Hello Maria,

Congratulations on being selected as an Award Recipient for the Bay Area K-16 Collaborative College & Career Exploration Fund!

Castlemont High School will receive an award of \$7,500 to be used during the 2024-2025 academic year to support students/educators in the Education, Health Care, and Engineering/STEM pathways by hosting the following:

- field trips with pathway-specific activities

Across the Bay Area, school districts, community colleges, and universities have expressed a dire need for college and career exploration activities to supplement college readiness efforts and guidance on pathways to various careers and industries. The College & Career Exploration Fund was designed to support a range of work-based learning, college-going, and professional development experiences to support students and educators in three designated subregions – East Bay, San Francisco/Peninsula, and San José. The Bay Area K-16 Collaborative invited institutions to apply for resources to host an event, activity, or experience to increase awareness in the industries of Healthcare, Education, and/or Engineering/STEM.
