Budget Justification and Narrative

In the following sections, please review the self-assessment and discuss your team’s plan to address the following:

The Goals of the Measure

- Increase access to courses in arts, music, and world languages in grades 6-8
- Improve student retention during the transition from elementary to middle school
- Create a more positive and safe middle school learning environment

You **MUST** describe the current programmatic narrative for **EACH** section of the budget narrative based on the Measure G1 Initial Self-assessment and data analysis. Please highlight what G1 specifically supported in the 2023-24 school year.

1. Please explain how you plan to use the Measure G1 carryover funds to develop strategic changes that meet the goals of the measure and that will lead to improved student outcomes.
2. Add additional lines if you would like to add additional budget items.
3. All budget items should total up to the total carryover amount.

1. Music Program

Programmatic Narrative Based on Rubric		
[Required: Please reflect on your self-assessment here, as well as what was learned from your previous year’s use of G1 funds, and how the learnings are being applied to this year’s proposed expenditures]		
Budget	Description of 2023-24 Proposed Expenditures of Carryover Funds	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or achievement for specific student groups.)</i>
\$1,000	Music instruments: ukuleles and drums	We are purchasing 10 ukuleles and 10 drums. We will make them available to students whose families can’t purchase the instruments. There would be 2 sessions/week. This would impact 20 students each semester.
\$2,500	Music lessons: To be able to offer free and reduced students music and art lessons free of charge.	15 students will have ukulele lessons once/week 15 students will have drumming lessons once/week 15 students get drumming lessons each semester.

2. Art Program

Programmatic Narrative Based on Rubric		
<p>My experience with the G-1 grant has been very positive in previous years. The funds have allowed me to offer incredible activities for students and I appreciate that very much. I am new to Francophone this year and look forward to collaborating with OUSD commissioners to offer great programming for our kids. Our school is not a Title 1 school, but more than 30% of our students receive free and reduced lunches. This is the only grant we have to support extracurriculars and I am extremely grateful for it.</p>		
Budget	Description of 2023-24 Proposed Expenditures of Carryover Funds	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or achievement for specific student groups.)</i>
\$583.33	Purchase of art supplies to complement the art lessons in all classrooms and in the after school program	34 students will benefit from this purchase

3. World Language Program

Programmatic Narrative Based on Rubric		
<p>Francophone offers a French Language Immersion. We are in great need of authentic literature that allows students to read at independent levels so that our most vulnerable students can take books home or read books at their level to improve their language proficiency. In addition, we need an app to support students reading because in many cases the parents don't speak the language and can't help.</p>		
Budget	Description of 2023-24 Proposed Expenditures of Carryover Funds	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or achievement for specific student groups.)</i>
\$1,573	Books in French: To offer all students, TK-8 Leveled books to read in the classrooms or take home to practice the French language. Evaluation book to support students to read at their independent level	All classroom libraries will get some leveled books. 34 will benefit from the books and app. Our lending library will have other books so that students can take books home to practice their second language.

4. 5th to 6th Grade Enrollment Retention

Programmatic Narrative Based on Data Analysis
<p>We are planning a summer program for our most vulnerable students moving to 6th grade.</p>

Please submit your 2023-24 Measure G1 Carryover Justification Form to Cliff Hong (clifford.hong@ousd.org) and Karen Lozano (karen.lozano@ousd.org).
