17. **PROTECTION OF WORK AND PROPERTY:** Contractor shall erect and properly maintain at all times, as required by conditions and progress of the Work, all necessary safeguards, signs, barriers, lights, and security persons for protection of workers and the public, and shall post danger signs warning against hazards created by the Work. In an emergency affecting life and safety of life or of Work or of adjoining property, Contractor, without special instruction or authorization from District, is permitted to act at his discretion to prevent such threatened loss or injury.
18. **ASSIGNMENT OF CONTRACT:** Contractor shall not assign or transfer in any way any or all of its rights, burdens, duties, or obligations under this Contract without the prior written consent of the District.
19. **TIME IS OF THE ESSENCE:** Time is of the essence in the performance of and compliance with each of the provisions and conditions of this Contract.
20. **OCCUPANCY:** District reserves the right to occupy buildings at any time before formal Contract completion and such occupancy shall not constitute final acceptance or approval of any part of the Work covered by this Contract, nor shall such occupancy extend the date specified for completion of the Work.
21. **FORCE MAJEURE CLAUSE:** Contractor shall be excused from performance hereunder during the time and to the extent that it is prevented from obtaining delivery, or performing by act of God, fire, strike, loss, or shortage of transportation facilities, lock-out, commandeering of materials, product, plant, or facilities by the government, when satisfactory evidence thereof is presented to the District, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect of Contractor.
22. **INDEMNIFICATION AND HOLD HARMLESS CLAUSE:** To the furthest extent permitted by California law, Contractor shall defend, indemnify, and hold harmless the District, its agents, representatives, officers, consultants, employees, and volunteers (the “indemnified parties”) from any and all demands, losses, liabilities, third-party claims, suits, and actions (the “claims”) of any kind, nature, and description, including, but not limited to, attorneys’ fees and costs, directly or indirectly arising from personal or bodily injuries, death, tangible property damage, or otherwise arising out of the negligent acts or willful misconduct of Contractor under this Contract, except to the extent that the claims are caused by the negligence or willful misconduct of the indemnified parties.
23. **PAYMENT:** For any Required Work (see *Exhibit A*), Contractor will be paid the lump sum price stated in *Exhibit B*. For any authorized Potential Work (see *Exhibit A*), Contractor shall be paid based on the specific price in *Exhibit B* for that type of Potential Work or, in the absence of a specific price in *Exhibit B*, based on the hourly rates in *Exhibit B* that would apply to that type of Potential Work.

However, to the extent that payment for the authorized Potential Work would exceed the amount of the contract price allocated to Potential Work during the contract term, the authorized Potential Work may not be performed until a change order or amendment to increase the contract price is signed by the Contractor and approved by the District's governing board. By the 7th day of each month, Contractor shall submit an application for payment for the Required and Potential Work performed during the previous calendar month, and the amount requested to be paid shall be calculated as described above. Payment will be made to Contractor within thirty (30) calendar days following receipt of Contractor's application for payment. The Application for Payment must include evidence of Contractor's performance of Work and compliance with the Contract Documents, including labor and apprenticeship requirements. The District may deduct from any payment an amount necessary to protect the District from loss because of: (1) any sums expended by the District in performing any of Contractor's obligations under the Contract which Contractor has failed to perform or has performed inadequately; (2) defective Work not remedied; (3) stop payment notices as allowed by state law; (4) reasonable doubt that the Work can be completed for the unpaid balance of the Total Contract price or by the scheduled completion date; (5) unsatisfactory prosecution of the Work by Contractor; (6) unauthorized deviations from the Contract; (7) failure of the Contractor to maintain or submit on a timely basis proper and sufficient documentation as required by the Contract or by District during the prosecution of the Work; (8) erroneous or false estimates by the Contractor of the value of the Work performed; (9) any sums representing expenses, losses, or damages, as determined by the District, incurred by the District for which Contractor is liable under the Contract; and (10) any other sums which the District is entitled to recover from Contractor under the terms of the Contract or pursuant to state law, including section 1727 of the California Labor Code. The failure by the District to deduct any of these sums from a progress payment shall not constitute a waiver of the District's right to such sums.

24. **PERMITS AND LICENSES:** Contractor and all of its employees, agents, and subcontractors shall secure and maintain in force, at Contractor's sole cost and expense, all licenses and permits as are required by law, in connection with the furnishing of materials, supplies, or Services herein listed.
25. **INDEPENDENT CONTRACTOR STATUS:** While engaged in carrying out the Services of this Contract, the Contractor is an independent contractor, and not an officer, employee, agent, partner, or joint venture of the District. Contractor shall be solely responsible for its own Worker's Compensation insurance, taxes, and other similar charges or obligations. Contractor shall be liable for its own actions, including its negligence or gross negligence, and shall be liable for the acts, omissions, or errors of its agents or employees.
26. **ANTI-DISCRIMINATION:** It is the policy of the District that in connection with all work performed under contracts there be no discrimination against any employee engaged in the work because of race, color, ancestry, national origin, or religious creed, and therefore the Contractor agrees to comply with applicable Federal and California laws including, but not limited to the California Fair Employment and Housing Act beginning with Government Code Section 12900, and Labor Code Section 1735. In addition, the Contractor agrees to require like compliance by all its subcontractor(s).
27. **WARRANTY/QUALITY:** Contractor shall guarantee the workmanship, product, or Services performed against defective workmanship, defects, or failures of materials for a period of one (1) year from District's written approval of the Work. All workmanship and merchandise must be warranted to be in compliance with applicable California energy, conservation, environmental, and educational standards.

THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE. All other warranties are expressly waived. THE

DISTRICT'S EXCLUSIVE REMEDY WITH RESPECT TO ANY AND ALL LOSSES OR DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING CONTRACTORS' NEGLIGENCE, IS REPAIR OR REPLACEMENT OR AS SPECIFIED ABOVE.

Contractors' warranties will be voided by misuse, accident, damage, abuse, alteration, modification, failure to maintain proper physical or operating environment, use of unauthorized parts or components, improper District maintenance or repair by District or third parties without the supervision of and prior written approval of Contractor, or if Contractors' serial numbers or warranty date decals have been removed or altered. District must promptly report any failure of the Equipment to Contractor in writing.

28. **CONFIDENTIALITY:** Contractor shall maintain the confidentiality of all information, documents, programs, procedures, and all other items that Contractor encounters while performing the Contractor's Services to the extent allowed by law. This requirement shall be ongoing and shall survive the expiration or termination of this Contract and specifically includes all student, parent, and disciplinary information.
29. **COMPLIANCE WITH LAWS:** Contractor shall give all notices and comply with all laws, ordinance, rules and regulations bearing on conduct of the Work as indicated or specified. If Contractor observes that any of the Work required by this Contract is at variance with any such laws, ordinance, rules or regulations, Contractor shall notify the District, in writing, and, at the sole option of the District, any necessary changes to the scope of the Work shall be made and this Contract shall be appropriately amended in writing, or this Contract shall be terminated effective upon Contractor's receipt of a written termination notice from the District. If Contractor performs any work that is in violation of any laws, ordinances, rules, or regulations, without first notifying the District of the violation, Contractor shall bear all costs arising therefrom.
30. **DISPUTES:** Pending resolution of a dispute, Contractor agrees it will neither rescind the Contract nor stop the progress of the Work, but will allow determination by the court of the State of California, in the county in which the District's administration office is located, having competent jurisdiction of the dispute. However, as a condition precedent to litigation, any dispute shall be mediated with the Parties paying the mediator's fee in equal shares. A mediator shall be selected, and a mediation shall be scheduled, within twenty (20) days of a Party's demand for mediation.
31. **LABOR CODE REQUIREMENTS:** Contractor shall comply with all applicable provisions of the California Labor Code, Division 2, Part 7, Chapter 1, Articles 1-5, including, without limitation, the payment of the general prevailing per diem wage rates for maintenance projects of more than fifteen thousand dollars (\$15,000), benefits, apprentices, trainees, payroll records, and on-site audits within 48 hours. Pursuant to sections 1770 et seq. of the California Labor Code, Contractor and all subcontractors under Contractor shall pay all workers on all work performed pursuant to this Contract not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the State of California Department of Industrial Relations (DIR) for the type of work performed and the locality in which the work is to be performed within the boundaries of the District. Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Contract, as determined by the DIR are available from the District or on the internet (<http://www.dir.ca.gov>).
32. **CONTRACTOR REGISTRATION:** For maintenance projects of more than fifteen thousand dollars (\$15,000), Contractor shall ensure that Contractor and its Subcontractors comply with the registration and compliance monitoring provisions of Labor Code section 1771.4, including furnishing

its Certified Payroll Records to the Labor Commissioner, and are registered pursuant to Labor Code section 1725.5. Labor Code section 1771.1(a) states the following:

“A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.”

33. **ANTI-TRUST CLAIM:** Contractor and its subcontractor(s) agree to assign to the District all rights, title, and interest in and to all causes of action they may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the Contract or a subcontract. This assignment shall be made and become effective at the time the District tenders final payment to the Contractor, without further acknowledgment by the Parties.
34. **GOVERNING LAW:** This Contract shall be governed by and construed in accordance with the laws of the State of California with venue of any action in the county in which the District’s administration office is located.
35. **PROVISIONS REQUIRED BY LAW DEEMED INSERTED:** Each and every provision of law and clause required by law to be inserted in this Contract shall be deemed to be inserted herein and this Contract shall be read and enforced as though it were included therein.
36. **BINDING CONTRACT:** This Contract shall be binding upon the Parties hereto and upon their successors and assigns, and shall inure to the benefit of the Parties and their successors and assigns.
37. **DISTRICT WAIVER:** District's waiver of any term, condition, or covenant shall not constitute a waiver of any other term, condition, or covenant; and District’s waiver of a breach of any term, condition, or covenant shall not constitute a waiver of any subsequent breach of that term, condition, or covenant.
38. **INVALID TERM:** If any provision of this Contract is declared or determined by any court of competent jurisdiction to be illegal, invalid or unenforceable, the legality, validity or enforceability of the remaining parts, terms and provisions shall not be affected thereby, and said illegal, unenforceable or invalid part, term or provision will be deemed not to be a part of this Contract.
39. **ENTIRE CONTRACT:** This Contract sets forth the entire Contract between the Parties hereto and fully supersedes any and all prior agreements or understandings, written or oral, between the Parties hereto pertaining to the subject matter thereof. This Contract may be modified only by a writing evidencing the Parties’ mutual consent.
40. **SANCTIONS IN RESPONSE TO RUSSIAN AGGRESSION:** The Owner/District requires Contractor to comply with the Governor’s March 4, 2022, Executive Order N-6-22 (“Order”) relating to any existing sanctions imposed by the United States government and the State of California in response to Russia’s actions in Ukraine, including additional requirements for contracts of \$5 million or more. Failure to comply may result in the termination of the Contract.
