Hello Azlinah,

Congratulations on being selected as an Award Recipient for the Bay Area K-16 Collaborative College & Career Exploration Fund!

Dewey Academy High school will receive an award of \$6,150 (we subtracted the \$900 because funds can no longer be used to pay for chaperones or presenters) to be used during the 2024-2025 academic year to support students/educators in the Healthcare pathway by hosting the following:

- 4-year university (CSU/UC) field trips with pathway-specific activities
- Project-based learning experiences on the college campus

Across the Bay Area, school districts, community colleges, and universities have expressed a dire need for college and career exploration activities to supplement college readiness efforts and guidance on pathways to various careers and industries. The College & Career Exploration Fund was designed to support a range of work-based learning, college-going, and professional development experiences to support students and educators in three designated subregions – East Bay, San Francisco/Peninsula, and San José. The Bay Area K-16 Collaborative invited institutions to apply for resources to host an event, activity, or experience to increase awareness in the industries of Healthcare, Education, and/or Engineering/STEM.

Please respond to this email ASAP and accept the award, which will be seen as a commitment to spend the funds as outlined in the budget submitted with your application. If we do not receive a response accepting the terms of the award by the end of the day on October 14th, we may redistribute the funding to another applicant.

Receiving Award Funds:

In your response to accept the award, please provide the contact information of your organization's business officer to receive an invitation to become a UC Berkeley Supplier. **It is important that you connect with your organization's business officer and let them know that they will be receiving this invitation.** Once the financial profile is set up, the award will be issued to your campus within 3-4 weeks. **If your organization opts to receive an Electronic Funds Transfer (or ACH), processing time will be greatly reduced.** **Please make sure to keep in contact with your business officer to ensure that you receive the funds in a timely manner.**
