

OUSD Public Hearing Charter Renewal 2024

ASCEND TK-8 SCHOOL

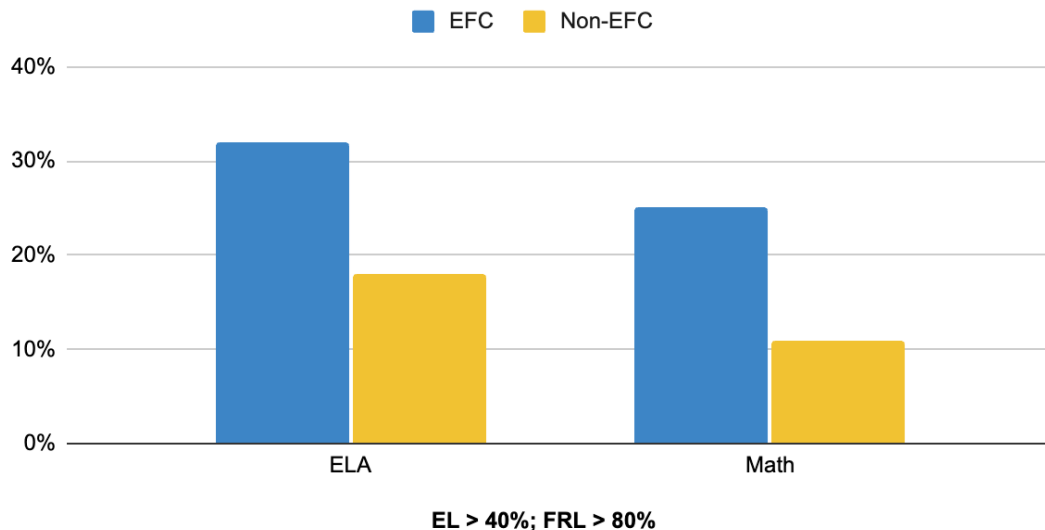

Changing Outcomes in East Oakland Since 2005

Education *for* Change

Serving **2700** students in
East Oakland

**Oakland 2023 SBAC Proficiency:
Schools with High FRL and EL Populations**

EFC students challenge the predictable patterns of performance and access to opportunity in this country by demonstrating the essential academic competencies, personal agency, and integrated identity necessary to be prepared for a meaningful and productive life.

The vision of ASCEND is to **nurture a passion for learning and cultivate personal agency** in order to discover who we are, what we need and how to advocate for it. Together, our community of students, families and staff **explores, learns and grows through success and failure**. Diverse learners thrive through an approach that develops the whole individual, which includes **arts-integration, expeditionary learning, personalization, and a focus on social and emotional growth**. Through a common vision guided by love, we empower each other to forge our own paths and to create a school that reflects the world we want.
