- Education for the People Pathway
 - 11th Grade: 49 students
 - 12th Grade: 46 students
- Focus Students: English Learners (ELLs)

Public and Community Health Reflections on 2024-2025

- **Key Achievements:** Expanded certifications, strengthened hospital partnerships, and increased dual enrollment in health sciences.
- **Equity & Support:** Targeted tutoring, flexible internships, and financial aid for certifications and transportation.
- **Work-Based Learning:** Expanded internships, structured CTE and dual enrollment sequences, and career-focused advising.
- **Capstone Integration:** Industry-engaged projects to showcase student learning and career readiness.

Public and Community Health Reflections on 2024-25

- **Challenges:** Tracking internship engagement, dual enrollment retention, and industry certification alignment.
- **Actions:** Implemented internship tracking, expanded academic support, and strengthened industry partnerships.
- **Impact:** Improved internship relevance, dual enrollment persistence, and career-connected learning.
- **Enhancements:** Added career prep blocks, expanded employer engagement, and refined skill-building curriculum.

Public and Community Health Looking Ahead to 25-26

- **Key Goals:** On track for Gold Certification (May 2025) with strong Linked Learning and WBL integration.
- **Challenges & Solutions:** Boost dual enrollment support, expand internship options, and improve portfolio reflections.
- **Funding Impact:** Enhanced mentorship, industry partnerships, and targeted dual enrollment support.
- **Portfolio Growth:** Refining career tracking and documentation for deeper student reflections.

Education for the People Reflections on 2024-2025

- **Key Achievements:** First Education Pathway graduates, expanded dual enrollment, and formalized student teaching placements.
- **Equity & Support:** Tailored support for ELLs, SPED, and low-income students through inclusive programs and paid opportunities.
- **Work-Based Learning:** Integrated pedagogy coursework with internships and expanded school partnerships.
- **Faculty Development:** Strengthened dual enrollment support and career mentorship for future educators.

Education for the People Reflections on 2024-25

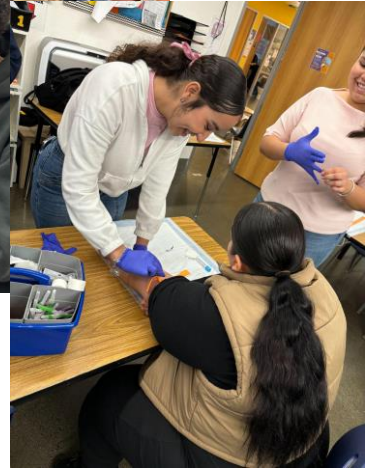

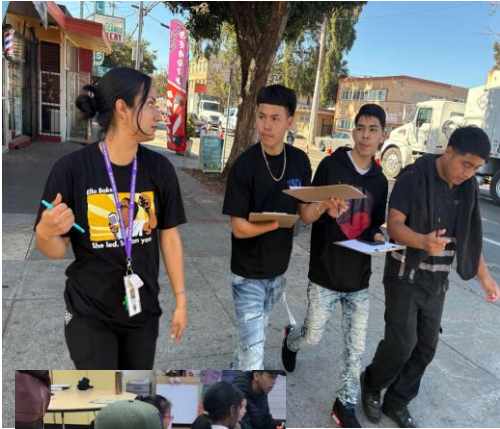

- **Challenges:** Scaling internships, ensuring mentorship consistency, and strengthening industry-aligned coursework.
- **Actions Taken:** Expanded student teaching placements, enhanced faculty training, and structured career-focused advising.
- **Student Impact:** Greater hands-on teaching experiences, increased dual enrollment engagement, and stronger mentorship.
- **Program Enhancements:** Dedicated fieldwork time, expanded employer partnerships, and increased academic mentorship.

Education for the People Looking Ahead to 25-26

- **Key Goals:** First Education Pathway graduates (Spring 2025), expanded dual enrollment, and strengthened pre-apprenticeship programs.
- **Challenges & Solutions:** Expand career exposure, enhance faculty training, and improve postsecondary readiness support.
- **Funding Impact:** Launching a teacher apprenticeship pilot, increasing academic mentorship, and strengthening career advising.
- **Student Support:** Expanded college and career mentorship to guide future educators.
