Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent

Lisa Grant-Dawson, Chief Business Officer

Jenine Lindsey, General Counsel

Meeting Date June 11, 2025

Subject Tentative Agreement between the Oakland Education Association and the

Oakland Unified School District- Budget Adjustments

Ask of the Board Approval of the Tentative Agreement between the Oakland Unified School District

and the Oakland Education Association in compliance with Government Code section 3547.5, all applicable AB 1200 disclosure requirements, and all necessary

follow-up actions as determined by the Alameda County Office of Education.

Background On April 30, 2025, ACOE received a Public Disclosure of Collective Bargaining

Agreement (CBA) and Tentative Agreement (TA) between OUSD and OEA as required by Government Code (GC) Section 3547.5 and Assembly Bill (AB) 1200 (Statutes of 1991, Chapter 1213). The TA in its entirety is attached to the

legislative file.

Discussion Government Code 3547.5(a) states: "Before a public school employer enters into a

written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer in a format established for this

purpose by the Superintendent of Public Instruction."

AB 1200 (specifically Government Code section 3540.2) requires: "A school district that has a qualified or negative certification . . . shall allow the county office of education in which the school district is located at least 10 working days to review

and comment on any proposed agreement made between the exclusive

representative and the public school employer, or designated representatives of the employer, pursuant to this chapter. The school district shall provide the county superintendent of schools with all information relevant to yield an understanding

of the financial impact of that agreement." In response, "[t]he county

superintendent of schools shall notify the school district, the county board of

education, the district superintendent, the governing board of the school district, and each parent and teacher organization of the district within those 10 days if, in his or her opinion, the agreement reviewed pursuant to subdivision (a) would endanger the fiscal well-being of the school district."

Fiscal Impact

See AB 1200 Public Disclosure for fiscal impact details.

MEMORANDUM OF UNDERSTANDING BETWEEN OAKLAND UNIFIED SCHOOL DISTRICT AND

OAKLAND EDUCATION ASSOCIATION

Impacts and Effects of Budget Adjustments Effective July 1, 2025

Memorandum of Understanding ("MOU") between Oakland Unified School District ("District") and Oakland Education Association ("OEA"), collectively "Parties" regarding Budget Adjustments effective July 1, 2025.

WHEREAS, the Board of Education approved elimination and additions effective July 1, 2025 school year;

WHEREAS, OEA, the exclusive representative of impacted by the approved changes identified impacts and effects to the bargaining unit;

WHEREAS, OEA proposed changes through good faith negotiation of the impacts and effects; and

WHEREAS, the Parties share an interest in promoting harmonious labor relations and increasing morale in the District;

- 1. **STIP Subs.** The District will fund-a minimum of (65) sixty-five FTE STIP positions for the 25-26 school year. These position assignments will prioritize high needs schools as determined by the District. With the exception of STIP Subs centrally assigned (i.e. to support Early Childhood (ECE), STIP subs will continue to be site-based. The parties recognize that the main priority of STIP subs is to cover teacher absences of any length at their site.
- 2. **11-month teachers at hard-to-fill high schools.** Teachers at Castlemont, Fremont and McClymonds High Schools will continue to have 11-month assignments through the end of the 2025-2026 school year using supplemental and/or concentration carryover funds.
- 3. Nurses. The Union understands that the 2 vacant FTE nurse positions for caseload

- reduction per 21.9 will not be filled in the 2025-26 school year due to lack of available funding. To the extent feasible, these positions will be filled in the following year if funding is available.
- 4. **ELD and Continuation Teachers.** The Union agrees to withdraw its proposed language on ELD teachers in recognition that the impact is currently moot or has been addressed through other means. However, the Union expressly reserves the right to revisit and reintroduce this proposal in future negotiations should circumstances materially change.
- 5. Info Requests: To demonstrate a good faith effort to explore resolutions, The Union agrees to withdraw RFI 25-17 (financial analysis of budget cuts) and RFI 25-22 (budget savings per board resolution) and Unfair Labor Practice Charges SF-CE-3654-E (RFI on HBGB Communication), SF-CE-3653-E (RFI on Transformational School Redesign Communications) and SF-CE-3659-E (RFI on school closure plan communications), effective as of the date of this Agreement.
- 6. All fiscal impacts of this MOU are contingent upon a determination by the Alameda County Office of Education that the combined financial impact of all tentative agreements with OUSD labor partners reached in the 2024-2025 school year do not endanger the fiscal well-being of the District. The Board's ratification of the agreement shall occur within 15 days of receipt of the AB 1200 letter from ACOE with such a determination.
- **7.** In recognition of the Parties need to prioritize impact bargaining and the shared interest in cultivating improved labor relations, the Parties agree to continue successor contract negotiations through the Fall of 2025.
- **8.** Expiration. This MOU resolves the impacts and effects to unit members of budget adjustments effective July 1, 2025. This MOU is non-precedent setting and expires without prejudice on June 30, 2026.

