Subject: LBU Memo: Project #25039 - Districtwide - Solid Waste Handling and Recycling & Composting and Prevention Services

The LBU Compliance Team has conducted a review of the Local Business Participation guidelines in conjunction with the following project(s):

Project: 25039 **Project Site(s):** Districtwide

Name: Solid Waste Handling and Recycling & Composting

Analysis:

Our review has determined that the funding source for the above project (Fund 01) is not currently monitored under the Local Business Policy. Given this information, it is our determination that the project is to be exempt from the 50% minimum Local Business Participation requirement. If the firm selected to provide services for the project outlined above is indeed a certified, local firm(s), then their work may count as an LBU value add for the District; however participation is not required.

LBU Recommendation:

EXEMPT (Fund Source)

If you have any questions, please feel free to contact our team at any time.
