Subject Memorandum of Understanding - Street Foundation - Emiliano Zapata Street Academy

Ask of the Board Approval by the Board of Education of a Memorandum of Understanding ("MOU") by and between the Street Academy Foundation of Oakland and the Oakland Unified School District ("District"), for the District to operate the Emiliano Zapata Street Academy, a 9-12 grades school of approximately 120 students, funded by pupil ADA and other eligible resources, if any, named in MOU, for the period July 1, 2025, through June 30, 2028, pursuant to terms and conditions stated therein.

Background Street Academy has provided a voluntary alternative education for students in grade 9-12 for approximately 46 years. The current MOU authorizing this relationship expires on June 30, 2025. The proposed MOU would allow Street Academy to continue operating for an additional 3 years.

Discussion Street Academy meets the needs of a specific group of students in grades 9-12. The District and Street Academy seek to continue offering this alternative educational setting by renewing the MOU. The MOU sets forth (i) the nature of the program that Street Academy will provide, (ii) its admissions policy, (iii) allocation of responsibility for discipline, special education, food services, and transportation services between Street Academy Foundation and the District, (iv) compensation and invoicing structure, (v) the District's right to monitor Street Academy, (vi) Street Academy's compliance with employment laws and regulations, (vii) parameters for Street Academy's use of the Facility, and other miscellaneous terms.

Fiscal Impact The fiscal impact for year one is set forth in Attachment A. The term of the MOU is for a total of three years.

- Attachment A - Street Academy Budget 2025

**Memorandum of Understanding
between Street Academy Foundation
and Oakland Unified School District
Fiscal Years 2025-2028**

WHEREAS, Education Code section 58500 et seq. set forth the requirements for alternative schools of choice; and

WHEREAS, the former Education Code section 52900 authorized school districts to contract with nonprofit, community-based organizations to establish alternative education and work centers to teach basic academic skills, with an emphasis on the improvement of student motivation for achievement in order to obtain employment or return to the regular high school; and

WHEREAS, although Education Code section 52900 was repealed as of 2006, the California Attorney General has since confirmed that, under Education Code sections 35160 and 35160.1, school districts retain the authority to contract with nonprofit organizations to provide at-risk student dropout prevention and retention programs; and

WHEREAS, the California Attorney General has advised that, despite such contracting authority, school districts must nevertheless comply with California Constitution article IX, section § 6, meaning that their courses of study and teaching function may be delegated to a private organization only "if done under the control and supervision of the school district"; and

WHEREAS, the Oakland Emiliano Zapata Street Academy ("Street Academy") was established in 1973 as an alternative school of choice in the Oakland Unified School District ("OUSD") operated by a nonprofit, community-based organization; and

WHEREAS, the nonprofit, community-based organization that currently operates Street Academy is Street Academy Foundation ("SAF"); and

WHEREAS, OUSD and SAF seek to provide for the continued operation of Street Academy by SAF, in accordance with the above-referenced legal requirements.

THEREFORE, IT IS HEREBY AGREED:

- 1. RELATIONSHIP OF THE PARTIES.** OUSD is a public school district. SAF is a non-profit, community benefit corporation established to operate Street Academy in partnership with OUSD. Street Academy is an alternative school of choice within OUSD. Students attending Street Academy are OUSD students. Staff working at Street Academy are employees of SAF, not OUSD.
- 2. TERM.** This Agreement shall commence July 1, 2025, and remain in effect until June 30, 2028. Either party may terminate this Agreement upon thirty (30) days prior written notice, with the termination to take effect on the subsequent June 30th. This Agreement may be renewed by written agreement signed by both parties. The Parties agree to meet no later than November 30, 2027 to discuss any extension of this agreement.

3. STUDENT SERVICES.

- a. **Nature of Program.** Street Academy shall enroll approximately 120 students in grades 9 through 12, with a focus on those students who might otherwise have dropped out of high school. Street Academy's goal is to help these students become college eligible and prepared for a career after graduation. Street Academy shall provide in-person instruction (notwithstanding Section 13, *infra*) utilizing an independent study attendance accounting model, consistent with Education Code section 51745 et seq. and Board Policy 6158.
- b. **Admissions.** Street Academy's admissions process shall comply with all applicable state and federal laws.
 - 1. In accordance with Education Code section 58503, students enrolled in Street Academy shall be selected entirely from volunteers. Students seeking admission to Street Academy shall complete the Street Academy application, which requests information regarding their academic history, and shall attend an interview with SAF staff.
 - a. The sole purpose of these requirements is to determine if students would benefit from the Street Academy program. Pursuant to Education Code section 58504, previous classroom performance shall not be a criterion limiting any student from the opportunity of attending Street Academy.
 - b. Street Academy's admissions process shall not discriminate against applicants based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Penal Code section 422.55, including immigration status.
 - 2. In the event that OUSD believes that a student on suspended expulsion would benefit from placement at Street Academy during the term of that suspended expulsion, OUSD may, in consultation and cooperation with SAF, recommend that the student attend Street Academy. If the student consents to placement at Street Academy during the term of the suspended expulsion, they shall comply with the admissions requirement set forth in the preceding section.
- c. **Discipline.** SAF shall ensure that all discipline imposed on OUSD students attending Street Academy shall conform with Education Code sections 48900, et seq. and 48925.5; Section 1412(a)(1) of Title 20 of the United States Code; Section 300.530(d) of Title 34 of the Code of Federal Regulations; and all other applicable laws, regulations, and policies.

