Our Goals for 2024-25

**A parent member from the School Site Council
or Site English Language Learner Subcommittee
of each school attends PSAC meetings.**

ARE YOU IN IT TO WIN IT? WE ARE!

Bragging rights for the electoral district with the highest percentage of schools sending members to PSAC meetings

Prize for the school from the winning electoral district that most consistently sent parent members to PSAC meetings

We will report on this race each month.

Network superintendents participate in PSAC meetings to engage with the members, and with parents and students from all schools.

**Evidence of strong School Site Councils
and Site English Language Learner
Subcommittees across OUSD.**

This is our THIRD year of seeking improvements in this area.

We are committed to shared governance with families and students through strong school committees.

We are continuing our dialogue with Strategic Resource Planning (SRP) and other staff about how they message to principals about school committees.

We are considering changes to our bylaws that would increase the ways in which parents can become PSAC members.

We will work on these changes in October.

Our Regular Schedule

1st Tuesdays Planning Meeting	Set Direction Based on Annual Priorities and Other Identified Needs Clarify Goals for the Public Meeting
2nd Tuesdays Planning Meeting	Draft Agenda for the Public Meeting Identify Member Roles
2nd Wednesdays	Report to the School Board
3rd Tuesdays Planning Meeting	Review Process for Public Meeting
3rd Wednesdays	PSAC Public Meeting

The Lead Delegates of PSAC commit to attend all planning meetings and report to the School Board. All members are invited to participate.

A Final Note

While we will not report in detail about our role in the Ad Hoc Committee for the School Closure/Merger/Redesign Metrics, we must note that participating has been challenging.

Parent members across committees had a very difficult time attending the meetings because there was no poll of our availability.

The dates of the meetings were suddenly announced on Saturday August 17th to begin right away the following week.

We are trying our best to be present and to contribute.

We need some shared standards for how important committees like this one are organized and supported.

Our Priorities for 2024-25

While our initiatives will remain the same this year, these are some over-arching needs that we will be emphasizing:

1) We need data-driven decision-making by everyone across our district to benefit disabled students.

Disabled students must be reflected in all data.

The choice of data must be responsive to their experiences and needs.

Data must be consistently separated out (disaggregated) to reflect the diverse experiences and needs of disabled students (related to disability, ethnicity, program, language, etc.)

2) Disabled students must be fully accounted for in all areas of service that are included in the LCAP. There must be greater transparency about their degree of access, how they are being served, and how program budgets include them.

3) School and program stability for disabled students will be a priority this year.

This is due to current conversations in OUSD about school closures, mergers, and redesign.

These types of decisions about schools have historically caused the greatest disruption and harm to disabled students learning in Special Day classrooms.

Main Topics for Fall Meetings

September 9	Sufficient and Sustainable Special Education Staff for Disabled Students
October 21	School & Program Stability for Disabled Students
November 18	<p>Full Access for Disabled Students to the Academic & Social-Emotional Opportunities in OUSD: <i>Implementation of the Access Resolution</i></p> <p>Focus on Visual and Performing Arts. Small reports from Linked Learning, Athletics, and Expanded Learning.</p> <p>Overview of the Enrollment Process for 2025-26</p>
December 9	Supporting the Intersectional Experiences of Disabled Students

ALL BODIES ARE UNIQUE AND ESSENTIAL.

**ALL BODIES ARE WHOLE. ALL BODIES HAVE
STRENGTHS AND NEEDS THAT MUST BE MET.**

**WE ARE POWERFUL NOT DESPITE THE COMPLEXITIES
OF OUR BODIES, BUT BECAUSE OF THEM.**

WE MOVE TOGETHER, WITH NO BODY LEFT BEHIND.

THIS IS DISABILITY JUSTICE.

TODOS LOS CUERPOS SON ÚNICOS Y ESENCIALES.

**TODOS LOS CUERPOS SON COMPLETOS. TODOS LOS
CUERPOS**

TIENEN FORTALEZAS Y NECESIDADES QUE SE DEBEN SUPLIR.

**SOMOS PODEROSOS NO A PESAR DE LAS COMPLEJIDADES DE
NUESTROS CUERPOS, SINO DEBIDO A ELLAS.**

NOS MOVEMOS JUNTOS, SIN DEJAR NINGÚN CUERPO ATRÁS.

**ESTO ES JUSTICIA DE
DISCAPACIDAD.**

Foster Youth Advisory Committee

Our Members

Students, Foster Parent/Caregivers: 1) **Shelley González** (Brewer, Oakland High) 2) **Patty Juergens** (La Escuelita), 3) **RocQuel Johnson** (OUSD Graduates)

Community Members: Organizations, Agencies, Individuals:

4) **Jennifer Castello** (ACOE), 5) **Brian Blaisch** (Greater New Beginnings),

6) **Maida Quintero Medrano** (BE/ILP), 7) **Quijai Johnson** (CYC),

8) **Kristin Windley** (EBCLO) Note: a new organization, Side by Side, will be providing ILP services to foster students in the county. We need to seek a member from it.

OUSD Foster Youth Services: 9) **Jennifer Tam** (FYS Coordinator), 10) **Anthony Bell** (OUSD FY Case Manager), 11) **Jesse Miller** (OUSD FY Case Manager), 12) **Miranda Magee** (OUSD FY Case Manager)

Other OUSD Staff: 13) **JT Bullock, Jr.** (Paraprofessional), 14) **Tara Gard** (Talent Division), 15) **Jerome Gourdine** (Office of Equity)

What we are seeking in the short-term:

1) a revision to the LCAP that adds a metric which would show that OUSD is implementing the legal reporting requirements related to the suspension of foster youth

The official response to our request did not show that staff understood the legal requirement.

2) a specific revision to the LCAP which would show a commitment to foster students and their caregivers knowing about all diploma options (A-G, reduced credit, alternative) and having access to them. We also requested a specific provision for foster youth with IEPs and it was denied. The official response did not make sense because it did not connect to our request.

What we are seeking in the short-term:

3) a consistent budget allocation to foster youth services for non-labor purchases that would meet the individualized and incidental needs of foster students. It would pay for things such as incentives for engagement, individualized instructional materials, student snacks, etc.

This small budget allocation has come and gone through the years though we continue to make the same request during every LCAP cycle.

The allocation should be standardized by leadership.

Support our work.
