# **Our Priorities for 2024-25**

**Our initiatives will remain the same as last year. These are some over-arching needs that we will be emphasizing:**

**1) We need to improve data-driven decision-making across our district to benefit disabled students.**

Disabled students must be reflected in all data.

The choice of data must be sensitive to their experiences and needs.

Data must be consistently separated out (disaggregated) to reflect their diverse experiences and needs (different disabilities, ethnicity, program, language, etc.)

**2) Disabled students must be fully accounted for in all areas of service that are included in the LCAP.** There must be greater transparency about their degree of access and how they are being served.

**3) School and program stability for disabled students will be a priority this year.**

This is due to current conversations in OUSD about school closures, mergers, and redesign.

These types of decisions about schools have historically caused the greatest disruption and harm to disabled students learning in Special Day classrooms.

# Main Topics for Fall Meetings

# Our Members

---

**Students, Foster Parent/Caregivers:** 1) **Shelley González** (Brewer, Oakland High) 2) **Patty Juergens** (La Escuelita), 3) **RocQuel Johnson** (OUSD Graduates)

**Community Members: Organizations, Agencies, Individuals:**

4) **Jennifer Castello** (ACOE), 5) **Brian Blaisch** (Greater New Beginnings), 6) **Maida Quintero Medrano** (BE/ILP\*), 7) **Quijai Johnson** (CYC), 8) **Kristin Windley** (EBCLO) \*Note: a new organization, Side by Side, will be providing ILP services to foster students in the county. We need to seek a member from it.

**OUSD Foster Youth Services:** 9) **Jennifer Tam** (FYS Coordinator), 10) **Anthony Bell** (OUSD FY Case Manager), 11) **Jesse Miller** (OUSD FY Case Manager), 12) **Miranda Magee** (OUSD FY Case Manager)

**Other OUSD Staff:** 13) **JT Bullock, Jr.** (Paraprofessional), 14) **Tara Gard** (Talent Division), 15) **Jerome Gourdine** (Office of Equity)

What we are seeking in the short-term:

**1) a revision to the LCAP that adds a metric to show that OUSD is implementing the legal reporting requirements related to the suspension of foster youth**

The official response to our request did not show that staff understood the legal requirement.

**2) a specific revision to the LCAP which would show a commitment to foster students and their caregivers knowing about all diploma options (A-G, reduced credit, alternative) and having access to them.**

We also requested a specific provision for foster youth with IEPs and it was denied. The official response did not make sense because it did not connect to our request.

What we are seeking in the short-term:

**3) a consistent budget allocation to foster youth services for non-labor purchases that would meet the individualized and incidental needs of foster students. This would pay for things such as incentives for engagement, individualized instructional materials, student snacks, etc.**

**This small budget allocation has come and gone through the years though we continue to make the same request in every LCAP cycle.**

**This money should be a standard part of every budget.**

**Support our work.**

meeting on September 24th.**

# The LCAP Parent & Student Advisory Committee

**Who We Are**

**We, the members of the LCAP PARENT AND STUDENT ADVISORY COMMITTEE, represent the families in all of the schools and educational programs of OUSD.**

**As parents and students, we center those who are most affected by the decisions made in our district.**

**We uphold the leadership of families as we promote respect for our work within school site and district committees.**

**We rely on our connection to school committees so that we can reflect the experiences and priorities of school communities.**

**Parent members** of PSAC are **elected by parent members** from the *School Site Councils* and *Site English Language Learner Subcommittees* of schools in our electoral districts.

**Student members** are **elected by the student leaders** of All City Council.

**Elections for membership in PSAC are held in September.** Members serve for a minimum of two years.

Up to seven members are elected to serve as **Lead Delegates**. They are the officers who steer the work of the committee.

28 parent/guardian members (4 from each electoral district) and 9 student advisors

**What We Do**

## **We make recommendations for the LCAP.**

**"Our Local Control and Accountability Plan (LCAP) is the plan that integrates all plans in our district.**

**It helps us to show transparently how OUSD is using all available resources to meet our goals for students in support of the state priorities."**

*Source: [LCAP PSAC Principles for the LCAP and Budget Process](#),  
unanimously adopted by PSAC on December 18, 2019.*

Districts must show how they spend money, on which students, and why.

The **Local Control and Accountability Plan (LCAP)** is where this happens.

**APRIL–MAY: FEEDBACK ON & REFINEMENT OF LCAP, YEAR 2**

**JUNE: PUBLIC HEARING & BOARD VOTE ON LCAP, YEAR 2**

## **Changes in the Process for 2025-26 LCAP**

- 2025-26 LCAP is the **second year** of the three-year 2024-2027 LCAP cycle, so is largely a refinement year vs. an overhaul year.
- New supplemental needs assessment will be required to guide spending of any remaining Learning Recovery Emergency Block Grant funds.
- New Equity Multiplier schools may be identified this winter and will require new LCAP actions; some existing EM schools may not be redesignated.
- Students will now be required members of the LCAP advisory body (but in Oakland, PSAC has included students since its inception).
- Beginning in 2027-28, districts designated by the State will be required to develop a special education addendum to the LCAP outlining how the district will improve services for students with disabilities in coordination with LCAP actions for other student groups.
