Subject: ERRATA - Correction By Adopted Legislative File No., Title or Name of Legislative
File - Board Assigned 2024-2025 School Year Resolution Number

ACTION REQUESTED

Adoption by the Board of Education of Resolution No. 2526-0176 - ERRATA - Correction By Adopted Legislative File, Title, or Name of Legislative File - Board Assigned 2024-2025 School Year Resolution Number.

BACKGROUND/DISCUSSION

At the end of June 2025 Board staff discovered that two different departments inadvertently had been assigned for use during the 2024-2025 School Year the same block of Resolutions numbers. To the extent used by both departments, it resulted in duplication of approximately six (6) Resolution Nos. in Board adopted documents for 2024-2025. Staff has now revised the Resolution No. assignment process and the check of use process each time a Resolution No. is proposed in pending legislation which should prevent any duplication of Resolution Nos. in legislation going forward.

The Board is requested to adopt Resolution No. 2526-0176 which will reassign and update Resolution Nos. for the six legislative files mentioned in the Resolution.
