**RE: SCOPE OF WORK AND COST ESTIMATE FOR REGULATORY COORDINATION
MELROSE LEADERSHIP ACADEMY AT MAXWELL PARK CAMPUS
4730 FLEMING AVENUE
OAKLAND, CALIFORNIA
FARALLON PN: 2927-001**

Dear Kenya Chatman:

Farallon Consulting, L.L.C. (Farallon) has prepared this letter to present a scope of work and cost estimate to coordinate with the California Department of Toxic Substances Control (DTSC) regarding the Melrose Leadership Academy at Maxwell Park Campus project at 4730 Fleming Avenue in Oakland, California (herein referred to as the Site). This letter presents a brief description of Farallon's understanding of the work, a discussion of the scope of work to be completed, and the cost estimate and schedule to conduct the work.

BACKGROUND

The Maxwell Campus consists of Alameda County Parcel No. 36-2442-7, which totals 3.68 acres of land developed with a school building (main school building) constructed in approximately 1925 and several portable classroom buildings. The two-story main school building with basement has a footprint of approximately 19,700 square feet. Remaining areas of the Maxwell Campus consist of asphalt-paved play areas and landscaping. The Maxwell Campus is occupied by the Oakland Unified School District (the District) and used as an elementary through middle school. The District intends to construct a new school building at the Site in the future. As required by DTSC, Farallon conducted a Phase I Environmental Site Assessment (ESA)¹ and a Data Gap Investigation², which did not identify recognized environmental conditions in connection with the Site. An application for review of

¹ Farallon. 2024. *Phase I Environmental Site Assessment Report, Melrose Leadership Academy at Maxwell Park Campus, 4730 Fleming Avenue, Oakland, California*. October 31.

² Farallon. 2024. *Data Gap Investigation, Melrose Leadership Academy at Maxwell Park Campus, 4730 Fleming Avenue, Oakland, California*. October 31.

the Phase I ESA and Data Gap Investigation are currently being prepared for submittal to DTSC.

SCOPE OF WORK

The scope of work for the regulatory coordination will be conducted under the existing Task 1: Project Management and Communications task. A description of work under the task is provided below.

TASK 1: PROJECT MANAGEMENT AND COMMUNICATIONS

Task 1 includes additional project management duties such as budgeting, scoping, allocating personnel resources, meetings, subcontracting, progress reporting, and communications with the client, counsel, and general contractor and subcontractors as appropriate; and documentation management, including reporting, invoicing, and other administrative duties. Specifically, Farallon will coordinate with DTSC to answer questions, attend meetings, and facilitate either a finding that no further action is required or to define next steps for environmental investigation of the Site.

COST ESTIMATE

The estimated time and material cost to conduct the scope of work is \$4,976.00. Estimated costs are detailed in Table 1 in accordance with Farallon's *2024-2025 Schedule of Charges II*, subject to periodic adjustment. The cost estimate is valid for 90 days from the date of this letter.

The estimated cost is based on project conditions and the scope of work described herein. Variations in the scope of work and/or project schedule may require modification of the fee, project schedule, and/or respective report contents. No change in the scope of work defined herein will be initiated without authorization from the District.

Farallon will conduct the scope of work described herein in accordance with a mutually agreed-upon services agreement to be provided by the District. To proceed with the scope of work described herein, please provide the appropriate contractual documents for Farallon's review and signature. Farallon will proceed with the work upon receipt of written authorization. Additional work conducted at the Site will be authorized by preparation of specific proposals.

Other than business entities performing construction, reconstruction, rehabilitation, or repair who have complied with Education Code section 45125.2, business entities entering into contracts with the District must comply with Education Code sections 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. (Education Code §45125.1(e).) See the lists of violent and serious felonies in ***Attachment A*** to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in ***Attachment B*** to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section 45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a).

(Education Code §45125.1(h).)
