Background

The After School Education and Safety (ASES) Program is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment, and safe constructive alternatives for students in Kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code section 8421 further defines the purpose of the 21st Century High School After School Safety and Enrichment for Teens (ASSETS) program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

The Expanded Learning Opportunities Program (ELO-P) provides funding for afterschool and summer school enrichment programs for transitional kindergarten through sixth grade. "Expanded learning" means before school, after school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning experiences. It is the intent of the Legislature that expanded learning programs are pupil-centered, results driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year.

This agency has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process for issuance of contracts for after school programs and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal and their team have selected this agency from a list of approved lead agency partners.

**Expanded Learning Programs
After School Program Master Contract 2025-2028
Between Oakland Unified School District and**

Oakland Leaf Foundation

1. **Intent.** This Master Contract establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after-school grant funds, to contract with Oakland Leaf Foundation ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at the OUSD school sites identified in the Scope of Work(s) to be incorporated into this Master Contract by reference. A summary of Agency after school programs to be offered during the school year ("SUMMARY") is attached hereto as Exhibit A. Summer programs will be selected through a Scope of Work at a later date, based on OUSD needs, site availability, and subject to Board approval. Identification of summer programs is anticipated in February of each year and after-school providers will be assigned to OUSD schools to facilitate summer programming.
2. **Scope of Work.** The Scope of Work consists of the approved Annual Budget Tool and Annual Expanded Learning Opportunity Program Planning Tool, templates of which are attached hereto as Exhibit B. There shall be a Scope of Work for each separate school site served by AGENCY. The term of the Scope of Work shall not exceed one year. OUSD and AGENCY shall ensure that a Scope of Work is executed for each identified school site no later than 30 days prior to the date on which services under that Scope of Work are scheduled to begin. By approving this Master Contract, and the Scope of Work templates and Summary attached hereto as Exhibits A and B, the OUSD Board of Education ("BOARD") delegates to the Executive Director of Community Schools and Student Services ("CSSS Executive Director") the authority to approve and amend individual Scopes of Work for after school programs during the school year without further Board action required. Any Scopes of Work or amendments exceeding the approved amounts in the SUMMARY require Board approval.
3. These services will be funded by one or more of the following grants:
 - California Department of Education ("CDE") After School Education and Safety Program ("ASES")
 - US Department of Education 21st Century Community Learning Centers (21st CCLC)
 - US Department of Education 21st Century High School After School Safety and Enrichment for Teens ("ASSETS")
 - Expanded Learning Opportunities - Programs ("ELO-P")

4. **Term of Master Contract.** The term of this Master Contract shall be July 1, 2025, through July 31, 2028.
5. **Termination and Suspension.**

OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. The OUSD After Schools Program shall also annually review the AGENCY's performance and bring recommendations to terminate the AGENCY to the Board.

5.2. **Termination for cause by OUSD.** In addition, OUSD may terminate this MOU or any Scope of Work entered for cause should AGENCY fail to perform any part of this MOU. Upon approval by OUSD legal counsel, the OUSD Superintendent or an OUSD Chief or Deputy may issue the termination notice without approval by the BOARD, in which case this Agreement would terminate upon ratification of the termination by the BOARD or three (3) days after the notice was provided, whichever is later, unless the condition or violation ceases or satisfactory arrangements for the correction are made. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost for the services through the end of the Term identified in Section 3.

5.3. In the event of termination or suspension, AGENCY must, upon request, follow all transition protocols and actively participate in the transition process, attend all transition meetings, promptly turn in all keys and key fobs, transfer custody of all records, and inventory of all after-school supplies.

5.4. **Average Daily Attendance Requirement.** In the event, an AGENCY fails to achieve 86 percent of their annual attendance target in any given calendar year (EC Section 8483.7[a][1][D]), AGENCY will be placed on probation from (January-May). If AGENCY is unable to meet compliance deliverables to improve ADA, AGENCY's contract will be assessed to determine capacity to continue serving as the expanded learning provider at the school site.

July-Dec: Capacity building, site work to increase ADA compliance

Jan-May: Assessment Period, sites will review ADA to comply with 86% ADA requirements. Sites that fall below expectations, tier 2 supports will be implemented.

Aug-Dec: Intensive Supports, sites falling below 86% ADA, intensive tier3 supports will be implemented.

Jan-May: Transition

5.5. **Suspension.** If OUSD, at its sole discretion, develops health and/or safety concerns related to the AGENCY's provision of services, then the CSSS Executive Director may, upon approval by OUSD legal counsel, issue a notice to AGENCY to suspend the Agreement or Scope of Work, in which case AGENCY shall stop providing services under the Agreement until further notice from OUSD. OUSD shall compensate AGENCY for services satisfactorily provided through the date of suspension. During the period of suspension, OUSD may procure services from another agency.

5.6. **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change. In the event AGENCY ceases to provide required services prior to the end of the MOU term, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost through the end of the term identified in Section 4. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

5.7. Alignment with OUSD's initiatives: (Creating Joyful Spaces) - Complaints, safety, lack of inclusion. (compromises district initiatives) _moving from approved to conditional. What does High Quality look like. Observations look like?

6. **Compensation.** Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after-school grant funds and subject to grant funding levels, the ASES, 21st

CCLC, and ELO-P grant award amount for the school sites listed above, funding projection is based on three-year grant totals for each school site identified in Exhibit A. The three-year not-to-exceed amount for this Master Contract is \$ 9,087,186.60. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

6.1.Total Compensation. Subject to the provisions of 6.2 Positive Attendance and the provisions of 6.3 Administrative Fee and subject to AGENCY compliance with Master Contract requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Funding will be contingent on CDE grant allocations. Penalties may be assessed or payments withheld for non-compliance, including but not limited to Master Contract requirements, accurate attendance reporting, fiscal invoicing, full participation at OUSD required meetings, training, and in continuous quality improvement efforts. Falsification of attendance or any compliance documents will result in the termination of the contract.

6.2.Positive Attendance. Payment for services rendered related to the ASES, 21st CCLC, ASSETS, and ELO-P grants shall be based on actual student attendance rates (\$10.18 a day per student through ASES, 21st CCLC, ASSETS, and ELO-P.), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.18 a day for ASES, 21st CCLC, ASSETS, and ELO-P per student. Documentation of attendance must be submitted through the OUSD's Aeries student information system in order for invoices for payment of services for the ASES, 21st CCLC, ASSETS, and ELO-P grants to be processed. Attendance is due by the 10th day of the following month. In the event that any school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 7.4.5 of this MOU, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.

6.2.1. Reconciliation Process for Positive Attendance Based Grant Funds. OUSD will adjust the payment of the "positive attendance based" grants based on a quarterly review of monthly invoices and attendance for services rendered related to the ASES, 21ST CCLC (Core Grant), ASSETS, and ELO-P for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of an additional payment or withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

6.2.2. Administrative Charges and Reconciliation. The reconciliation process for positive attendance-based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 6.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

6.3.OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASES, ELO-P, and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

6.4.AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 5% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASES, 21st CCLC, ASSETS, and 10% ELO-P grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASES, ELO-P, and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative

costs consist of expenditures for administrative activities that provide a direct benefit to the ASES, 21st CCLC, ASSETS, and ELO-P programs. Indirect costs consist of expenditures for administrative activities necessary for the general operation of the agency, but that cannot be tied to the ASES, 21st CCLC, ASSETS, and ELO-P programs.

6.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for each school year during the term of this Agreement and will not exceed the budget reflected in Exhibit B for each Scope of Work.

6.6. Site Coordinator. (Per EC Section 8483.9(c)), the cost of a program Site Coordinator may be included as direct service provided that at least 85 percent of the Site Coordinator's time is spent at the program site.

