of Sankofa scholars and their families feel welcomed, safe and are healthy and engaged in the learning community.	The community engagememnt commitee of the PTA, PTA leadership, as well as several volunteers have come together to ensure Sankofa feels warm and welcoming to all students and families. Staff work to develop relationship with families. Our CSM has deep conncetions with families that make Sankofa feel special.					
LCAP Goal 4: 100% of teachers report improved instructional practices because of professional learning (PD, PLC's, Cycles of Inquiry)		We have a PLC structure where teachers are analyzing student data and submitting task cards.					
Goal Area:	School Goal:	Priority Challenges					
LCAP Goal 1:	85% of Sankofa scholars will be reading at or above grade level by the end of 3rd Grade. 85% of Sankofa scholars will be ready for middle school by the end of 5th grade as it relates to literacy skills.	There has been some increase in some spaces and a decline in 2nd grade. Families stated "There are cohorts of students that may have endured different challenges due to the pandemic, there are some issues that impact 2nd graders directly" when asked about the challenges. 2nd grade needs futher support. Staffing and attendance has proven a challenge. The TSA is needed to (Teacher on Special Assignment) directly work with teachers to improve their foundational literacy techniques. The TSA can also support teacher coaching and provide them with the support they need to improve learning for all students.					

LCAP Goal 2:	African American scholars will increase their iReady and SBAC scores to show accelerated growth to close achievement disparities.	African American scholars, at the MOY i-ready diagnostic, showed a 3% increase from the 22-23 school year. We are not currently making the progress we need to make. This is in part due to challnges with staffing for early literacy tutors, staff issues with the district adopted curriculum, focal student work, and the need to align our support programs with our phonics curriculum.		
LCAP Goal 3:	100% of Sankofa scholars and their families feel welcomed, safe and are healthy and engaged in the learning community.	Parents feel "like culture is on a more positive trajectory", but do have suggestions for how to make school feel more positive and welcoming. This includes engaging classrooms and families in getting feedback from students as well as improving the volunteer and room representive program. We have been especially challenged to support the chronic absenteeism for the following student groups: African American Students, Multiracial Students, Latino/a Students, and Special Education Students based on the impact of Pandemic school closures and the OUSD teacher's strike in May 2023		
LCAP Goal 4:	100% of teachers report improved instructional practices because of professional learning (PD, PLC's, Cycles of Inquiry)	Challenges here include teachers feeling that PLC is too structured. It also took a while to get buy in for the PLC process. Now we need teachers to move to the step of using the data from PLC to inform instruction. The TSA has a great role in supporting PLC and planning for differentiated and appropriate adult learning experiences. Also, teachers can transform learning with classroom technology. We can assist staff in learning how to use the technology during PD.

2024-25 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW

School: Sankofa United Elementary School

SPSA Year Reviewed: 2023-24

SPSA Link: 2023-24 SPSA

2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA

Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.

We have incorporated SEL daily, bi-weekly PE, and weekly Art. We have also provided flexible parent-teacher conferences, communications, and parent feedback. Our goal is to provide structured cooperative recess activities for 3rd graders and under. We have also included culture and climate discussions with staff and Admin. We introduced Expectation Rotation to students after the Christmas break. We implemented school assembly.

Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.

We are having weekly PD that are focused on building strong school culture, consistent school-wide language and practices. Some cross grade teacher collaboration is happening to support student culture. The expectation rotation helped ground the school in school-wide expectations. Monday morning all-school assemblies help start the week off with school-wide shared language and goals. There is support from all teachers to reinforce expectations of other classes as well as their own. The ARE ELT walkthrough and ILT summit gave time for the school ILT to make action plans for school-wide support.

Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.

We need to have designated ELD training earlier in the year.. We think we should have more training in ELD earlier in the year and ongoing as needed by staff (LCAP Goal 2),

The TSA supported 5 teachers this year with coaching and all 10 teachers with structured PLC.	The TSA should continue these activities next year and will work wih the principal to streamline coaching

The teacher feels highly supported. However, we no longer have funds to continue to the position in 24-25	We will ask the academic mentor if they wish to move into an ELT position next year to continue the work
Professional/contracted Services	SBAC ELA Distance from Standard Met	Buses for Fiedltrips. Students went on several fieldtrips this year and were transported by Bus.	Yes, students have gone on fieldtrips to Mosaic, Universities, the Zoo, etc. This has created joy in our school. 23 students benefitted from this fieldtrip. 100% of students went on a fieldtrip.	We will continue to use this money for fieldtrips
Admission Fees	Student Connectedness to School	Fieldtrips	Fiedltrips have contributed to the success of our students and their feeling of belonging.