Public Disclosure of Collective Bargaining Agreements
General Instructions

Requirement to Disclose for Public Review:

Assembly Bill 1200 Public Disclosure of Proposed Collective Bargaining Agreements requires local educational agencies to publically disclose the provision of all collective bargaining agreements before entering into a written agreement. Government Code (GC) Section 3547.5 states:

"Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer."

- Please make the disclosure document available for public review prior to the governing board taking action on the proposed bargaining agreement. The entire collective bargaining disclosure document, including multiyear projections, the Superintendent / CBO certifications and assumptions, and board actions needed in current and subsequent years, must be reviewed by the board prior to board action on the agreement.
- ▶ If the District would like a formal letter indicating ACOE review, please indicate on the form and provide at least 10 working days prior to the date needed for board action.
- The manner in which the public is made aware of the proposed agreement and its availability for public inspection and review is at the discretion of the district. Districts may select one or more methods for communicating to the public as long as notification includes the public at large and is not limited to district parents only. The standard disclosure document should be utilized and be available for public review.

Requirement to Submit to ACOE:

- ▶ Districts with a qualified or negative certification MUST submit documents to the County Office for review and comment at least 10 working days prior to the date of board action. This includes any modification to existing agreements(s). [GC 3540.2]
- Within 45 days of adopting a collective bargaining agreement, the superintendent of the school district shall forward to the County Superintendent of Schools any revisions to the school district's current year budget that are necessary to fulfill the terms of that agreement. [GC 42142]
- All required documents to be submitted to the County Office with each collective bargaining are indicated in blue on this page.

What to Disclose:

Any time a contract is reopened with an impact on "any area of the existing contract", financial or non-financial, a disclosure of the proposed agreement must be made. This is especially applicable to multiyear agreements that are tied to projected cost of living adjustments in the subsequent years. Once an actual percentage rate and dollar increase is established, that salary increase must be disclosed even though it may have been partially budgeted.

- ▶ If the only change is non-financial and in language only, please describe the agreement in the Narrative section (Page 2) and put N/A in the financial sections.
- Please complete separate documents for each collective bargaining agreement, but if more than one agreement is discussed at the same time, you may summarize the financial impact of "all" agreements (further instructions provided on the forms).
- The District must conduct a fiscal impact analysis of the settlement for ALL FUNDS affected, and disclose the potential for deficits in any fund as a result of the settlement and the potential impact of such deficits on the General Fund.
- Attach a copy of the proposed bargaining agreement to each disclosure form. Tentative Agreements submitted to the County Office should be signed by all the necessary and represented parties.

CERTIFICATION FORMS:

Certificate of Affordability

- ► The Certificate of Affordability Certification of the District's Ability to Afford the costs of a Collective Bargaining Agreement must be signed by the District Superintendent and Chief Business Official (CBO) at the time of public disclosure and submitted to County Office. "I hereby certify" or "I am unable to certify" must be checked by both signers.
- The Superintendent's and CBO's certifications are meant to be independent of one another.
- ► The certifications serve as additional information provided to the board regarding the affordability of the proposed agreement before the board takes action on the agreement.
- ► The certifications should be accompanied by:
 - The fiscal planning assumptions that are used in making the certification.
 - Any qualifying comments made by the Superintendent and/or CBO that speak to the agreement's affordability within the context of the district's entire budget.
- The absence of a certification signature or a check on the "I am unable to certify" line does not prevent a board from taking action on an agreement. However, if a board approves an agreement missing a certification signature or with the "I am unable to certify" checked, it is still expected to adopt the budget revisions needed to pay for the agreement.
- The Alameda County Office of Education (ACOE) will process any payroll adjustments reflected in an agreement, even if the superintendent and/or CBO do not provide certifying signatures. However, the absence of a certification signature or if the "I am unable to certify" box is checked serves as an alert to the ACOE to carefully analyze and review the district's ability to fund the agreement.
- Within 45 days of adopting a collective bargaining agreement, or prior to, or with its next interim report submission (or budget submission if the agreement is adopted after the submittal of the district's Second Interim Report), whichever comes first, any budget revisions to the school district's current year budget that are necessary to fulfill the terms of the agreement must be forwarded to the ACOE. If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the County Superintendent of Schools is required to issue a qualified or negative certification of the district's next interim report (Ed Code Section 42142).