6.7. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD and AGENCY, before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, that does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

6.8. Program Fees. The intent of the ASES, 21st CCLC, ASSETS, and ELO-P programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after-school program. Fees should not create a barrier to participation in the after-school program. After-school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. The fee structure must be identified within the Scope of Work approved by both parties prior to charging any program fees. AGENCY shall provide the OUSD After School Programs Office with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21st Century Community Learning Center (CCLC) and ASSETS must report all fees collected (i.e., registration fees, family fees, application fees, etc.) to the OUSD After-School Program Office for CDE reporting. (EC 8482.6)

SECTION 4: INCLUSION

INCLUSION - SUPPORTING ALL OUSD STUDENTS
*Please check all the boxes to demonstrate awareness and implementation of mandatory expectations.
Who can receive the Golden Ticket?
Per federal statute, California Education Code, and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a <i>Golden Ticket</i> . Golden ticket students

get priority access into the after-school program. If a student/family indicates they have a Golden Ticket, the correct response is to enroll and admit them immediately. If you have any concerns regarding their status, reach out to your Expanded Learning Program Manager. Transitional students are by definition:
- Any OUSD student who is a homeless youth, as defined by the federal <i>*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)</i> , who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. <i>*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)</i>
- Establishes the definition of homeless used by schools
- Ensures that children and youth experiencing homelessness have immediate and equal access to public education
- Provides for educational access, stability, and support to promote school success
- Needed to address the unique barriers faced by many homeless students
- OUSD's ExLO will also distribute Golden Tickets to students under special circumstances (Example: Emergency Transfers)

SECTION 5: PROGRAM COMPONENTS

PROGRAM COMPONENTS (The descriptions below should reflect the site's specific needs)

[CDE](#) requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but is not limited to STEAM, recreation, prevention, and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7]) The description below should reflect site-specific needs.

1) EDUCATIONAL COMPONENT

OUSD requires that part of your Educational Component focuses on Literacy and includes academic support in the core subject (language arts, math, history/social science, etc). Make sure to include how district literacy practices will be integrated.

- (i) Describe how the expanded learning program will provide the educational & literacy component.
- (ii) How are students building academic skills?
- (iii) How does the program align/supplement the school day priorities and curriculum?

Respond Below:

2) How is social-emotional academic development being integrated? (Include specific strategies for creating a safe & supportive environment through encouragement and actively engaged learning.) (i.e., collaborative skills, self-management, responsible decision-making, etc.)

Respond Below:

3) Enrichment Component that offers students engaging activities in various areas (fine arts, career technical

education, presentation, etc.)
How does the expanded learning program choose which educational enrichment activities are offered? <i>(Include specific strategies designed to foster skill-building youth voice and leadership, and diversity, access and equity.)</i>

Respond Below:

4) Physical Activity is an activity other than recess that is structured and supervised with a warm-up, structured physical activities, and a cool down. (This should happen for all students in the program.)
CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 30-60 daily minutes of moderate to vigorous physical activity for youth). This is not ‘free play’ or recess. (We understand Middle and High will vary based on sports programs and scheduling. Programs should provide a physical component to non athletes.)
Please explain how the expanded learning program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).
<ul style="list-style-type: none"> · Plan and evaluate (review fitness test results, track minutes, etc.) · Include a variety of activities throughout the year
Describe how the expanded learning program will provide structured physical activity for all participants. <i>(Include specific strategies to promote healthy choices and behaviors.)</i>

Respond Below:

5) Family Engagement that may include literacy activities and other educational services that engage adult family members of students.

OAKLAND LEAF

Oakland Leaf Statement of Qualifications

Oakland Leaf was founded in 2001 by a collective of East Oakland educators' desire to cultivate community transformation through creative education for youth and families. Their mission was to counter the inequalities and violence surrounding the youth by providing innovative programs and services that would equip them with the necessary skills to evolve into future leaders. That summer Oakland Leaf developed and hosted its first annual enrichment summer camp that emphasized arts, culture and social justice. The following fall, Oakland Leaf was invited to serve as the after-school lead agency for an East Oakland school.

Now we serve 1,000 East Oakland students annually in our 7 after-school programs at high need elementary and middle schools, two paid high school internships, and three summer camps, all free of charge. Our vision is to embolden youth to be creative leaders who actualize a more loving, just, and vibrant Oakland.

Our free, year-round programming for K-12 grade East Oakland students are designed to support socioemotional skills, build a critical thinking toolkit through hands-on projects and develop the next generation of Oakland leaders.

Oakland Leaf's programs create space for youth voice, building in opportunities for young people to express their feelings productively, and grow as a leader to support important transitions. Our high school paid internship programs provide high school youth with the space to develop their leadership and career skills, learn about food justice and social inequities facing their communities to cultivate a sense of belonging. And, Oakland Peace Camp creates an immersive experience that connects fun, engaging activities with a social justice to propel our youth forward. For this reason, our programs are designed to support the development of children and youth by feeding the minds, bodies, and spirits of low-income youth and families in Oakland.

Our programming is based on youth development practices and principles. We develop and assess our staff and programming for cultural relevance and engagement; a strategy reinforced by taking a project based approach to our classes. All of our programs are culturally relevant, project-based, and culminate in a student showcase or performance. This gives students the opportunity to showcase their learning through expositions and community showcases.

Oakland Leaf, guided by our credo, "Love is an action!," works in partnership with Oakland Fund for Children and Youth (OFCY) and Oakland Unified School District (OUSD) to achieve a shared vision of a full-service community school district. Students and schools with limited economic

resources are targeted to ensure that students have access to the resources and the tools needed to achieve academic success and develop into thoughtful and creative citizens. Our whole-child approach to the work makes it possible for schools to provide wrap-around services for students and families. We work with each school to support its specific Community Schools Strategic Site Plan. We have been leading the way in helping Oakland public schools transcend traditional classroom learning and we partner together by using our programs to transform schools into thriving year-round community hubs.

Since its incorporation as a 5015(c)(3) in 2002, Oakland Leaf has matured into an organization with reliable and effective administrative and financial practices. Our Board of Directors guides our fiscal strategies, while fiscal operations are managed by our Executive Director with the support of a well-qualified Finance & Operations Manager, certified in non-profit financial management. Additionally, Oakland Leaf is audited yearly to ensure that the organization is using Generally Accepted Accounting Principles (GAAP).

Oakland Leaf has managed federal, state, and local funds through its partnerships with City and State agencies such as OFCY, OUSD, ASES, and 21st Century Community Learning Centers. All of our programs adhere to comprehensive City and State standards for fiscal and administrative requirements such as staff-to-youth ratios and units of service requirements as well as measures for accountability including quarterly evaluations, submission of reports, and invoicing.

Oakland Leaf has a current organizational budget of over \$3.2 million with diverse funding sources. In addition to successfully managing public revenue, we have increased our income from private philanthropy. This year private philanthropy makes up 41% of our total income.

Oakland Leaf balances its priority to put as much revenue into programs as possible with the realities of the need to invest in a strong and sustainable infrastructure. We have established processes and procedures to ensure organizational consistency, accountability, transparency, data collection, and program evaluation. We have also developed programs that ensure long-term sustainability.

What is an RFP? An RFP (Request for Proposals) is a proposal based selection process, in accordance with Public Contracts Code section 20111.5. It is a request by OUSD Expanded Learning Office for non-profit organizations to submit their proposals to be considered an OUSD-approved primary contractor/expanded learning program provider for district school-site based comprehensive expanded learning program services, after which OUSD will determine which providers are qualified based on that determination.

What is a Pre-Conference Q & A? A pre-conference Q & A is an opportunity to ask members of the selection team any questions you may have, and/or clear up any confusion regarding project details/scope of work that is in the RFP. This is an *Optional Online Meeting*.

C. Introduction and Overview

The mission statement of OUSD's Office of Expanded Learning states: *In community, we cultivate transformative experiences for youth on their journey as they become thriving, productive leaders.*

The Oakland Unified School District (OUSD) Department of Expanded Learning invites interested nonprofit organizations to respond with their proposals to serve as an Expanded Learning Program Provider in designing, planning, administering, and operating effective, high-quality comprehensive expanded learning programs. Eligible providers will be committed to support OUSD's strategic plan to ensure strong readers by the third grade, support empowered graduates, create joyful schools, and grow a diverse and stable staff. In addition, eligible providers must also support citywide goals.

