"Adoption by the Board of Education, upon recommendation by the N and H Commission of a 2024-2025 Education Improvement Plan/Budget modification for Skyline High School to reduce \$2,055.64 Materials and Supplies for the Visual & Performing Arts Academy (VAPA) by \$2,055.64 to \$0.00, and establish a new strategic action of \$2,055.64. Equipment: To purchase equipment for the VAPA Pathway, as stated in the justification section of the New or Revised Strategic Action Section of the Budget Modification Form."

Background *(Why do we need these services?
Why have you selected this vendor?)*

"Skyline High School would like to reduce \$2,055.64 Materials and Supplies by \$2,055.64 to \$0.00, and establish a new strategic action \$2,055.64 Equipment: To purchase equipment for the VAPA Pathway. Integrating Arts, Media, and Entertainment (AME) Career Technical Education (CTE) standards into core academic subjects through project-based learning enhances student engagement, creativity, and career readiness. To effectively implement this interdisciplinary approach, it is essential to equip classrooms with professional-grade tools such as DSLR cameras, lighting, and microphones."

Please also answer the additional questions using the Object Code linked in this document to justify your new or revised strategic action adequately.	New or Amended Amount
2023-24 Measure N Carryover Plan	N/A	N/A	Equipment: To purchase equipment for the VAPA Pathway. Integrating Arts, Media, and Entertainment (AME) Career Technical Education (CTE) standards into core academic subjects through project-based learning enhances student engagement, creativity, and career readiness. To effectively implement this interdisciplinary approach, it is essential to equip classrooms with professional-grade tools such as DSLR cameras, lighting, and microphones. These resources enable students to develop industry-relevant skills while demonstrating their understanding of English, history, and science concepts through multimedia projects. By aligning with AME CTE standards such as Anchor Standard 2: Communication (which emphasizes using media to express ideas clearly) and Anchor Standard 10: Technical Skills (which requires proficiency with industry tools and technologies), students gain hands-on experience that fosters critical thinking, collaboration, and technical proficiency. Providing access to a fully equipped multimedia workstation allows students to apply AME CTE competencies in academic subjects through storytelling, documentary filmmaking, digital journalism, and visual presentations. For example, history students could create historical documentaries, science students could produce instructional videos explaining complex concepts, and English students could develop digital storytelling projects that analyze literature. This cross-disciplinary approach aligns with Anchor Standard 5: Problem Solving by encouraging innovative solutions and preparing students for media, communication, and digital arts careers. Investing in this equipment ensures that students are both college- and	\$2,055.64
