1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): provide environmental services, which consist of asbestos survey, lead paint screening, preparing a work plan and collection samples for lab analysis, for the Hintil Kuu Pre-School Fire and Intrusion Alarm Project (“Project”) (as further described in *Exhibit A* to this Agreement). Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by **Contractor** specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall begin on **January 23, 2025**, and shall end on **June 30, 2025** (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** Either Party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other Party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums; (3) Contractor

is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor's insolvency; or (6) Contractor or Contractor Parties fail to comply with or make material representations as to the fingerprinting, criminal background check, and/or tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor's receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on a lump sum price for Basic Services satisfactorily performed listed in *Exhibit B*. Contractor shall not increase these hourly rates over the course of this Agreement. District agrees to make payment for Basic Services within sixty (60) days of receipt of a detailed invoice from Contractor based on a percentage of work completed, including any additional supporting documentation that District reasonably requests. District agrees to make payment for Additional Services within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly.

ACC Project No.: 84005

Date Prepared: Monday, December 9, 2024

Task 1.0 Asbestos & Lead Survey and Report

ACC shall conduct a limited asbestos survey and lead paint screening of Hintil Kuu Ka Pre-School in Oakland, California in connection with the planned Fire/Intrusion Alarm project. ACC will conduct an asbestos survey per OSHA protocol for the survey areas.

ACC estimates up to 80 asbestos bulk samples will be collected and delivered to an independent laboratory for analysis by Polarized Light Microscopy (PLM) with a 24-hour turnaround time. PLM samples include up to 3 layers within each sample; multi-layered material include floor tile and adhesives, gypsum wallboard, taping compound, texturing compounds, roofing materials, etc. ACC has designed the work using a team comprised of Cal/OSHA certified personnel to perform the asbestos survey work.

ACC will conduct a limited lead bulk sampling screening of representative major paint colors for the interior and exterior of the site focusing on paints likely to be impacted by the project. Samples will be collected by ACC's California Department of Public Health (CADPH) Certified Lead Inspector Assessors and Sampling Technicians. One to three samples of each homogenous suspect lead-containing materials will be collected. Visible color and texture of suspect materials will determine homogeneity. Analysis of lead samples will be by NIOSH 7082 Flame Atomic Absorption (Flame AA). Samples will be delivered to an American Industrial Hygiene Association (AIHA ELLAP) and California Department of Public Health certified laboratory for metals analysis using NIOSH 7082 under a 24-hour turnaround time. At ACC's discretion, the laboratory may be instructed not to analyze additional homogeneous material samples after a material tests positive. ACC shall prepare a report of findings, which will include material descriptions, sample locations, descriptions of locations of materials tested, and quantities of asbestos-containing materials and of any lead-containing damaged/peeling paints or materials at the subject sites.

Task 2.0 Asbestos and Lead Work Plan

ACC shall prepare technical work plans for the management of asbestos and lead containing materials that will be impacted by the planned project activities. The work plan will include: the scope of work, written requirements and procedures to be followed during containment/work area preparation, asbestos and lead-based paint work.

Following Client's approval of the written technical specifications, ACC will conduct a bid walk, in conjunction with Client representatives, with prospective contractors and develop any necessary clarifications to successfully price the building materials-related removal of asbestos, lead and universal waste materials. ACC will summarize abatement contractor bid packages and provide award recommendations for Client consideration.

Task 3.0 - Lead and Asbestos Oversight

Project Management and Oversight (subject to change based on findings of surveys and Contractor's schedule):

ACC shall provide project management and air monitoring services during the work which disturbs asbestos containing materials and lead related activities. These services include air monitoring, on-site management of contractor activities, visual inspections, final clearance sampling, and project documentation.

ACC shall staff the project with a minimum of one full-time Certified Asbestos Professional and California Department of Public Health Lead Certified Personnel as required during the abatement contractor's schedule, Monday to Friday, 8-hours per day during normal working hours. ACC's personnel will be scheduled according to the abatement contractor mobilization, size of work area and expected number of daily personnel.

ACC representatives will be on-site during times when disturbance to asbestos and lead is scheduled unless otherwise directed by the Client. ACC representatives will observe contractor activities and perform daily air monitoring outside the work areas, review the work procedures, monitor compliance with federal, state and local regulations pertaining to asbestos related work, monitor schedule compliance, observe worker safety procedures and prepare a daily log of contractor activities while on-site.

ACC will use PCM (NIOSH 7400) analysis of all airborne asbestos samples on the project. In the event a sample exceed regulatory guidelines, ACC will submit the sample for TEM (AHERA) analysis upon request of the Client as additional analytical costs. Lead work will be visually inspected for adequate workmanship in relation to the work plan requirements; no lead air/wipe samples will be collected unless directed by the Client and charged at additional cost.

At the completion of the project, ACC shall submit a final project documentation package to client.

All services subject to the Terms & Conditions between ACC and Client as of the date indicated above. Where no specific Terms & Conditions between ACC and Client exist, ACC's 2024 Standard Terms & Conditions apply to all services.

FINGERPRINTING NOTICE AND ACKNOWLEDGEMENT
FOR ALL CONTRACTS EXCEPT WHEN CONSTRUCTION EXCEPTION IS MET
(Education Code Section 45125.1)

Other than business entities performing construction, reconstruction, rehabilitation, or repair who have complied with Education Code section 45125.2, business entities entering into contracts with the District must comply with Education Code sections 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. (Education Code §45125.1(a).)
2. You shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Education Code section 45122.1. (Education Code §45125.1(e).) See the lists of violent and serious felonies in *Attachment A* to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in *Attachment B* to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section 45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a).

(Education Code §45125.1(h).)

I, as Vice President *[insert "owner" or officer title]* of ACC Environmental Consultants, Inc.
[insert name of business entity], have read the foregoing and agree that ACC Environmental Consultants, Inc.
[insert name of business entity] will comply with the requirements of Education
