New or Amended Amount
2023-24 Measure N Carryover Plan	N/A	N/A	Teacher Salaries Stipends: Extended Contracts for 2-3 Teachers to support the 2025 Summer Exploring College, Career, & Community Opportunity Summer Program (ECCCO) through June 30, 2025.	\$4,556.99

The ECCCO teachers will support students in summer internships by providing a work-based learning curriculum to students and assisting them in finding internships and work site visits.

This expenditure is aligned with pathway development goals in Work-Based Learning, supporting students in successfully completing career preparation experiences in the district-sponsored summer internships ECCCO program. Having summer teachers who are their CTE teachers improves students' engagement by providing familiar adult support and case management through onboarding and addressing the challenges that may arise as a young person in a work environment. 20-25 students will be served by each of the summer teachers, for a total of 40-50 students. This addresses the need for support infrastructure, advocacy for student success in off-site work experiences, and logistical needs for making students get paid and prepare for the district Demonstration of Mastery. This will pay for 2-3 teachers, while HSLLO will pay for an additional 2-3 teachers Budget: ~\$15,000 on average for 150 hours for the ECCCO Summer Internship Program. *We'll also use Measure H funds to pay for this service. (Salary & Benefit Costs Included)