1. SAF shall maintain Street Academy's decades-long history as a safe, violence-free, and police-free institution by implementing policies for managing discipline issues using restorative justice peacemaking circles. If a student becomes involved in physical violence, and/or commits a mandatory expulsion offense pursuant to Education Code section 48915 and/or other serious offense, Street Academy Principal or designee shall convene restorative processes to move toward conflict transformation and harm repair, under the auspices of SAF Restorative Discipline Panel. SAF shall fully inform students, parents, teachers, and staff of Street Academy's restorative justice peacemaking policies and these stakeholders shall agree to uphold the policies.
2. SAF shall impose discipline on students in accordance with OUSD's Board Policy and Administrative Regulation 5144, 5144.1, 5144.2, and 5144.3, and its Intervention and Discipline Matrix.
 - a. In the event that a student commits an offense for which Education Code section 48900 et seq. and the Matrix permit suspension, SAF and/or the SAF Restorative Discipline Panel may suspend the student.
 - b. In the event that a student commits an offense for which Education Code section 48900 et seq. and the Matrix permit expulsion, SAF and/or the SAF Restorative Discipline Panel may suspend the student and thereafter recommend the student for expulsion from OUSD by referring them to OUSD's Disciplinary Hearing Panel. Any referral shall first be approved by OUSD's Executive Director, Alternative Education.
 - c. In the event that a student commits an offense for which Education Code section 48915 and the Matrix mandate expulsion, SAF and/or the SAF Restorative Discipline Panel shall suspend the student and thereafter refer the student for expulsion from OUSD by referring them to OUSD's Disciplinary Hearing Panel. Any referral shall first be approved by OUSD's Executive Director, Alternative Education.
3. SAF shall be responsible for investigating any disciplinary incidents, and, in the event of suspension and/or expulsion, shall be responsible for compliance with all legally mandated suspension and expulsion procedures, including compliance with those laws and regulations specific to special education students, up to the time of referral to OUSD's Disciplinary Hearing Panel.
4. Upon receipt of a referral for expulsion from SAF, OUSD's Disciplinary Hearing Panel shall be responsible for complying with the expulsion procedures set forth in Education Code section 48918. SAF shall cooperate with the Panel in coordinating the expulsion hearing, including

promptly providing all requested documents and making witnesses available.

5. In the event that, following a hearing before OUSD's Disciplinary Hearing Panel, the Panel decides not to recommend that the OUSD Board of Education expel the student, or in the event that the Panel recommends that the Board expel the student but the Board does not accept this recommendation, the student may elect to return to Street Academy, just as any OUSD student in this position may elect to return to their school of origin. Because Street Academy is a restorative school as well as a school of choice, a restorative reentry process may convene to facilitate the student's successful return to school.
 6. In the event that the OUSD Board of Education's decision following the OUSD's Disciplinary Hearing Panel's hearing is appealed to the Alameda County Office of Education, OUSD shall conduct this hearing in accordance with Education Code section 48919 et seq.
- d. **Special Education.** As a school within OUSD, Street Academy is part of the OUSD Special Education Local Plan Area ("SELPA"). SAF and OUSD shall cooperate to ensure that OUSD students attending Street Academy receive the protections afforded to all other students within the SELPA. Those students with Individualized Education Programs ("IEPs") shall receive services according to those IEPs.
1. Child Find: SAF shall be responsible for the identification of those OUSD students attending Street Academy who may qualify for special education and referring those students for assessment, as required by 20 U.S.C. section 1412, 34 C.F.R. section 300.111, and Education Code section 56301.
 2. Assessment: OUSD shall be responsible for special education assessment of OUSD students attending Street Academy. SAF shall cooperate with OUSD in participating and providing input in connection with such assessment.
 3. Accommodations and Services: SAF shall be responsible for providing accommodations and services to special education students in accordance with their IEP, where these accommodations and services are implemented in a general education classroom. OUSD shall be responsible for providing accommodations and services that require disability-specific equipment or personnel.
 4. IEP Meetings: OUSD shall be responsible for convening IEP meetings for OUSD students attending Street Academy, and providing special education personnel at said meetings. SAF shall be responsible for providing an administrator and general education teacher at said meetings.