Lead Agency partners will invest in providing expanded learning supplemental programs that complement the regular school day program and support the OUSD priorities for student achievement, health, and well-being. Oakland Unified School District's (OUSD) mission is to build a Full-Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers daily. Expanded Learning supports this mission while holding our values of equity, joy, and liberation for youth and adults. Select Lead Agencies will commit to working in partnership with school sites and the OUSD Expanded Learning Office (ExLO) to provide comprehensive programming that supports the entire school community.

Through the RFP process, OUSD seeks organizations who demonstrate the capacity to be adaptive, make necessary shifts, and be able to work within the established OUSD model of school and community partnerships through various funding sources' parameters.

Organizations must be fiscally sound with the capacity to leverage other resources to provide students with high quality expanded learning programming: after-school and summer youth development experiences that complement and support school district and city priorities for student success and well-being.

Community organizations that serve as a Lead Agency are an integral part of our OUSD Full Service Community Schools and make an impactful contribution toward strengthening student outcomes.

Term of the List of Qualified Agencies

This Request for Proposals (RFP) for Expanded Learning & Summer Program Lead Agency will result in a list of OUSD vetted lead agencies with which OUSD will enter three-year master contracts. From the list of contracted agencies, school site administrators may select an OUSD approved expanded learning program provider. An organization being placed on the approved lead agency list and entering a master contract with OUSD does not guarantee an assignment at an OUSD school site.

The selection of the expanded learnings & summer program Lead Agency is at the discretion of the school site administrator (Principal). School site administrators will select a Lead Agency from the list of approved after-school providers by assessing the quality/capacity of the current expanded learning program, identifying program goals, and considering any other factors relevant to the school site. Yearly program plans are created through a collaborative partnership between the Lead Agency and school site administrators to ensure both parties are meeting overall program expectations.

Once selected to serve at a given school, a lead agency will be contracted to serve that school site for three years, subject to continuing annual approval of the school site administrator and District.

Overview of OUSD Expanded Learning Programs

OUSD Expanded Learning Programs strive to create and sustain "safe haven" environments where Oakland children and youth can access expanded learning opportunities and integrated education, health, cultural, and enrichment programs outside of school hours or the regular school year. OUSD Expanded Learning Programs operate in all elementary, middle, and high schools across the city of Oakland.

When programming is conducted in-person, over 15,000 students across 80+ schools participate in OUSD expanded learning programs that operate Monday - Friday until 6:00 pm. Students who participate in expanded learning programs every day receive an additional 540 hours of learning by the end of the school year, equivalent to 90 additional days of school. In these valuable after-school hours, students engage in youth development activities that foster their physical health, social-emotional learning/well-being, and support their academic

achievement in school. In order to meet these goals, the quality and success of the District’s expanded learning programs is critical.

These expanded learning and summer programs are aligned with efforts in Oakland to improve young people’s educational outcomes, including Oakland’s investment in the Kids First! Legislative initiative goal to “Help Children and Youth Succeed in School and Graduate High School” and the Oakland Unified School District’s Full Service Community Schools initiative that seeks to provide health, education, and social services to youth, their families and the community.

OUSD expanded learning and summer programs offer critical support to schools, students, and their families. In addition to providing children and youth with sanctuary, quality expanded learning programs to support students academically and socially, OUSD expanded learning programs serve a large proportion of youth who typically benefit from additional learning support, including students from low-income households (81%) and English Learners (31%). Additionally, approximately 23% of OUSD after-school participants are African American and 46% are Latino.

OUSD seeks community partners whose organization mission and vision closely align and support the District’s strategic plan and vision for Full Service Community Schools.

High quality expanded learning programs must satisfy the various grant funding requirements— detailed further below and in the MOU—and provide additional opportunities for youth to practice the academic and social skills they need to succeed. OUSD expanded learning programs provide youth with a mix of academic support, recreational/physical, and enrichment activities. Within these broad categories, expanded learning providers work collaboratively with school partners to develop a balance of activities that meet the unique interests and needs of the student population and support the goals and priorities of the school community for student achievement and well-being. Below are examples of the mix of after-school activities offered in OUSD Expanded Learning Programs.

D. Funding

OUSD Expanded Learning Programs are currently primarily funded through grants from the California Department of Education (CDE). CDE provides funds to school districts that collaborate with community partners to provide safe and educationally enriching alternatives for children and youth during non-school hours. The base grants that CDE awards to OUSD for after-school programs represent four (4) funding sources:

- After-School Education & Safety (ASES) for elementary, middle, and K-8 schools are state funds. ASES grants are three-year renewable funding sources.
- 21st Century Community Learning Center (21st CCLC) grants for elementary, middle, and K-8 schools are federal funds. 21st CCLC grants are awarded based on a highly competitive application process, and last for five years.
- 21st Century After-School Safety and Enrichment for Teens (ASSETS) grants for high schools are federal funds. 21st Century ASSETS grants are awarded based on a highly competitive application process, and last for five years.
- Expanded Learning Opportunities - Program (ELO-P) funding is a universal grant that supports all TK - 6th Grade OUSD's unduplicated students' access to free expanded learning opportunities.

OUSD directly applies for these grant funds from the California Department of

Education, and grant funds are received and managed by the school district. OUSD contracts a portion of grant funds to Lead Agencies to operate expanded learning programs in close partnership with schools.

Additionally, Lead Agency partners leverage other funding and resources to support high quality programs, including private grant dollars, AmeriCorps grants, volunteers, and other in-kind resources. Leveraging additional resources on behalf of the expanded learning programs is an essential function of the Lead Agency partner because of the reality that state and federal expanded learning grant dollars alone are often inadequate to run a high-quality program. ELO-P, ASES, and 21st Century grant dollars are currently awarded at a rate of:

- ASES: \$10.18/student/day for TK-8th Grade students
- 21st Century: \$10.18/student/day for TK-8th Grade students
- 21st Century ASSETS: \$10.10/student/day for high school students
- ELO-P: \$15/student/day for TK-6th Grade students

Other considerations for the allocations of funds

- OUSD elementary and middle school ASES grants can only be used to provide expanded learning programming daily (180 days) immediately after the school day and facilitate programming for at least 15 hours a week until at least 6:00 pm.
- OUSD High School ASSETS base grants can be used to operate programs before school, after school, weekends and during summer/intersession in accordance with grant guidelines.
- Some sites may also receive 21st Century related grants including Supplemental funding (to support summer programming).
- ASES and 21st CCLC grant funds are intended to complement, but not supplant, other funding provided by OUSD, school sites, or community partners.
- ASES and 21st CCLC Grant funds are inadequate to cover the true cost of running a high quality expanded learning program. OUSD and its Lead Agency community partners are committed to leveraging additional funding and resources to match grants provided by the California Department of Education.
- ASES/21st Century grants are attendance-based grants.
- ELO-P funding must be used to provide expanded learning opportunities during out-of-school time; before school, after-school, summer/intersession at no cost to unduplicated students.

Sites that fail to meet calculated attendance will trigger California Department of Education intervention and funding levels may be reduced. Sites must earn 85% of attendance to be in good standing for full funding. Failure to achieve attendance targets may result in a Lead Agency being removed from the OUSD approved list of Lead Agencies.

E. OUSD Expanded Learning / Program Operation

In Oakland, approved lead agencies must be equipped and have organizational infrastructure to provide synchronous and asynchronous programming at the discretion of OUSD, as reflected in the MOUs.

In the spirit of OUSD's Full Service Community Schools vision, our approved expanded learning organizations partners work closely with schools and their principals to develop specific programmatic goals to provide holistic support and equitable learning opportunities for all students. As school-day teachers focus on providing high quality instruction in the classroom, expanded learning programs provide high quality enrichment, physical, academic, and SEL opportunities to students during the after school and non-school days when youth are most vulnerable to crime, violence, and risky behavior.

Expanded Learning Lead Agencies are expected to offer programming to all students in TK - 12th grade reflected of the school site's specific grant requirement.

