Step 1:

a. Enter the Original Approved Strategic Action from the Measures N/H EIP:

**You can enter up to 3 different actions below, as long as the New or Revised Strategic Action in Step 2 is the same!*

Measures N/H Plan or Pathway/Tab Name	Budget Action - Line Item #	Original Amount Approved	Measures N and H Budget Original Strategic Action (proper & complete justification)	Total Amount being Transferred
2023-2024 Measure N Strategic Carryover Plan	N/A (new expenditure from a prior BMF)	\$1,200.00	Meeting Refreshments: to purchase meals for PHA students attending the overnight Trip to Sacramento. The PHA pathway makes an annual overnight trip to Sacramento, where students learn about the legislative process, tour the capitol, and meet with representatives to discuss legislation related to public health topics. This field trip impacts about 60 students in 12th grade. The assigned teacher(s) will purchase the meal for the students on the second day of the trip so that the whole group can have a meal together while on the trip. The teacher(s) will submit an itemized receipt to the school admin for reimbursement by OUSD. Per OUSD Policy, tips are not reimbursable. Per Measures N and H guidelines, meals are only allowed for students (not chaperones) on the second day and beyond and not to exceed \$20 per student per day. Budget Calculation: 60 students x \$20.00 = \$1,200.00.	\$1,200.00
2023-2024 Measure N Strategic Carryover Plan	N/A (new expenditure from a prior BMF)	\$1,028.40	Rental-Facility: Rent a facility or meeting venue for the PHA Teacher Team Retreat. The retreat is to work on curriculum development, develop shared practices, and plan interventions and support for students of concern. This expenditure supports pathway development by allowing the team to spend significant time together to collaborate and plan. It is essential to have time to work together in a deep and sustained way with minimal distractions. This retreat will improve student engagement because, as a result, teachers will have more shared practices and a greater understanding of our students, creating greater	\$1,028.40

			alignment of and connections across classes for students. All PHA students will benefit. The retreat addresses the need for the teacher team to have a long, uninterrupted time to plan and work on implementing Measure H goals and strategic actions. The facility or venue must meet OUSD guidelines.	
The total amount being transferred from the 2 different actions above is \$2,228.40				

b. What will be the impact on your Measures N and H plan, pathway development, and students for not doing your original strategic action? (**Do not insert links or use Acronyms. *If taking from multiple actions - respond to each of the overall impacts*)

No impact. The original strategic actions might still happen, but we'll use other funding sources secured for those specific purposes.

Meeting refreshments for the Poster Session exhibition event for all Public Health Academy seniors as part of their graduate capstone projects. Students have completed a research paper, conducted their own research on the topic, connected with experts, and created an industry-aligned scientific poster to summarize their project.
