# Annual Budget Balancing Activity Cycle

---

- The District has annually developed budget balancing solutions
  - Over the last three years have developed a Budget calendar process in communication with the ACOE:
    - October - Budget Balancing Solutions/Options
    - November - January - Engagement and Strategy development
    - February - Board Decisions
    - June - Adopt the Budget
  - For 2025-26, we now have Attachment C which includes the implementation of the prior year Attachment B and 2024-25 adopted Restructuring Plan

# Annual Budget Balancing Activity Cycle

---

- We **MUST** to build a sustainable long term and sustainable plan, not an annual plan
  - This has been the 20+ year conundrum.
  - Every school has a different budget story
  - Every school has different budget solution to speak to the unique needs of the students that come from different communities around Oakland.
    - The Small School Movement, Community School Model, and BP 3150 leaned heavily on supporting schools with site based decision making and “maximizing” allocations over time to meet the individual school needs.
    - After a 20 year trial run, the numbers show that we cannot maintain this level of allocation and autonomy **and** also be a sustainable school district.
  - As a **Unified School District**, we have to simplify our approach so that we can better guarantee a high quality school in every neighborhood that aligns with and delivers on our district’s core values and the Superintendent and Board Goals

## II. Continuing the Sustainable Path Forward: The 2024-25 Budget Development

# 2024-25 Budget Balancing Solutions and 2025-26 Restructure Plan

---

- The Budget Balancing Solutions address Restructure Strategies B - E
- Each strategy is aligned to the Three R's Resolution - Re-envision, Redesign and Restructure OUSD
- Restructuring Strategy A. Restructuring of Schools Aligned to AB1912 Process
  - Follows a parallel, but different process timeline per the legislation and as directed by the Board
  - Though not presented as part of the Budget Solutions, Restructuring the District's footprint is imperative to the District's sustainability.