F. Base-line Expanded Learning Program Requirements

The goal of the expanded learning program is to support student success in school through academic support, social emotional development and educational enrichment. The school site administrator, working in partnership with the Expanded Learning Lead Agency, is an integral part of developing the expanded learning program components that are appropriate to support his/her school site goals articulated in the School Site Plan. All Lead Agencies are selected by Principals to collaborate on the development and implementation of the expanded learning program in compliance with State and Federal guidelines, and District requirements.

OUSD's Expanded Learning Office goals align with grant requirements which aim to provide a comprehensive expanded learning program during the school year and/or summer program which consists of a balance of academic and enrichment activities, including daily physical activity components. The funds cannot be used to supplant school day activities.

An expanded learning program must include the following:

- To satisfy **ASES Funding**:
 - Educational and literacy component to provide tutoring and/or homework assistance,
 - Educational enrichment component and,
 - Daily physical activity/recreation component and,

- Serve a minimum 83 elementary and 111 middle school students daily and, free to all unduplicated students
- To satisfy **21st CCLC E/M**:
 - Educational and literacy components to provide tutoring and/or homework assistance,
 - Educational enrichment component,
 - Physical activity/recreation component, and
 - Serve a minimum ADA contingent on grant allocation and,
 - Free to all unduplicated students
- To satisfy **ASSETs**:
 - Educational and literacy component to provide tutoring and/or homework assistance,
 - Educational enrichment component,
 - Physical activity/recreation component, and
 - Serve a minimum of 139 students daily
- To satisfy **ELO-P**:
 - Offer 9 Hours of Programming (School day hours count toward the 9 hours)
 - Support TK-6th grade students
 - 175 school days & 30 days intersessions (For the purpose of this site plan, the scope of work will be for a total of 60 school days)
 - TK/K staff ratio 10:1
 - Must offer the program to all unduplicated TK-6 grade students
 - Parallel ASES Compliance Reporting
 - ELO-P funding can not be used to provide school day support (CDE Guidance)

Additional Program Requirements:

- **All programs** must provide a nutritious snack and track attendance daily.
- Expanded learning lead agencies and school sites are **expected to implement reasonable accommodations** under Section 504 of the Americans with Disability Act to support OUSD's students with disabilities. The standard for reasonableness must be determined on a case-by-case basis.
- Per federal statute, California Education Code, and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit get priority access into the after-school program. If a student/family indicates they are homeless, newcomer, refugee, and/or asylee will have automatic enrollment.
- All programs must adhere and align with all OUSD safety policies and procedures, this includes OUSD's George Floyd Resolution which promotes a safe and supportive environment.

Please note that the below list of compliance requirements is not exhaustive. Lead Agencies are expected to know and comply with these and other district and state and federal requirements not listed here, including but not limited to state and federal laws and requirements outlined in applicable OUSD Board policies and the Memorandum of Understanding (“MOU”) with OUSD which all Lead Agencies selected to serve a school site must sign and have approved by OUSD’s Governing Board. A sample MOU is attached as Appendix III. Please note this MOU is subject to change depending on District needs. Applicants are encouraged to review it for more program requirement specifics.

Operational Requirements

- Elementary and Middle School After-School Programs must operate 5 days/week, for at least 15 hours/week, commencing immediately at the end of the regular school day and run until at least 6 p.m.
- High School After-School Programs must operate a minimum of 15 hours/week
- Summer School Programs need only comply with legislative or funder requirements
- OUSD’s Expanded Learning Programs Office (ExLO) has established early-release policies that must be implemented at each expanded learning and/or summer program. Further details of required hours and attendance expectations are located in the MOU.

G. Staffing

Staff working in OUSD Expanded Learning Programs must meet the minimum requirements to be in compliance with the California Dept of Education Codes. Staff members who directly supervise students must meet the district’s Proposal for an instructional aide, paraprofessional, or provide documentation that confirms completing 48 college units or the equivalent of an AA college degree.

Programs must operate with a minimum staff to student ratio of 1:20 for 1-12 grade and 1:10 for TK-K. Unless otherwise advised due to the health and safety of the students. It is required that each expanded learning program have a Site Coordinator who is full-time, salaried with benefits, and present at the school site during their work hours. The California Education Code provides that “selection of the program site [coordinator] shall be subject to the approval of the school site principal.” The Lead Agency must notify school principals in writing of any expanded learning staff changes within 24 hours.

Oakland expanded learning programs share a basic staffing pattern across all sites, though specific staff duties may vary somewhat from site to site. The most common staffing plan includes a full-time Site Coordinator, a Quality Support Coach (OUSD Credentialed Teacher), and youth development workers. Many programs also work with additional *service providers for specific services, and some may rely on regular volunteer assistance as well*. At some sites, certificated teachers provide targeted academic assistance, and academic enrichment activities for expanded learning participants through OUSD extended contracts.

Expanded Learning Lead Agencies should be fully staffed and prepared to provide programming for a total of 180 days. Lead agencies should have contingency plans to ensure that each program is fully staffed and able to meet the school site's enrollment needs.

H. Enrollment, Attendance and Evaluation Documentation

Approved Lead Agencies will need to consider CDE Guidelines, OUSD Expanded Learning Office expectations, and site-level input (e.g. site administrator) when it comes to student enrollment consideration, attendance protocol, and programmatic evaluation.

- a. Enrollment: Approved Lead Agencies must be familiar with CDE guidelines of ASES, 21st CCLC, ELO-P, and ASSETs Programs when working with a unique population defined as foster youth, McKinney-Vento, and students qualify with free-reduced lunch status. Lead Agencies must prioritize enrollment for any child that is homeless, defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Lead agency will work with the school site administrator to develop a written enrollment policy. The enrollment policy needs to include, but not be limited to, enrollment priorities, application process, and acceptance notification, waitlist procedures, behavior guidelines, parental expectations, student expectations, procedure for removing students from expanded learning programs, and so on. Approved Lead Agencies are required to provide the written enrollment policy to all families who apply for the program.
- b. Fees: Unduplicated students must have access to the program at no cost. Lead Agencies should implement a process for identifying unduplicated students and ensuring that fees are not charged to those families.
- c. Attendance: Approved Lead Agency is required to be aware of all required attendance submission protocol and procedures to ensure good standing status with the Expanded Learning Office and CDE. All attendance documentation shall be closely monitored, and managed for accuracy by the Site Coordinator

and/or occasional audit request by the district and CDE. This includes accurate completion and daily maintenance of student sign in/out sheets, weekly inputting of attendance data into the OUSD online system, and monthly submission of scanned electronic attendance records to OUSD ExLO. Lead Agencies are also responsible for conducting internal audits of attendance records to ensure that program sites maintain accurate, verifiable data on student attendance. All program records must be maintained for five years for auditing purposes.

I. Contract and Payments

Agencies that are approved through the process described in this RFP must enter a 3-year master contract with the District. They may not begin operating at a school site unless the District and agency have executed a contract on the District's template. The District's Board of Education will likely approve these master contracts during the May-August 2025 Board meetings.

Although the master contract will last for 3 years, note that agencies and sites will be matched in 1-year relationships, as they are currently.

In Spring of each year, all Lead Agencies must initiate and engage in annual program planning with school leadership at each program site. Lead Agencies will submit a program plan and budget for the upcoming school year to the OUSD EXLO and Board of Education for approval, at the beginning of each school year.

Invoices are processed on a cost reimbursement basis for actual expenditures incurred. Due to the timing of OUSD contracting and fiscal procedures, Lead Agency partners must operate with a 4 month reserve covering the full cost of the agency's OUSD expanded learning program implementation. Typically, there are delays to the initial payment of agency invoices at the beginning of each school year.

J. Guidelines for Charging Fees

The intent of ASES, 21st CCLC, ASSETS, and ELO-P grants, which aligns with OUSD values, is to establish local programs that offers academic support and enrichment to students in need of such services regardless of a family's inability to pay.