5. Student Records: OUSD and SAF shall be jointly responsible for providing student records requested pursuant to Education Code section 56504.
- e. **Food Services.** Students attending Street Academy shall notify OUSD of their qualification for Free and Reduced Price Lunch. OUSD shall provide breakfasts and lunches to SAF, in an amount equal to the number of qualifying students. An OUSD Nutrition Services employee shall work part-time at Street Academy to distribute these meals to qualifying students.
- f. **Transportation Services.** To the extent that any student attending Street Academy is entitled to receive transportation pursuant to their Individualized Education Plan, OUSD shall provide this transportation.
- g. **Data Sharing.** OUSD shall make available to SAF the educational records and data of OUSD students attending Street Academy ("Street Student Data"), in accordance with 34 C.F.R. § 99.31(a)(1)(i)(B). SAF shall comply, and shall require its employees to comply, with all applicable state and federal laws and regulations pertaining to data privacy and security, including the Family Educational Rights and Privacy Act, the Children's Online Privacy Protection Act, the Protection of Pupil Rights Amendment, the Student Online Personal Information Protection Act, AB 1584, and all other California privacy statutes.
1. SAF shall not use Street Student Data for any purpose other than to operate Street Academy. SAF is prohibited from using or selling Street Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by SAF; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose; or (d) use the Street Student Data for the development of commercial products or services.
 2. Street Student Data remains the property of OUSD. To the extent that SAF obtains Street Student Data directly from students or their parents/guardians, SAF shall ensure that those in OUSD who need this Data are able to access it.
 3. SAF shall dispose or delete all Street Student Data upon written request by OUSD or when it is no longer needed for the purpose for which it was obtained.
 4. SAF agrees to abide by and maintain adequate data security measures, consistent with industry standards and technology best practices, to protect Street Student Data from unauthorized disclosure or acquisition by an unauthorized person. In the event that Street Student Data is accessed or obtained by an unauthorized individual, SAF shall notify OUSD within a reasonable amount of time of the incident, and not exceeding forty-eight (48) hours.

4. COMPENSATION. The method and amount of compensation specified in this Agreement shall constitute full consideration to SAF for the performance of services provided herein.

- a. The amount of cash funds made available by OUSD shall be based on the P-2 attendance report, as adjusted by the P-2 annual report, utilizing the Local Control Funding Formula ("LCFF") which provides a base grant of \$10,269.00 per average daily attendance ("ADA"). SAF shall provide attendance reports on a monthly basis, by uploading attendance data into Aeries.
- b. OUSD shall charge a direct rate of 12.30% and indirect rate of 3.89%, which amounts shall be retained by OUSD. These retained amounts shall cover the costs incurred by OUSD for the operation of Street Academy, as described elsewhere throughout this Agreement. Final base aid is \$8,606.45.
- c. SAF's projected 2025-26 funding is contained in Attachment A, which is incorporated by reference.
- d. Continuing in Fall 2025, the Parties shall confer in the fall of each year to review any changes in the ADA due to Street Academy enrollment changes or changes in the State budget that impact school funding. Street Academy will follow the same process as all other OUSD schools in terms of increasing funding due to enrollment increases.
- e. By September 15 of each year, SAF shall submit its final operating budget and actual expenditures.
- f. SAF shall ensure that supplemental and concentration LCFF funds are used in a manner that directly supports the students who are within the targeted sub-groups and that federal funds do not supplant general funds and are spent in compliance with the Every Student Succeeds Act ("ESSA") (20 USC sec. 1001 et seq.), as set forth in Attachment B.
- g. SAF may qualify for grants under Measure N/Measure H, pursuant to OUSD's regulations, procedures, audits, and approval of SAF's proposed Measure N/Measure H spending plan.
- h. Nothing in this section is intended to prohibit or limit SAF's ability to independently raise funds from sources other than OUSD to increase its budget over and above the revenue limit.

5. INVOICING.

- a. SAF shall submit quarterly invoices and requests for payment to OUSD. OUSD's Budget Director may collaborate with SAF to develop a template which shall specify the information to be included in each invoice. OUSD's Executive Director, Alternative Education or designee shall serve as a liaison to SAF and shall meet at least bi-weekly to monitor progress around program improvement.
