Step 1:

a. Enter the Original Approved Strategic Action from the Measures N/H EIP:

Directions: Copy & paste the original strategic action below. The original strategic action is where you plan to take money from and use it for a new purpose.

**You can enter up to 3 different actions below, as long as the New or Revised Strategic Action in Step 2 is the same!*

Measures N/H Plan or Pathway/Tab Name	Budget Action - Line Item #	Original Amount Approved	Measures N and H Budget Original Strategic Action (proper & complete justification)	Total Amount being Transferred
2023-2024 Measure N Strategic Carryover	New action linked to BMF #2	\$2,000.00	<p>Professional Contracted Bus Services: Charter bus rentals for IDEA pathway students to attend the Work Based Learning and Community Building events. This expenditure covers the cost of transportation for career and college exploration, community-building trips, and public exhibition events for project-based learning culminating experiences for all IDEA students. This expenditure is aligned with our goals to continue to develop the work-based learning scope and sequence and identify the hallmark events and experiences for each grade level. Budget Calculation: this could include charter bus rental (usually about \$2,000/day for about 50 students and 5 chaperons).</p>	\$2,000.00
2023-2024 Measure N Strategic Carryover	New action linked to BMF #3	\$1,894.00	<p>Teacher Substitutes: Funds to hire substitutes for the IDEA Pathway. Substitutes are required when pathway teachers attend work-based learning or community-building trips and events; not all of their class sections participate. Substitute costs are about \$430/day per class, including benefits. We will utilize our STIP sub and collapse classes whenever possible to reduce the number of substitute teachers. Budget Calculation: \$1,894 will be enough to hire about 4 full-day substitutes.</p>	\$1,894.00
2023-2024	New action	\$600.50	<p>Meeting Refreshments: Funds to provide refreshments for the IDEA</p>	\$106.00

Measure N Strategic Carryover	linked to BMF #4		<p>Team/Industry Partner Collaboration meeting. Meeting refreshments for meetings between teachers and industry partners to work on a curriculum that integrates CTE standards and industry themes. This expenditure supports pathway development by increasing the rigor of the curriculum that students are exposed to. This type of collaboration will improve student engagement because, as a result of this, students will experience more real-world learning aligned to pathway themes and content. All IDEA students will benefit. Budget Calculation: Meals should not exceed \$20 per person per meeting. This is enough for at least 1 collaboration meeting for 15 people.</p>	
The total amount being transferred from the 3 different actions above is \$4,000.00.				

b. What will be the impact on your Measures N and H plan, pathway development, and students for not doing your original strategic action? (**Do not insert links or use Acronyms. *If taking from multiple actions - respond to each of the overall impacts*)

No impact. The original strategic actions are still happening, so there is no impact. We either have a different funding source or don't need the original amount as we estimated.