CDE and OUSD discourage charging fees as that could exclude students in need from attending and taking advantage of the expanded learning program. ASES, 21st CCLC, ELO-P grants do not prohibit charging fees for expanded learning programs; however, programs that choose to charge fees, will need to collaborate with a Site Administrator to create and submit

the program's fee structure for approval in accordance with the terms in the MOU. In addition, all students that fall under the category of **unduplicated cannot be charged fees**. Sites that receive 21st CCLC and ASSETS grants will be required to report any fees collected (i.e.- registration fees, family fees, application fees, etc.). Programs that opt to charge program fees may not prohibit any family from participating due to financial circumstances. All program materials related to outreach and enrollment must state clearly that no unduplicated child will be denied services. CA EdCode stipulates that a sliding scale must also be offered in a fee schedule.

K. RFP Process

OUSD Expanded Learning Office is conducting a dual pathway process for new and current organizations. The RFP evaluation rubric will feature some questions that may be differentiated based upon the organizations current approval status and will have the same scoring process. Organizations should go through the appropriate process and provide the necessary documentation.

Organizations interested in serving in the OUSD Expanded Learning Lead Agency role for the 2025 - 28 school year must successfully complete the Lead Agency RFP process and earn the designation of a recommended lead agency. Therefore, an organization that does not successfully complete the Lead Agency RFP process or does not earn a *recommended* status will not be approved to serve as an OUSD lead agency for the 2025-2028 cycle. Organizations that are not selected during this RFP cycle will have the opportunity to reapply for the next RFP process which begins in 2028.

Organizations submitting an RFP proposal by the deadline will be assessed based on their RFP application responses, and any additional supporting materials requested by the RFP Review Team to determine the organization's potential to serve in the Lead Agency role. If additional information is required, organizations will be invited for an interview with the RFP Review Team.

Organizations completing this RFP process will be assessed and scored into one of the following categories:

- 1) **Recommended:** Community organization has adequately demonstrated its capacity to serve in a Lead Agency role and to fulfill all comprehensive Lead Agency responsibilities outlined by OUSD and CDE as well as those listed in Section III of this RFP. The organization demonstrates the capacity to collaborate, integrate, and adapt to the community. This *recommended* status will be valid for up to 3 years, depending on the organization's ability to meet and maintain and/or exceed federal, state, and district compliance requirements, to be assessed annually.

- 2) **Not Recommended:** Community organization has not adequately demonstrated its capacity to serve in the Lead Agency role and to fulfill most of the Lead Agency responsibilities outlined by OUSD and listed in Section III of this RFP. Organizations receiving this *not-recommended* status will not be included in the list of qualified organizations that will be shared with stakeholders. An organization receiving this *not recommended* status may submit another Lead Agency RFP at a future date when the OUSD opens up a new RFP cycle.

OUSD will notify an agency of its determination before or by September 6, 2024 via email. If OUSD determines that an agency is Not Recommended, the agency shall have the opportunity to contest that determination. Additional details regarding this process are contained in Appendix V.

L. Minimum Proposals

Applicants may respond to **one or more of the** following Lead Agency categories:

Lead Agency: Elementary School (including K-8)

Lead Agency: Middle School

Lead Agency: High School

OUSD is seeking applications from established community organizations that currently possess 501(c)(3) status and adequate fiscal reserves to cover at least four (4) months of general operating expenses as a Lead Agency partner. Grant funds sub-contracted to Lead Agency partners do not cover the full cost of running a full comprehensive expanded learning program in Oakland; thus, organizations choosing to serve in the Lead Agency role must be financially stable and demonstrate the capacity to leverage other resources in support of youth programming.

A demonstrable experience in operating a comprehensive expanded learning program is strongly preferred, but all organizations must provide acceptable documents demonstrating two (2) years of experience in the following areas:

- Providing program services to the students in the service category (ies). Specific evidence of a positive track record of the capacity to effectively coordinate the entirety of a school's afterschool and/or expanded learning year-long program as well as successful collaboration with the school site administrator, faculty, and staff.
- Agency administrative capacity to comply with compliance and fiscal policies of the OUSD and CDE, including: agency administration manual; fiscal and personnel policies; attendance records; cost allocation plans, etc.

- Hiring, retention, and provision of professional development opportunities for qualified staff to provide services to OUSD students in a culturally and linguistically competent and age appropriate manner with a focus on youth development strategies.
- Capacity to effectively engage a large number of diverse students on an ongoing basis who demonstrate the desire and enthusiasm to participate in the program at a very high and consistent rate. Additionally, the agency can illustrate specific examples and strategies it has developed that actively engage parents and family members throughout the school year.
- Maintaining collaborative relationships with school site leadership in the development and implementation of a quality expanded learning program that supports the district's and the school's goals.

Organizations that apply for the Lead Agency role must be able to comply with all requirements outlined in the standard OUSD Expanded Learning Lead Agency MOU (see Appendix IV for sample of current year MOU) should it be chosen as Lead Agency. For example, while a copy of the organization's current insurance coverage is required with this application, should the organization be chosen, it will need to attain the level of insurance outlined in the MOU.

Failure to provide any of the following information or forms may result in an application being disqualified.

A Complete Lead Agency Application will consist of all the following required items:

Letter of Agreement

Dear Oakland Unified School District's (OUSD) Department of Expanded Learning,

This Letter of Agreement establishes the intention of Oakland Leaf Foundation to work together with Oakland Unified School District's (OUSD) Department of Expanded Learning to facilitate a comprehensive after school program at OUSD school sites.

Oakland Leaf Foundation's mission is to cultivate community transformation through creative education. Our approach to youth development and student empowerment emphasizes enrichment activities that focus on: project-based learning, community awareness, cultural literacy, leadership development, social justice and reflection. Our goal is to develop youth with relevant, sustainable skills for them to become creative individuals with healthy habits.

Oakland Leaf has partnered with OUSD to provide expanded learning programs to students since 2003. In that role, Oakland Leaf has and will continue to:

- Serve as lead agency for the program including fiscal responsibility for managing after school grant funds per grant requirements and developing after school program and budget plans in close collaboration with school leadership
- Provide an After School Site Manager and adequate, qualified staffing to ensure program quality and compliance and meet the grant required 20:1 student to staff ratio.
- Ensure all hiring criteria and procedures such as fingerprint clearances, criminal background checks, and TB testing are completed with approval for all after school program staff and volunteers.
- Provide daily comprehensive after school programming consisting of academic, enrichment, and physical activity/recreational components to an adequate number of student participants to fulfill attendance requirements.
- Operate program until 6pm daily on every day regular day school is in session, to fulfill ASES attendance requirements.
- Work with the independent evaluator to collect and analyze data on student enrollment, attendance, academic performance, and student and parent satisfaction.

Oakland Leaf is aware of their responsibilities fiscally and programmatically for all compliance requirements if approved as lead agency. We are committed to upholding all of the responsibilities outlined in our application. We have been honored to partner with OUSD and we hope that we can continue to grow our partnership for future years.

Sincerely,

Melissa Mendez Ochoa
Executive Director
Oakland Leaf Foundation

Collaborative Partnerships

1. We achieve value alignment and prioritizing youth in decision making through several key methods. Our managers engage in daily and weekly informal meetings with school administration to address immediate concerns and maintain a steady flow of communication. Monthly meetings between managers and principals provide a structured opportunity to review progress and plan, with our Director of the Afterschool Programs joining quarterly. Our Executive Director meets with the Principal and Director of the Afterschool Programs annually to ensure alignment of values and goals.

Another method is active participation in school meetings to ensure shared values that support and honor the needs of youth. Our managers and Program Culture Leaders attend leadership meetings such as Coordination of Student Services Team (COST) and Student/Family Specific SST meetings to allow for targeted support and interventions. During the first month of the program, all direct line staff participate in classroom observations to identify best practices and implement in afterschool to ensure consistent and effective approach to youth support.

These strategies collectively ensure that we are consistently focused on supporting and honoring the needs of youth and fostering an environment of collaboration.

2. One of the core values of Oakland Leaf is providing opportunities for input from various stakeholders to ensure our agency remains accountable and committed to continuous improvement. We administer annual surveys to staff, youth, and parents/guardians to gather feedback on program impact, satisfaction, and areas for enhancement. Using analytical tools, we extract insights from the data and implement programmatic changes

based on this feedback. These changes are designed by our program manager team.

