## OAKLAND UNIFIED SCHOOL DISTRICT GENERAL SERVICES AGREEMENT

This general services agreement (“Agreement”) is made and entered into effective **October 10, 2024** (the “Effective Date”), by and between the Oakland Unified School District (“District”) and **Sandis Civil Engineers Surveyors Planners** (“Contractor” and together with District, the “Parties”).

1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): Site Survey services for the Modernization Project at Coliseum College Preparatory Academy, Project 21113 (“Project”), (as further described in **Exhibit A** to this Agreement). Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by Sandis Civil Engineers Surveyors Planners consultants specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall be the duration of the Project (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** Either Party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other Party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums; (3) Contractor is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor’s insolvency; or (6) Contractor or Contractor Parties fail to comply with or make material representations as to the fingerprinting, criminal background check, and/or tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor’s receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on the hourly rates listed

in **Exhibit B** for Services satisfactorily performed. Contractor shall not increase these hourly rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **Sixty Thousand Five Hundred Dollars (\$60,500.00)**, which consists of a not-to-exceed amount of **Fifty-Five Thousand Dollars (\$55,000.00)** for performance of the Basic Services, and a not-to-exceed contingency amount of **Five Thousand Five Hundred Dollars (\$5,500.00)** for performance of any Additional Services. Contractor acknowledges that the not-to-exceed fee for Basic Services, above, includes contingency compensation in the foreseeable event that more time and costs may be necessary to complete the Basic Services. Contractor shall perform all Basic Services required by the Agreement even if the not-to-exceed amount for performance of the Services has already been paid and no more payments will be forthcoming. District agrees to make payment within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly. Contractor will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

6. **Indemnity.** Contractor shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Contractor, the Contractor Parties or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Contractor's obligations under this Agreement, including, but not limited to Contractor's or the Contractor Parties' use of the site, Contractor's or the Contractor Parties' performance of the Services, Contractor's or the Contractor Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, "Equipment") which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to

District's reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor's liability, or indemnification obligations set forth in Section 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (iii) worker's compensation insurance as required by Labor Code section 3200, et seq.; and (iv) professional liability insurance covering errors and omissions. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor's insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** The Parties agree that Contractor is free from the control and direction of District in connection with Contractor's performance of the Services. Contractor is hereby retained to provide the specified Services for District, which are outside the usual course of District's business. Contractor certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor and the Contractor Parties and otherwise in connection with this Agreement.

**RE: COLISEUM COLLEGE PREPARATORY ACADEMY EXPANSION PROJECT  
1390 66TH AVENUE, OAKLAND, CA**

Dear Kenya,

Thank you for the opportunity to submit our proposal to provide surveying services for the above-referenced project. Our proposal is based on the RFQ/P Site Survey Services for Coliseum College Preparatory Academy issued on June 26, 2024 and any subsequent addendums.

We propose to provide the following scope of services:

## **SURVEYING SERVICES**

### **RECORD BOUNDARY AND TOPOGRAPHIC SURVEY**

**\$40,000**

- Determine extent of existing property lines, right-of-way lines and easements as defined by and analysis of available record maps, deeds, title report, and physical evidence.
- Prepare a drawing showing boundary lines with length and bearing (including reference on basis) on each boundary course and plottable easements. Give area in square feet if less than one acre, and in acres (to .001 acre) if over one acre. Preliminary Title Reports with reference documents for the properties in question to be provided by the District.
- Provide field work, office calculations and drafting to produce a topographic survey at 1"=20' scale to fit on a 24x36 or 30x42 sheet layout.
- Among other relevant site features, this survey will show the following:
  - Mapping of school properties shall extend out to the face of curbs for all streets surrounding the sites.
  - Building footprints of existing structures with building corner spot elevations.
  - Building entry spot elevations; each side of entry(ies) at exterior, finish floor at interior and corner spot elevations at a point 5 feet from face of building entry(ies).
  - Spot elevations at top and bottom landing of each side of exterior stairways and corner spot elevations at landing 5 feet from top and bottom nosing of stair (if applicable).
  - Surveys will be required to have accurate locations of all utilities above and below grade.
  - Identify locations of all utilities by type (i.e., power, gas, sanitary, storm, sewer, telephone, domestic water, irrigation, telecommunication, etc.).
  - Acquire the depth of all gravity utility systems.
  - Locate surface and underground utility manhole, vault, transformer, switchgear, cleanouts, etc.
  - Identify utility box locations and show all underground pull boxes.
  - Locate main point of entry for communication utilities.
- Mapping of school property will extend out to the face of curbs for all streets immediately adjacent to

August 6, 2024  
Coliseum College Preparatory Academy

the school grounds, if any.

- Mechanical detection of existing utilities is included as a separate task item.
- Contours will be shown at one (1) foot intervals or as appropriate to clearly define the slopes. Spot elevations collected by ground surveys, including finish floor elevations, will be shown to an accuracy of 0.01' (one hundredth) of a foot. Heavily brushed areas will be defined at the perimeter. Brush clearing will be the responsibility of the client if ground elevations need to be collected in those areas.
- Sandis surveyors may utilize Aerial survey techniques if deemed appropriate for scope and site features. Aerial Survey will be supplemented with conventional survey for utility information and survey under trees or areas not visible from above. Aerial spot elevations for Aerial Survey will be shown to an accuracy of  $\pm 0.1$  (one tenth) of a foot.

## UTILITY LOCATING

### MECHANICAL LOCATING SERVICES (UNDERGROUND UTILITY LOCATING)

**\$15,000**

- Provide utility designation to determine the horizontal position of existing subsurface utilities within the project scope limits. Utilities will be located using standard locating methods pursuant to California Government Code section 4216 through 4216.9. The horizontal and vertical location of utility data will be collected. Field conditions may affect the thoroughness of our survey and only excavation/potholing will reveal the locations of such utilities. If storm or sewer lines are clogged with debris, it is at the client's discretion and responsibility to have those lines flushed for utility locating to resume.
- Utility locations will be marked in the field using standard APWA color coded paint, stakes, or a combination thereof based on site conditions. Chalk paint can be substituted upon request. Removal of utility marking via power washing or other methods is not included but can be provided as an additional service.
- Horizontal location of utility data will be collected and incorporated into the topographic survey.
- Removal of utility marking via power washing or other methods is not included but can be provided as an additional service.

### ADDITIONAL SERVICES

**\$5,500**

- 10% contingency fee used to cover potential additional services subject to District approval.

Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) (Education Code §45125.1(e).) See the lists of violent and serious felonies in ***Attachment A*** to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in ***Attachment B*** to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section 45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a).