Certification of Board Action

- ► The **Certification of Board Action** must be signed by the District Superintendent at the time of public disclosure and submitted with the completed disclosure forms to the County Office.
- After the Governing Board takes action on the proposed agreement, Certification of Board Action must be signed by the Board President or Clerk and resubmitted to the County Office.

Public Disclosure of Collective Bargaining Agreements Specific Instructions

- * Complete Page 1 for each Bargaining Unit.
- * If multiple bargaining unit agreements are settled concurrently, show combined fiscal impact in pages 2-5.
- * The MYP should combine the impact of all bargaining units.
- * If a settlement results in significant impact to funds other than the General Fund, please provide disclosure (pages 1 5) for the other funds
- * Is a Retroactive payroll anticipated? If so, please provide a cashflow with an estimated timeline of when this will impact the District's General Fund cash.

Certificate of Affordability

In Year 1, include the costs associated with any one-time payments in the One-time line and the on-going cost to be incurred in Year 1 in the On-going line.

In Year 2, include any one-time costs to be paid in year 2, and the ongoing cost, above the most recently approved MYP. In Year 3, include any one-time costs to be paid in year 3, and the ongoing cost, above the most recently approved MYP. The "Total" line and "Cumulative cost over 3 years" column will be auto-calculated.

Cost over current budget / MYP	Year 1	Year 2	Year 3	Cumulative cost over 3 years
One-time	600,000	-	-	600,000
On-going	1,000,000	1,015,000	1,030,225	3,045,225

In this example, there is a one-time payment that totals \$600,000 in the current year, plus an ongoing increase to the salary schedule that will cost \$1,000,000 in the current year. The ongoing increase will cost \$1,000,000 + a step and column of an additional 1.5% in year 2. In Year 3, the Year 2 amount is increased by another 1.5%. The Cumulative cost column provides an estimate of the total cost of this settlement over the current and two subsequent years.

Please indicate whether budget revisions will be necessary.

If revisions will be necessary, provide the details in the table below, or, if more detail is needed, in an attachment.

The Certificate of Affordability - Certification of the District's Ability to Afford the costs of a Collective Bargaining Agreement - must be signed by the District Superintendent and Chief Business Official (CBO) at the time of public disclosure. "I hereby certify" or "I am unable to certify" must be checked by both signers.

The Superintendent's and CBO's certifications are meant to be independent of one another.

The certifications serve as additional information provided to the board regarding the affordability of the proposed agreement before the board takes action on the agreement.

The certifications should be accompanied by:

- The fiscal planning assumptions that are used in making the certification.
- Any qualifying comments made by the Superintendent and/or CBO that speak to the agreement's affordability within the context of the district's entire budget.

The absence of a certification signature or a check on the "I am unable to certify" line does not prevent a board from taking action on an agreement. However, if a board approves an agreement missing a certification signature or with the "I am unable to certify" checked, it is still expected to adopt the budget revisions needed to pay for the agreement.

ACOE will process any payroll adjustments reflected in an agreement, even if the superintendent and/or CBO do not provide certifying signatures. However, the absence of a certification signature or if the "I am unable to certify" box is checked serves as an alert to the ACOE to carefully analyze and review the district's ability to fund the agreement.

Within 45 days of adopting a collective bargaining agreement, or prior to, or with its next interim report submission (or budget submission if the agreement is adopted after the submittal of the district's Second Interim Report), whichever comes first, any budget revisions to the school district's current year budget that are necessary to fulfill the terms of the agreement must be forwarded to the ACOE. If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the County Superintendent of Schools is required to issue a qualified or negative certification of the district's next interim report (Ed Code Section 42142).
