Measures N/H Plan or Pathway/Tab Name	Budget Action - Line Item #	Original Amount Approved	Measures N and H Budget Original Strategic Action (proper & complete justification)	Total Amount being Transferred
2023-24 Measure N Carryover Plan	15	\$5,000.00	Consultant Contract: contract with Leticia Rivera to serve as the Internship Coordinator to supervise on-campus interns participating in the HTR internship program, through May 2025. This individual will provide mentorship and case management of assigned interns, facilitate orientation for internship programs and perform administrative tasks such as distributing participating students' stipends. This individual will run a full-scale on-campus Work Based Learning internship program to include check-ins and regular workplace support. Leticia will serve as the contracted internship coordinator. Bunche does not have a full-time WBL so the work will be shared between this position and the Case Manager. The internship program will run from January 2025 - May 2025. Each student will perform 3 hours per week over a 12-week marking period. 7-10 students will be impacted as this is the size of the intended intern cohort in its inaugural year. This total includes admin fees.	\$5,000.00
2023-24 Measure N Carryover Plan	16	\$2,000.00	Consultant Contract with Oakland Public Ed Fund to payout stipends for guest speakers in the industry of HTR+Culinary, through June 30, 2025. Our HTR hospitality course will partner with local HTR centered businesses to host guest speakers for students to learn from industry experts. This expenditure supports Strategic Goals 1 & 2 to build strong HTR centred partnership that can lead to a strong advisory board. Budget formula is \$500 total for 4 hours of their time. 50 total students will benefit from this expenditure (estimated 25 per	\$2,000.00

			remaining timesters between January 2025 - May 2025). OPEF can only invoice schools for student stipends with 100% participation and completion and the admin fees for those funds. OPEF can not invoice for the full contract amount prior to the program ending. Under no circumstances can OPEF hold unspent Measures N or H funds for the schools.	
The total amount transferred from the three actions above is \$7,000.00.

Measures N/H Plan or Pathway/Tab Name	Budget Action - Line Item #	Original Amount Approved	New or Revised Measure N and H Strategic Action Enter one to two sentences to create a Proper Justification using the questions below: no acronyms or hyperlinks. -What is the specific expenditure or service type? Please briefly describe (no vague language) and quantify it when applicable. -How does the specific expenditure impact students in the pathway and support your 2024-25 pathway goals and strategic actions?	New or Amended Amount

			Please also answer the additional questions using the Object Code linked in this document to justify your new or revised strategic action adequately.	
2023-24 Measure N Carryover Plan	N/A	N/A	Equipment: Funds are needed to purchase 1 Hobart Centerline Dishwasher, undercounter high temperature. - CUH-1 Regular unit price \$5,303.99 USD California's CTE Standards for Hospitality, Tourism, and Recreation focus on Health and Safety (Standard 6.0) and Technical Knowledge and Skills (Standard 10.0) regardless of the specific pathways within the HTR designation. Our program needs a dishwasher to meet these standards and build student knowledge and familiarity with professional safety and cleanliness procedures. The dishwasher we have chosen is industry-standard, from a restaurant-supply store. Currently, we do not have sinks with sufficient capacity, nor do they reach the proper temperature to maintain health and safety standards. As students often complete hands-on activities and projects that require using dishes and many HTR-related fields will see students encounter safety/cleanliness standards and equipment, we must acquire this industry-standard equipment. This expenditure is also aligned with the third goal of our strategic actions/3-year goals, which is meant to increase the integration of CTE standards in our curriculum as we rebuild our pathway/academy. Finally, much of Ralph J Bunche's original culinary equipment is now being used at the Central Kitchen by the District and, therefore, is not always readily or easily accessible to us.	\$7,000.00