During the design process, we meet to get further input, creating a collaborative opportunity to adapt the changes according to the school's needs. All feedback results and plans for change are then shared with the stakeholders.

3. The long-standing partnership with America Scores, spanning over five years, has consistently provided valuable opportunities for skill-building among our students. Our partnership has been characterized by strong communication and shared values. Both organizations prioritize the well-being and development of youth, ensuring that programs are tailored to meet their needs and interests. The consistent collaboration and mutual support have allowed us to continuously improve and adapt the program, keeping it relevant and impactful.

Conversely, a partnership that presented challenges was with KidzToPro. The issues arose from mismatched expectations and communication gaps. In navigating this challenging partnership, we attempted to increase communication frequency and clarify expectations. Meetings were held to address specific concerns and realign the program's goals with student needs. However, the changes were not sufficient to fully turn the situation around. In retrospect, an early alignment of goals and expectations would have been crucial for achieving a successful outcome. A more thorough initial alignment with KidzToPro would have ensured both parties were on the same page from the start. Learning from this experience, we now emphasize the importance of actively meeting with potential partners, even those recommended by trusted sources, to ensure close alignment of needs and capacity to achieve intended outcomes.

Empowerment

4. Oakland Leaf's commitment to youth agency and youth leadership opportunities is ingrained in our values and manifests through initiatives aimed at empowering youth, amplifying their voices, and cultivating their leadership. Our framework ensures that students of all ages have opportunities to assume leadership roles ranging from serving as emcees for events to leading icebreakers and reflection. Additionally, we ensure projects are initiated by instructors, yet students are actively encouraged to take the lead in designing, planning, and implementation. By allowing this collaborative space and roles, we not only empower students but also foster a sense of program ownership.
5. Oakland Leaf's staff undergo training in the Building Intentional Communities and Oakland Leaf Restorative Justice curriculum to equip them with tools to establish inclusive and enriching environments as well as essential techniques for conflict resolution and community building. In addition, training sessions on classroom management and project-based learning strategies provide instructors with effective tools and techniques to support student engagement and cultivate youth leadership skills. We ensure that staff are well-prepared to create transformative learning experiences that nurture student engagement and foster leadership capabilities among the youth we serve.
6. We have implemented several shifts to prioritize youth voice and choice within our programs. One change involves our approach to external partnerships, where new partnership decisions are informed by youth to ensure our program offerings align closely with their interests and needs, fostering a sense of choice and ownership among students.. These efforts not only enable us to continuously refine our programmatic offerings but also empower youth by valuing their input and involving them in decision-making.

Safe and Supportive Spaces (up to 1 page - 20 points)

7. Oakland Leaf ensures youth feel a strong sense of belonging through various strategies. During the first three weeks of school, the first week after winter break, and weekly, we prioritize community-building activities to foster connection. Monthly assemblies celebrate student achievements and honor those exemplifying our core values. Daily program closings include “Much Loves,” where students and staff share appreciations, fostering community spirit. Students earn Leaf Dollars for positive behavior, which accumulate towards student-created rewards. These initiatives create safe, supportive spaces where students feel valued, acknowledged, and encouraged to thrive.
8. Our staff undergoes training at the start of school year or upon onboarding, focusing on Weikert’s Youth Program Quality Assessment Tiers related to Safe and Supportive Environments. This includes emotional safety, a healthy environment, emergency preparedness, behavior management, crisis management, and First Aid/CPR. In addition, we provide tools on session flow, engagement strategies, skill-building, and creating youth-centered spaces.. Staff are regularly observed using an internal tool to ensure adherence to safety and support standards. This approach ensures staff are prepared to create environments where youth thrive.
9. Oakland Leaf collaborates with our principals to provide a safe and supportive environment through a shared vision for a full-service community school district. We regularly evaluate and align our practices with OUSD policies. Our staff receives training on relevant guidelines and practices like SEL three signature practices. This approach ensures our programs meet and exceed OUSD standards, creating environments where students feel safe, supported, and empowered to learn and grow.

We adjust curriculum and activities to fit new circumstances, ensuring relevance and engagement. These strategies maintain a positive and supportive environment, supporting students through unexpected changes.

We actively solicit and incorporate input from parents and students to help us understand community needs, shaping the refinement of our services to remain relevant and aligned with stakeholder expectations. We are committed to tailoring services that address multifaceted needs.
- 14.** At Oakland Leaf, inclusivity is central. We supported a significant population of Extended School Year (ESY) students at one site, integrating them into both academic year and summer afterschool programs alongside their peers. To support ESY students effectively, we use personalized instructional strategies like tailored lesson plans and specialized tools for engagement and comprehension. Breaks and supportive environments help manage their energy levels and focus. Building strong relationships between ESY students and adult allies enhances academic engagement and emotional well-being. High participation rates among ESY students returning for summer programs highlight the success of our inclusive approach.

Strong Systems and Structures

- 15.** Oakland Leaf strategically allocates funds to ensure effective program implementation and sustainability. Our various funding streams support staffing, program design, and operational needs aligned with grant requirements and organizational goals. ASES funding supports critical managerial and academic mentor positions, covering salaries for a 10 months of Program Manager and 2 to 3 part-time academic mentors who provide essential student support. The Oakland Fund for Children and Youth (OFCY) expands our staffing by adding two months to the Program Manager contract and funds a full-time Program Culture Leader and part-time enrichment instructors, enhancing program offerings and operational management. ELOP funding supports a part-time academic coordinator and a part-time Kinder Instructor, strengthening academic support and capacity. Oakland Leaf leverages individual donors, foundations, and corporate partnerships to supplement costs for instructors and program partners, expanding programmatic scope and quality. Financially, we maintain stability with a healthy profit and loss statement and a \$193,000 reserve fund, alongside a \$200,000 line of credit for flexibility in addressing short-term financial needs. Our budget strategy ensures funding efficiency, aligns with program goals, and supports high-quality educational experiences for students, families, and the community.
- 16.** Oakland Leaf is dedicated to maintaining program quality and accessibility, especially amid potential fluctuations in ELO-P funding from California. We have a robust strategy to ensure continuity and support for our community. We actively seek grants, corporate sponsorships, and individual donations to diversify funding beyond ELO-P, reducing reliance on any single source. We prioritize operational efficiency, continuously

improving program delivery and administrative practices to maximize impact and reduce costs. Our sustainability plan includes scenario planning and contingency measures to manage funding uncertainties effectively, ensuring organizational resilience. We maintain reserve funds as a financial safety net, carefully managed to navigate funding gaps or challenges without compromising programs. These initiatives prepare Oakland Leaf to sustain current programming levels, ensuring high-quality educational and enrichment opportunities despite potential changes in ELO-P funding.

17. Oakland Leaf prioritizes compliance with CDE requirements, ensuring effective and inclusive programs through structured protocols. Administrative processes are meticulously designed by our Director of Finance & Administration and Director of Programs, with input from Program Managers, ensuring compliance before implementation. All-staff summer training includes comprehensive compliance training at every level. An example of a compliance success was that in 2023, all elementary sites met attendance targets, with one site achieving 2024 goals by May. Each site accommodated 2 to 3 TK/Kinder classes to meet community needs, and one site doubled enrollment compared to 2021-2022. A challenge that we faced in meeting compliance expectations in 2022-2023 was starting off with significant staffing shortages, making it challenging to meet the required staff-to-student ratios. This issue highlighted the need for a more robust staffing strategy and contingency planning. We were able to develop contingency plans for staff shortages and focused on enhancing recruitment efforts. Oakland Leaf strives to consistently exceed compliance expectations through continuous improvement, ensuring high-quality, impactful programs for all students.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make

Letter 1045 (DO/CG)

OAKLAND LEAF FOUNDATION

a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return. Because you will be treated as a public charity for return filing purposes during your entire advance ruling period, you should file Form 990 for each year in your advance ruling period.

