OUSD Literacy Vision

We will ensure that our youngest students develop the literacy skills they need to become lifelong readers, writers, critical thinkers and empowered community members.

To fulfill this vision, we will dramatically increase the number of 3rd graders reading at grade level and close equity gaps by providing targeted, evidence-based instruction and data-driven support in the early years. We will enhance our collective impact by partnering with educators, families and community.

The Need for a Reading Risk Screener
Why a Reading Risk Screener is needed

- **Early Identification of Reading Challenges** – A screener helps teachers detect potential reading difficulties before they become significant barriers to learning, allowing for timely intervention and support.
- **Targeted Instruction & Intervention** – By identifying specific skill gaps, teachers can tailor instruction to meet students' needs, ensuring they receive evidence-based interventions that accelerate reading development.
- **Equitable Access to Support** – A universal screener ensures all students, regardless of background, are assessed for reading risks, promoting early access to resources that support literacy success.

Equitable Access: Targeting Instruction

Screening assessments help us to identify student needs and better target our instruction

- ○ **Example 1:** Weak **Phoneme Segmentation Fluency** (DIBELS metric) would lead a teacher to support strong phonological awareness in small group instruction or 1:1 support
- ○ **Example 2:** Weak **Nonsense Word Fluency** (DIBELS metric) would lead a teacher to support blending and automaticity with sounds, through small group instruction and additional support
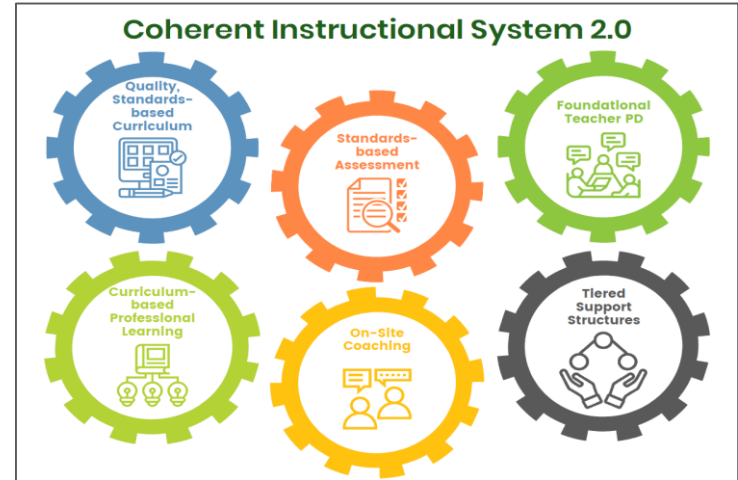

K-2 Reading Risk Screener

- **Currently using [DIBELS](#) (mClass and mClass Lectura) for students performing below grade level in Phonics i-Ready**

- **DIBELS indicates reading support needs:** Based on DIBELS results, students requiring additional tiered supports should participate in SIPPS tutoring, 1:1 tutoring

- **New updates for DIBELS administration in 25-26:**

  - **ALL** K-2 students (instead of just students who are below, as is the current practice)

  - DIBELS, all measures, in mClass

  - Administered 3x a year (BOY, MOY, EOY)

2025-26 Implementation Support

- **Foundational Professional Development (Summer)**

- **Monthly Professional Development: Literacy Coaching Collaborative** *(Teacher Leaders/TSAs)*
