## "Intro to BayTech"

BayTech Founded in 2004  
Serving Grades 6-12

*"It's going to be a great day at BayTech!"*

# Introduction: Who we are.

## Our Mission:

BayTech is a 6th-12<sup>th</sup> grade school that infuses **assistive technology** throughout the school to provide a **personalized educational experience** for every student to be college and career ready. We currently serve the East Oakland Community but are moving to San Antonio.

# BayTech: What we are proud of

## 1. **OVERCOMING ADVERSITY:**

During the past two+ years, BayTech has faced unprecedented challenges, *including violence and continued school site disruptions yet we have thrived and survived.*

**2025...  
Our  
forever  
home...  
begins**

## 2. **Focus on Graduation and Endless Opportunities**

We are Consistently in the TOP 3 of all Oakland Public Schools for Graduation Rate & UC A-G Readiness. BayTech was named one of the Top Public Schools High School in Oakland for African American Males, with a 100% High School Graduation and UC A-G Readiness rate for the past 5+ years.

## OTHER

**EduJedi Gainer Award** from The Learning Council

Since COVID we have a **100% CSU acceptance rate & 92% UC acceptance rate.**

**Middle School student retention rate is 80% or higher each year**

**Largest all-school science fair in Alameda County**

# BayTech: Staff Retention Rates

Bay Area Technology School provides a very stable teaching staff for students and family to depend on year after year. **55% of the teaching staff had been serving BayTech for 5 or more years.**

# BayTech: Areas for Improvement

## Test Scores & Class Selections:

- BayTech needs to get back to the pre-shooting test scores in ELA. BayTech's focus needs to be on the continued implementation of its new all-school math curriculum (Carnegie Learning).
- BayTech needs to continue its college going culture by increasing our SAT & ACT scores. Currently, we score at the national average on the SAT and ACT, we need to be beyond.
- BayTech's College Pathways have just started and will need further refinement.
- BayTech needs to grow its offerings of higher- level math. Calculus A/B starts this fall.

## Recreating Culture and Community:

- BayTech is moving into its FOREVER home this Spring. We will need to recapture the magic and community feel that we previously created..
- Safety and Security Plans will need to be created and tested.
- Student Development and opportunities for student activities are now available to the student body.
- Connecting with our new community and becoming GREAT neighbors is essential.

# Thank you!

**BayTech has traditionally been a middle tier school. Overcoming the events of the last two years has unfortunately lowered our placement.**

**We respectfully request that you grant us the time to demonstrate our shared commitment to students and families. A commitment that honors the trust they have place in all of us for a continuing - high quality, safe and supportive educational experience.**

**We invite you to visit us, at any time.**

**Come tour our new site with our students or Board Members.**
