

To:Measures N and H CommissionFrom:Vanessa Sifuentes, High School Network SuperintendentSubject:Measures N and H Recommendations for 2023-2024 Carryover FundsDate:Dec 10, 2024

**OVERVIEW & OBJECTIVE,** 

Sixteen OUSD district schools, ten charter schools, and the Measures N and H Administrative 10% have unspent Measures N and H funds from the 2023-2024 fiscal year. Of these twenty-seven sites, seven OUSD district schools, nine charter schools, and the Measures N and H Administrative 10% submitted their 2023-2024 Measures N and H Carryover Plans at the December 10, 2024 Measures N and H Commission meeting. These plans articulate the context that contributed to the carryover, the amount and percentage of Measures N and H funds being carried over, and a clear budget for the carryover funds.

Per Measures N and H Commission policy, approval from the Measures N and H Commission is required for all Carryover Plans. Measures N and H staff have reviewed the submitted 2023-2024 Measures N and H Carryover Plans and provided feedback to the school sites, which was addressed before submission to the Measures N and H Commission.

## SUMMARY

Staff recommendations are as follows:

Legislative File ID No.	School/Site Number	Staff Recommendati on for 2023- 2024 Measures N and H Carryover Plan	Percentage of Carryover to Total Measures N Funds Received	2023-2024 Measures N Carryover Total Amount	Percentage of Carryover to Total Measures H Funds Received	2023-2024 Measures H Carryover Total Amount	Total 2023- 2024 Measures N and H carryover
24-2897	330 Sojourner Truth Independent Studies	Approved	44.59%	\$306,640.25	28.15%	\$51,375.05	\$358,015.30

day trip to the East Coast in the connect with the technology de collaborating with IST Campus offered to all 10th and 11th grad different paths within software a what they can do after graduati at the universities. This is in ali are an integral part of our WBL students which with IST Tours of \$3000 per student to cover the transportation, accommodation	and systems development and to learn ing from the various related programs gnment with Goal #3 as college visits Plan. We are estimating for 20 comes to a package cost of about total cost of the trip, including is, and food. We are adding this line m of \$17,503.67 in our 24-25 budget,	\$45,000.00	5830	Field Trips			Software and Systems Development	Approved	

Conference Expenses for the Linked Learning Conference. As we continue growing our program and continue building capacity for our Linked Learning work, we will send our Vice Principal and Career Advisor to the Linked Learning Conference. Here, we hope to learn from experts in the field and other schools and their work in recruiting staff and industry partners to support pathway work. Budget Calculation based on last year's calculation: Registration - \$600 x 2 people = \$1200 Lodging - \$250 x 4 nights x 2 people = \$2000 plus 10.5% tax = \$2210. Flights - Estimating \$300 x 2 people = \$600. Per diem for 4 days - \$160 x 2 people = \$320. TOTAL = \$4330. Accounting for potential price increases, we estimate \$5000.	\$5,000.00	5220	Conference Expenses	Software and Systems Development	Approved	
Stipends for 11th grade internships. We will provide stipends to our 11th grade students. As part of our WBL Plan and Goal #3, all 11th grade students at Envision Academy participate in a week-long internship in the Spring semester. These internships take place at various organizations and business in the East Bay in alignment with student interests. Students learn about professionalism in the workplace, the hard and soft skills needed to succeed in the workplace, and some of the tasks involved in day-to-day functionining of the work environment of their internship. By providing a \$400 stipend to all 40 juniors, we arrive at \$16000.	\$16,000.00	2937	Student Stipends	Software and Systems Development	Approved	
Transportation to Sacramento State University to visit the Black Honors College. We will take a group of 11th/12th grade students to visit the new Black Honors College at Sac State to inspire and support students' paths to college success. We want students to come away from the visit with a greater understanding of the paths available to them after high school. College visits are an integral part of our WBL plan (Goal #3) as students make connections with their education and career paths within the our industry sector of Software and Systems Development. We hope to connect with the school's tech departments to provide additional insights into paths within the industry at Sac State. Bus for 50 students = \$2500	\$2,500.00	5830	Transportation	Whole School	Approved

(buses for 50 = \$2500) <b>Meeting Refreshments</b> for interview and college family nights. We are planning to host mock interviews and a series of college informational nights for families and want to provide food and refreshments to the guests. The mock interviews are an important part of our WBL plan and will connect with industry professionals to support our students in this event. We want to host family college infor nights to continue building the college-going culture at our school and increase college access for our students and their families. We are planning on two mock interview days and three college info nights, and are putting the rest of the funds towards these meeting				Development
