### Step 1:

#### a. Enter the Original Approved Strategic Action from the Measures N and H EIP:

*Directions: Copy & paste the original strategic action below. The original strategic action is where you plan to take money from and use it for a new purpose.*

Measures N/H Plan or Pathway/Tab Name	Budget Action Line Item #	Original Amount Approved	Measures N and H Budget Original Strategic Action (proper & complete justification)	Total Amount being Transferred
2023-2024 Measure N SCO Plan	15	Was \$22,099.98. The new total amount after approval of prior BMFs is \$20,770.33.	<b>Pathway Success Academic Mentor:</b> This position would be an 0.8 FTE classroom support position. This role of the Pathway Success Mentor would be to support a diverse group of learners within our pathway with the main focus on students in the CTE courses. This would enable our focus population, students with IEPs, to receive extra support in their CTE classes which would increase their success in the pathway courses. This position would also allow students to have an extra touchpoint when questions arise and would be able to provide check-in support with students who are currently in internships and other WBL activities such as job shadows and workplace tours.	\$9,252.70

#### b. What will be the impact on your Measures N and H plan, pathway development, and students for not doing your original strategic action? (\*Do not insert links or use Acronyms)

The impact.

The pathway development and students will be minimal for not doing this budgeted item because we still have instructional assistants pushing into the Computer Science and Design Innovation courses helping our students with IEPs. Additional support is provided to our students through our education specialists, director of student support services, and pathway coordinator concerning WBL experiences outside the classroom.
