AGREEMENT FOR INSPECTOR OF RECORD SERVICES FOR CONSTRUCTION

This Agreement for Construction Contract Inspection Services ("Agreement") is made and entered effective April 24, 2025, by and between the Oakland Unified School District ("District") and ANTHONIO, Inc. ("Inspector"), with respect to the following recitals:

A. District is a public school district organized and existing under the laws of the State of California. The District is engaged in the construction of projects at **Roosevelt Middle School Modernization Project** ("the Project"), which requires ongoing inspection.

B. Inspector is an independent contractor competent to perform the construction contract inspection services contemplated by this Agreement. Inspector represents and covenants that Inspector is familiar with all requirements of law to serve as an Inspector of Record (Project Inspector) and has or can obtain the approval of the California Division of the State Architect ("DSA") to perform the construction contract inspection services contemplated by this Agreement prior to commencing services under this Agreement.

C. District desires to retain Inspector and Inspector desires to perform work for District on the terms and conditions set forth in this Agreement.

The Parties therefore agree as follows:

1. **Inspection Services**. Inspector agrees to provide the services described in this Agreement ("Basic Services") in a professional and competent manner and in accordance with the terms of this Agreement. Inspector shall perform all Basic Services required by this Agreement, even if no more compensation is possible due total compensation having reached the not-to-exceed amount. If delays in completion of the Project occur that are not caused by wrongful conduct by Inspector, including but not limited to Inspector's breaches of contract or deficient performance of Basic or Additional Services, then Inspector shall be entitled to an amendment to the Agreement that increases the not-to-exceed amounts for Basic Services during the additional time of the Project.

Inspector shall provide services related to the Project other than Basic Services (i.e., "Additional Services") if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Exhibit A). Additional Services shall be performed in a professional and competent manner and in accordance with the terms of this Agreement.

"Services" shall mean Basic and Additional Services. Inspector agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. All services performed by the Inspector under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by inspector of record consultants specially qualified to provide the services required by the District.

2. Term of Agreement and Payment. The term for performance of the Services shall be the duration of the Project ("Term"), and Inspector shall complete the Services within the Term. Time is of the essence for performance of the Services under this Agreement. The Project is expected to be complete as of **December 31**, **2029**, but may not be completed until later if delays in design or construction arise. Payment of Inspector shall be as set forth in *Exhibit A* for Services satisfactorily performed after District receipt of properly documented and submitted invoices. Inspector shall record all hours worked in a daily log which shall be submitted to the District on a weekly basis. Inspector shall submit invoices in triplicate on the last working day of each month to the District. The invoices must show the number of hours worked, the contract number, the project name and location and must contain the Inspector's original signature on all copies. Inspector's failure to maintain required records or to properly submit invoices may result in non-payment to Inspector. Inspector shall comply with any applicable prevailing wage laws. Inspector shall not be reimbursed for any of its expenses; the parties agree that Inspector shall pay all of its expenses from its fees for Services.

3. **DSA Approval**. Inspector acknowledges that District is required to obtain the approval of DSA prior to using Inspector's services on the Project. Inspector agrees to do all acts necessary to timely obtain DSA approval.
