## **Board Cover Memorandum**

**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent

Lisa Grant-Dawson, Chief Business Officer Rebecca Littlejohn, Risk Management Officer

Meeting Date Jun 25, 2025

Subject Approval by the Oakland Unified School District Board of Education for Insurance

Premium Payments for the 2025-2026 Fiscal Year

Ask of the Board

Approval by the Board of Education for membership contributions, Fiscal Year 2025-2026, for Excess Workers' Compensation, procured from PRISM a Joint Powers Authority (JPA), in the amount of \$904,000 and Excess General Liability and Property Coverage through Northern California ReLiEF ("NCR") JPA in the amount of \$4,178.073.

**Background** 

The District is permissibly self-insured for purposes of California Workers' Compensation coverage. The ultimate risk of such self-insurance is limited by the purchase of excess workers' compensation coverage above the self-insured retention ("SIR") level, which currently is \$500,000 per claim. The District joined PRISIM (formally CSAC Excess Insurance Authority) in 2018 (retroactive Enactment Number 19-1022) for the purpose of Excess Workers' Compensation coverage. Limits are statutory.

Additionally, the District self-insures its risk of property & general liability coverage through membership in Northern California ReLIEF ("NCR"), which is a Joint Power Authority ("JPA") composed of school districts and administered by Keenan & Associates. The District currently has a Member Retained Limit ("MRL") of \$250,000 for both property and liability with other lines of coverage (Equipment Breakdown, Crime, Cyber Liability, Electronic Data Processing, and Active Assailant) all which have lower MRLs as outlined in the attached *proforma*. The limits for liability coverage is \$75 Million and the limits for property coverage is \$500 Million.

Discussion

Renewal for the PRISIM excess Workers' Compensation program has slightly increased in comparison to the prior year. The increase is due to an increase in payroll, which is being seen in many public agencies. The District's experience modification factor (ExMod) has decreased by over 15%, which is a positive result of a decrease in open claims as well as both claim frequency and severity were lower. This shows our program is performing better every year.

The proposed JPA membership contribution to NCR (which functions similarly to an insurance premium) has increased approximately six (6) percent. The increase is a result of both Average Daily Attendance (a portion of how our District Member Retained Limit is calculated) and Total Insured Value of our property. Additionally, overall insurance rates for California K-12 schools have gone up as a result of a hard market that is being affected by social inflation and nuclear verdicts related to AB218 cases.

#### **Fiscal Impact**

Funding for the excess insurance is covered under Fund 67 (Self Insurance Fund), Resource Code 9030 (Workers' Compensation), not to exceed \$904,000 and Fund 67, Resource Code 9031 (Property & Liability), not to exceed \$4,178,073.

# Public Risk Innovation, Solutions, and Management (PRISM) 2025/26 Budget Estimates, February 2025

#### Oakland Unified School District

This second round of estimates have been prepared to further aid you in budgeting for the 2025/26 fiscal year. Since the initial version provided in October, we have updated the budget estimates to reflect the estimated 2025/26 exposure information submitted via the renewal applications and losses evaluated as of 6/30/2024. At the direction of the Board of Directors, the estimates provided are intended to be conservative; however, final premiums may be in excess of these estimates. PRISM has contemplated surcharge debits into these estimates. Surcharge credits from the prior year are not included. Pool rates and reinsurance/excess premiums are still estimated and pending Board approval in March therefore, we recommend you budget towards the high end of the range.

If you are aware that you have had any substantial changes over the past 12 months, please contact Sarah Bishop and a better estimate will be developed for you.

23/24 Premium:	\$765,669	2023/24 Estimated Payroll:	\$365,686,081
24/25 Premium:	\$829,008	2024/25 Estimated Payroll:	\$395,692,722
25/26 Estimated Premium:	\$869,000 to \$904,000	2025/26 Estimated Payroll:	\$426,321,063

PRISM pool rates are updated in this round of budget estimates, but are pending PRISM's Board approval in March of 2025. We have updated the budget estimates to reflect the estimated 2025/26 exposure information submitted via the renewal applications and losses evaluated as of 6/30/2024. Reinsurance/Excess Premiums are estimated with assumptions applied at this time. Administrative costs and fees are also estimated. Members who reported payroll exposure increases greater than 5% over last year, may see premium increases that are higher than the range provided in October. If your agency has directed us to apply the 2023/24 payroll audit to your 2025/26 premium, it has been included in the total collection shown. If you have decided to handle the payroll audit outside of the renewal premium, the estimated premium shown is the estimated total collection. As noted in the introduction, these estimates also do not contemplate any premium credits based on loss experience.