OAKLAND LEAF FOUNDATION

that you exceed the \$25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If you distribute funds to individuals, you should keep case histories showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

MEETING AGENDA

TIME	AGENDA ITEM	FACILITATOR
6:00 - 6:20	<u>Welcome and Dinner</u> •	Monica, Chair
6:20 -6:25	<u>Check In</u>	Monica, Chair
6:25- 6:30	<u>Approval of minutes</u> • prior meeting minutes ○ Steven Tindall made a motion to approve. Leo Kremer seconds. All in favor.	Monica, Chair
6:30 - 6:50	<u>Q3 Report Out</u> • FY24 Board Report for Quarter 3 (Slides 1 to 21) Development Update: Submitted two Oakland Promise Request for Proposals (RFPs). ED has been focused on donor cultivation - reaching out to donors to schedule coffee chats or lunch. We received a gift from Workday for hosting a volunteer event in February. Our annual event had to be rescheduled to June due to low ticket sales and sponsorships. Lots of luck on the auction front. With the new date, only one person is not able to make new date. Donors who have purchased tickets that could not make the original date. Overall, we are still projected to fall under our fundraising goal this year by \$107k assuming with a new date we reach our \$110k goal for the event - we have received \$44k as of today, meaning we have to raise \$66k - last year during the event we raised \$67k. Question around what volunteer events look like - Events vary depending on the request from corporate lead, has been everything from hands on in our gardens to creating signs for our gardens. Hr, Finance & Ops Updates: Mid year staff survey has informed changes for the second half of the year. Over 85% of staff reported they feel happy to work at Oakland Leaf, feel a sense of accomplishment from their work, and know how their role helps meet the org's vision and mission. The biggest area	Melissa, ED

of growth continues to be professional Development. Onboarding improvements have shown impact with an increase in staff stating they feel more supported when starting compared to last winter results - however still not where we want to be. We are in the midst of moving, lots of spring cleaning.

Question regarding whether the professional development feedback is around wanting more of it or the content of it - the staff are asking that the topics are more relevant.

ASP

Sites are fully staffed which has helped our programs tremendously. Program Culture Leaders and Program Managers have been able to implement small group or one-on-one interventions for students that require it. In January the ASP team launched a new lesson plan template, there has been a lot of positive feedback from our direct staff. Submission of our weekly overview lesson plan template has been increasing. Bret Harte students are enthusiastically participating in school sports and winning most of their games. Bret Harte's boys basketball, Girls basketball, and soccer all participated in Oakland Athletic League (OAL) playoffs. Space continues to be a challenge for our ASP sites. Bret Harte Attendance continues to be a struggle not just for us but for daytime - already projected to not make their 2024 ADA number, this could result in a grant reduction. Collaborating with the daytime on intervention to reach out to students on the chronic absentee list or in danger of being on the list.

Question around how OAL works - The district runs the league, any OUSD middle school can sign up.

Question around wanting to know more about space issue - With ELOP we now serve more students, at our charter campuses ELOP is funding parallel programs at the same time and at OUSD teachers are getting paid to stay for 15-30 minutes to do literacy intervention with students. This means we are getting less access to spaces but serving more students.

Comment on how attendance is a nationwide issue there was a recent NY times article about chronic absenteeism.

Internships

LCS and Roots interns have participated in a series of professional development workshops such as time management, finance literacy, and effective communication. In the upcoming months they will learn about resume building and interviewing 101. Garden Club Resumed - A sense of community has been cultivated at each garden club, and the increase in student voices that we hear during enrichments.

Summer Camps

	<p>Planning is in full swing - hosting two camps one at ICS TCN and one at BH. Our goal is to enroll 360 students between both camps. Students will attend 3-4 hours of academic support with daytime teachers and then transition to our camp from 1230 PM to 630 PM. The camp is being fully staffed by our strongest ASP teachers.</p> <p>Questions round how long camp takes place - it is a 5 week camp.</p>	
6:50 - 7:30	<p><u>Executive Report</u></p> <ul style="list-style-type: none">  FY24 Board Report for Quarter 3 (Slides 22 to 42) <p>Office Lease We are moving in two weeks into our new space. The new space will not be a shared space with other non profits but will be fully our space. This will result in a reduction to rent next fiscal year.</p> <p>Board suggested we do a small celebration in the new space.</p> <p>Org Goals: Our org goals have been set for next fiscal year, the goals are based on the last year of our current strategic plan. Our first strategy of Enhance Programming will have three goals: 1)Implement Oakland Leaf quality curriculum across sites on a consistent basis, 2) Strengthen our RJ and SEL practices, 3) Further strengthen our internship program in terms of workforce development Our second strategy of Invest in People will have three goals 1) Increase staff development and trainings 2) Enhance and elevate onboarding 3) Strengthen/Formalize opportunities for advancement. Our third goal of Measure impact will have one goal focused on strengthening the building blocks of being a true data driven and learning organization. Our fourth goal of Strengthen Brand will have one goal focused on developing a strong fundraising plan for the organization</p> <p>FY25 Org Changes</p> <p>Directors went through a SWOT analysis but also mapped our financial-programmatic impact for all programs to decide what changes we need to make for next year. In addition, there are projected revenue changes to our income next year. Due to OUSD new ELOP funding policy based on 2024 Average Daily attendance numbers, we are losing some ELOP funding - total of \$249k. This will mostly balance out with us enrolling less students and thus hiring less instructors, the reduction of instructors is \$215k and no longer partner with Girls Inc at ICS TCN resulting in \$45k savings.</p> <p>We will be cutting the Attendance Clerk position from all sites unless they meet criteria of open campus - only one site, Cleveland meets that requirement. This change is a savings of \$115k.</p>	Melissa, ED

We will be adding Academic Coordinators to help with our academic component and college/career awareness initiative. Any site that has 60% of students who are below literacy level will get a coordinator. This is all our sites but Cleveland. This will be an increase of \$83k. However this position expansion is still contingent on if we receive Oakland Promise funding.

The proposed budget in June for next fiscal year will show all returning staff receiving a 3.2% cost of living adjustment. This is an increase of \$85k. Staff have been informed there will be no performance increases due to budget constraints.

Our internship department is getting a big change. Our Love Cultivating Schoolyards will no longer have two components: the internship piece and after school garden club. We are removing the internship component of LCS and it will solely focus on the Garden Club component. The ELOP funding from cutting the attendance clerk position will be used to cover the cost of Garden Club. Our current LCS interns will be moved to our Roots internship, meaning our Roots program will expand and be assigned to support LCS Garden Manager. Due to this we hope to add a 0.5 FTE Roots Manager to hold this program. This shift in the internship department will be a \$4k savings overall but give LCS a more sustainable funding.

Looking ahead, OUSD will release their RFP process. OUSD has a list of approved afterschool lead agencies, principals can only contract with agencies on that list. Every 3 years this list gets updated based on the RFP. This process will take place during the summer. In the Fall, principals will go through exploration phase where they can re-evaluate their lead agency. This would be our chance to add a school site. As of right now, all our OUSD principals have expressed wanting to stay with Oakland Leaf. Once school site partnerships are confirmed, City of Oakland releases RFP for Oakland Fund for Children of Youth (OFCY) which is the funding that supplements our ASES and ELOP funding. This is a 3 year grant award.

With change in LCS model, we hope to create a funding model. Just like Girls Inc serves as a lead agency but also a subcontractor for other lead agencies - we want to replicate that model for our LCS garden club. How do we run garden clubs for other lead agencies like Girls Inc, EBAYC, EBAC, etc?

ASP Partnerships

With OUSD RFP coming up, we need to discuss if we want to expand or stay with current agencies. We will need to make a decision during summer - other questions to explore. Do we want to stay focused on East Oakland or open up to Oakland? Do we want to change to just be an elementary ASP lead agency? Do we want to add a MS to our list so it is not just Bret harte?

	ED shared that 3 sites reach out this year with hopes of OL interviewing to be the lead agency.

