Date: September 25, 2024

Subject: **Proposed Amendment, Board Bylaw 9322 – Agenda/Meeting Materials (Second Reading)**

**ASK OF THE BOARD**

Adoption by the Board of Education of proposed Amendment, Board Bylaw (BB) 9322 - Agenda/ Materials, as enumerated, in Exhibit A.

**BACKGROUND**

The Board over the last year, among other dates, June 27, 2024, August 14, 2024, has reviewed its performance in executing the vision and mission of the District. Among one of the questions asked and discussed, **Is there a way for the Board to more efficiently handle its routine business and spend more time focused on policy and "big ticket" issues of the District,** like curriculum, declining enrollment, long term fiscal solvency, aging physical infrastructure, which require a more substantial investment of Board Meeting time?

The Board, in furtherance of the goal, after having considered on August 14, 2024, a draft or First Reading of an Amendment of BB 9322 – Agenda/Materials, asked the President and Vice President to propose a Second Reading (Final) of the named Bylaw.

A first step, among others, the Board, in the opinion of its Officers, can take in getting to the more substantive policy issues and decisions it needs to make, is to restructure the Agenda order in BB 9322 to quickly get to and through the routine business issues of the District that require the Board's consideration. The Board by doing so, as an outcome, will be able to use the majority of its meeting time to more fully focus on policy and consequential issues of the District.

Re: **Proposed Amendment, Board Bylaw 9322 – Agenda/Meeting Materials (Second Reading)**

Page 2 of 2

As a result, We, as your Officers, following additional consultation with the Superintendent, the General Counsel, the Parliamentarian, the Governance Consultant, others including members of the public and observation of how several locally elected governing bodies presently conduct business, are proposing that the Board adopt the attached revision of BB 9322 - Agenda/Materials.

The proposed revision of BB 9322 – Agenda/Materials, if adopted, while for the most part retaining current provisions, will reverse the current Agenda Order, providing that a) the three Consent Reports are considered early and efficiently<sup>1</sup> to insure that the day to day operations of the District that require ratification or approval of the Governing Board are timely met, b) require all Reports, for the most part, to be presented in ten (10) minutes, maximum, with the ability of the President of the Board or the Board to extend time (but not routinely), resulting in the presenter quickly getting to the ask of the Board and/or of presenting essential information to the Board and c) preserves the right of Public comment and/or public participation at current levels with enhanced time efficiency.

We are confident, as a first step, If the Amendment is adopted, that the bulk of the Board's meeting time, will become more focused, with good staff preparation, on policy and tackling the substantive issues of the District. The BB 9322 - Agenda/Materials changes before (current) and after, if adopted, are reflected in the attached red and clear copies, labeled Exhibit A.

### **RECOMMENDATION**

Board adoption of proposed Amendment, Board Bylaw 9322 – Agenda/Materials, as enumerated herein.

X. Adjournment

The agenda for meetings of other legislative bodies of the District may be constructed in a similar fashion.

### **Suspension of the Order of Business**

The order of business may be suspended by the President or a committee chair or with the consent of the quorum of the respective body.

### **Named Consent Report(s)**

All items appearing on the agenda under "Adoption of the [Specifically Named] Consent Report(s)" means that all items appearing on the agenda under this topic are approved in one motion per consent report unless a Board or committee member requests that an item be removed and voted on separately or otherwise acted upon. Items so removed from a named Consent Report shall be considered separately in the agenda immediately after that named Consent Report (unless otherwise moved with other items by a Board member) is adopted or otherwise acted upon and there shall be no additional or separate public comment on those items. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other-than-routine items on the agenda. An item on a General Consent Report which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the named Consent Report(s), thereafter, shall be adopted in a single motion per consent report.

### **Introduction of New Matter(s) – Board Members and/or Members of the Public**

Every Regular Meeting agenda of the Board or of a committee shall provide for the Introduction of New Matter(s). Board members, except a Student Director, or a member of the Public desiring to have a motion, resolution, order, or other subject matter scheduled for action by the Board shall announce the subject nature of the intended matter during this item, provide written language of the specific legislative proposal and supporting documentation for such item, if any. The President shall assign the subject matter to the appropriate standing or special committee, if appropriate, for consideration of its programmatic, financial and/or other impact or consideration.

If the request to place a matter on the Board's or committee agenda pertains to a Closed Session topic, the President of the Board or committee chair may so advise the member or the person requesting inclusion of such matter on the meeting agenda. .

## **Presentations**

**In general, presentations to the Board or committee shall be limited to 10 minutes each, except when additional time is granted by the President or committee chair** in 10-minute increments not more than twice or as specified by a vote of the Board or Committee.

## **Agenda/Meeting Materials**

The President and the Superintendent of Schools shall confer regarding the scheduling of agenda items. Agenda items shall be scheduled at the direction of the President or a majority of the Board. The President, in consultation with the Superintendent, or prior consultation with a majority of the Board in a Public Session shall determine the estimated time allocation for each item or section in an Agenda, which may be included in the published Agenda. These time allocations are not to be construed as limitations on the actual time that may be spent on each item or section, unless otherwise limited by the Bylaws, or by majority vote, of the Board. The requirements herein in like manner are also applicable to a Committee and the Superintendent's designee to the Committee.

All Resolutions of the Board shall be numbered, the subject matter stated in the title and specific references made in the minutes.

Final public meeting materials given to members of the Governing Board at the time a meeting agenda is posted shall simultaneously be given to members of the public via the Board's Official web site. Members of the public who lack web access may be provided agenda background materials at cost.

If a final document is distributed to the Board less than 72 hours prior to a meeting, the Superintendent or designee shall make the document available for public inspection at the time the document is distributed to a majority of the Board provided that the document is a public record under the Public Records Act and relates to an agenda item for an open session of a regular Board meeting. The Superintendent or designee may also post the document on the District's web site in a position and manner that makes it clear that the document relates to an agenda item for an upcoming meeting. (Government Code 54957.5)

Any documents prepared by the District or the Board or a member thereof and distributed during a public meeting shall be made available for public inspection at the meeting. Any documents prepared by another person and distributed at the meeting shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the Public Records Act. (Government Code 54957.5)

Upon request, the Secretary/Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting of the Board or of a committee available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Secretary/Superintendent or designee, not to exceed the cost of providing the service.

### **Interpreting**

All regular meetings of the Board or committee shall include interpreting services in Spanish and Arabic, whenever possible. District provided interpreters shall be available from Call To Order through Introduction of New Legislative Matter(s).

It is the intent of the Board or committee that public comments made in languages other than English be interpreted into English, whenever possible, so that all Board or committee members and members of the public who do not understand the language spoken can understand the perspectives being shared.

For any meeting of the Board or committee any member of the public may request interpreting services for a language other than Arabic or Spanish. The request must be made the Board Office in writing at least three (3) work days prior to the day of the meeting and shall only be accommodated if interpreting services in the requested language are available for that meeting.