INDEPENDENT AUDITOR'S REPORT

December 18, 2023

Board of Directors
Oakland Leaf Foundation
Oakland, California

Opinion

I have audited the accompanying financial statements of Oakland Leaf Foundation (a nonprofit public benefit corporation), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oakland Leaf Foundation as of June 30, 2023, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Oakland Leaf Foundation and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oakland Leaf Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oakland Leaf Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oakland Leaf Foundation's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

OAKLAND LEAF FOUNDATION
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE A – NATURE OF ACTIVITIES

Oakland Leaf Foundation (Organization) is a California nonprofit public benefit corporation incorporated in December 2002 to cultivate community transformation through creative education for youth and families. Their vision is to embolden youth and families to be creative leaders who actualize a more loving, just, and vibrant Oakland. They support youth to be critical and creative thinkers, make healthy and safe decisions for themselves and the environment, navigate their lives, and approach life with curiosity and a desire to learn. The Organization is supported primarily through grants and contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method and Basis of Presentation

The accounting records of the Organization are maintained on the accrual basis of accounting. The financial statements of the Organization have been prepared in accordance with ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*, which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Organization to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

OAKLAND LEAF FOUNDATION
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months, which are neither held for nor restricted by donors for long term purposes.

Fair Value Measurements

The Organization's financial instruments include cash and cash equivalents measured using Level 1 inputs. Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. U.S. GAAP establishes a fair value hierarchy that prioritizes investments based on those assumptions. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Organization groups assets at fair value in three levels, based on the markets in which the assets are traded, and the reliability of the assumptions used to determine fair value. These levels are:

- **Level 1**— Quoted prices for identical assets in active markets.
- **Level 2**—Observable inputs other than Level 1, which include quoted prices for similar assets in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument.
- **Level 3**— Unobservable inputs that cannot be corroborated by observable market data.

Grants Receivable

Grants receivable are primarily due from governmental agencies and non-profit organizations. The Organization evaluates the collectability of its receivables on an ongoing basis and records a provision for potential uncollectible receivables when appropriate. Management did not consider an allowance for doubtful accounts necessary as of June 30, 2023.

Property and Equipment

The Organization records depreciation on its property and equipment expenditures in excess of \$5,000 on a straight-line basis using the following estimated useful lives:

Computer equipment and software:	3 Years
Furniture and fixtures:	5 Years

Maintenance and repairs are expensed as incurred.

OAKLAND LEAF FOUNDATION
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition - Contributions

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Revenue Recognition – Contract Earnings

A portion of the Organization's revenue is derived from cost-reimbursable grants, which are conditioned upon the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. The Organization has \$4,464,419 in cost-reimbursement grants that have not been recognized at June 30, 2023 because qualifying expenditures have not yet been incurred. No amounts have been received in advance under the cost-reimbursable federal and state grants.

Functional Allocation of Expenses

The costs of program activities and supporting services have been summarized on a functional basis in the statements of functional expenses. The statement presents the natural classification of detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Indirect costs such as general and administrative expenses include costs that are not directly identifiable with any specific program, but which provide the overall support and direction of the Organization. Such expenses which are common to multiple functions have been allocated among the various functions benefited based on time and effort spent in the area or on the space used.

In-kind Contributions

In-kind contributions are recorded at the respective fair values. In-kind contributions received are \$82,975 for the year ended June 30, 2023. In addition, the Organization receives use of facilities space(s) for carrying out their program. The value of the donated use of facilities cannot be quantified and is therefore not included in the accompanying financial statements.

OAKLAND LEAF FOUNDATION
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Relevant Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842). The new standard establishes a comprehensive new lease accounting model. It clarifies the definition of a lease and causes lessees to recognize leases on the statement of financial position as a lease liability with a corresponding right of use asset for leases with a lease term of more than one year. It is effective for financial statements issued for fiscal years beginning after December 15, 2021, and interim periods within those fiscal years. The standard requires a modified retrospective transition for capital or operating leases existing at or entered into after the beginning of the earliest comparative period presented in the financial statements, but it does not require transition accounting for leases that expire prior to the date of initial application. The Organization adopted the standard on July 1, 2022. The Organization elected the 'package of practical expedients', which permitted the Organization not to reassess under the new standard its prior conclusions about lease identification, lease classification, and initial direct costs; and all of the new standard's available transition practical expedients. In addition, the Organization adopted the practical expedients of using the risk-free interest rate and the short-term lease definition. The adoption of the standard resulted in no change to Organization's financial statements.

NOTE C - INCOME TAX

The Organization has received tax exempt status under Section 501(c)(3) of the Internal Revenue Code, Section 23701(d) of the State of California Revenue and Taxation Code. The Organization's tax returns are subject to examination by federal and state taxing authorities generally for three years after they are filed. The Organization has no unrelated business income, and management has analyzed the tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

NOTE D - PROPERTY AND EQUIPMENT

Property and equipment by major classes at June 30, 2023 are as follows:

Furniture and equipment	\$ 20,894
Accumulated depreciation	<u>(17,412)</u>
	<u>\$ 3,482</u>

Depreciation expense for the year ended June 30, 2023 was \$6,965.

To Whom It May Concern:

At Cleveland Elementary School, we've been working with the Oakland Leaf organization to manage our afterschool program for the last two years, starting in August 2022. We have had an incredible experience that has benefited our students and our entire community.

In the winter and spring of 2021-22, we had an intensive experience in looking for a new partner to manage our after school programs. We were moving from a stable program that had little innovation or clear communication with the site who was looking to shrink the number of schools they were working with, and our community was a little nervous about the change and possible impacts. Through the search, it became very clear that very few organizations had a values-based model that they were looking to replicate at other schools, and that of those few, Oakland Leaf was the stand out. They had many programs in place (such as restorative justice support and academic support) that actually matched with our school and district plans, which was a stark contrast to other programs.

Once selected, they immediately partnered with us in identifying staffing and staffing models to support the school. We collaborated on a site director and they went above and beyond to find staffing, especially in the challenging fall of 2022 when programs across the state were struggling to find staff. They proactively worked with the site, the community, and our district to not only fully staff our program, but to make sure that families with the most need were the ones who were supported first.

Since they were selected, the program director and I have worked closely with multiple meetings and check ins per week to make sure the program is running smoothly and students are getting the individual support needed. Additionally, Oakland Leaf has provided a number of community and student surveys that they have implemented to assess the program. The Executive Director and the central after school program staff have had regular meetings with me where they discussed the data they collected and what changes or improvements they had identified to address the data, all the while asking for my own input and making sure that our most needy families receive the support they need.

Our working relationship has been a joy and has provided a ton of support for our entire community—even outside those students enrolled in Oakland Leaf. We could not be happier with the organization and their programs, and highly recommend that they maintain and expand their relationships with Oakland Unified. Thank you and please reach out with any further questions!

June 18, 2024

To Whom It May Concern,

I am writing this letter to recommend Oakland LEAF as an after school provider for OUSD.

My name is Raquel Rodríguez Jones and I am the principal of International Community School (ICS). I have been the principal of ICS for two years. Oakland LEAF has been the after school provider for those two years.

Oakland LEAF has been a responsive and collaborative partner in the education of ICS students. Communication with the Oakland LEAF coordinator, Ana Ivy Peña, is always well received and timely. We meet early on to generate goals for the school year, create avenues for the general ed teachers and the ASP teachers to meet and collaborate, and to collaboratively brainstorm a program that will meet the academic and creative needs of the students. We meet regularly to check in and problem solve any issues that might arise. Ana Ivy is always highly responsive and attentive to the needs of the students and a great thought partner. Ana Ivy is always available to discuss a student's needs when needs issues arise.

This year especially the ASP program has worked to offer a wider variety of programs to better meet the needs of students and to publicize these offerings to families.

I know that students are happy with the after school program because the ASP program staff survey the students and have shared the results with me. I am pleased that students find the ASP offerings fun and interesting.

For the general ed teachers of ICS, they appreciate that homework help continues to be a priority with the ASP staff and to support this the ASP staff purchased a chromebook cart to support students' access to online educational platforms.

I hope that the Oakland LEAF after school program is re-approved as a lead agency for the 2025-2028 school years.

I can be reached at 510-499-4683 if any further information is needed.

Thank you,

Raquel Rodríguez Jones
