Subject: Amendment No. 1, Environmental Site Assessment Consulting Services for Modernization Project for Garfield Elementary School, 1640 22nd Avenue, Oakland, CA 94606 (District Project No. 22102)

Dear Mr. Esposito:

Per your request, Terraphase Engineering is submitting this amendment request to augment the scope and budget associated with preliminary soil sampling in conjunction with the environmental site assessment currently underway for the proposed Garfield Elementary School Modernization Project (Project No. 22102).

Soil Sampling Work Scope

Terraphase proposes the following scope that will be undertaken during the geotechnical sampling at the Garfield Elementary School campus.

Terraphase will collect up to 3 soil samples at each of the four proposed geotechnical borings advanced by others. Samples will be collected at the surface in unpaved areas or directly below the aggregate base layer in paved areas, and at depths of 1 to 1.5 feet below ground surface (bgs) and 2 to 2.5 feet bgs. Samples will be transferred from the stainless-steel liners used to advance the geotechnical borings into pre-cleaned jars provided by the laboratory. Between each boring and sample depth, Terraphase assumes that new stainless-steel liners or decontaminated liners will be used. Samples collected at the surface or directly beneath the aggregate base will be submitted for analysis of metals by United States Environmental Protection Agency (USEPA) Method 6010/7471, organochlorine pesticides by USEPA Method 8081, polycyclic aromatic hydrocarbons by USEPA Method 8270 SIM, and asbestos by Polarized Light Microscopy. The deeper samples will be submitted and placed on hold pending laboratory results of the shallow samples. Following receipt of all analytical data, Terraphase will prepare an email summary of the results along with a table presenting the results compared to applicable screening criteria.

Amendment No. 1, Environmental Site Assessment Consulting Services for
Modernization Project for Garfield Elementary School, 1640 22nd Avenue,
Oakland, CA 94606 (District Project No. 22102)

Proposed Fee

The scope of work is limited to sample collection, analysis, and communication of results. The proposed scope assumes the soil sampling will be completed by one Terraphase field staff in one 8-hour day. The estimated budget to complete this scope of work is \$9,131, which includes a 10 percent contingency. The 10 percent contingency has been included to account for analysis of the deeper samples or for samples that require Soluble Threshold Limit Concentration or Toxic Characteristic Leaching Procedure extraction and leachate analysis. The Amendment would increase the contract budget from \$10,670 to \$19,801, which includes a total contingency fee of \$1,800.

Table 1 Proposed Fee

OAKLAND UNIFIED SCHOOL DISTRICT GENERAL SERVICES AGREEMENT

This general services agreement (“Agreement”) is made and entered into effective **May 15, 2025** (the “Effective Date”), by and between the Oakland Unified School District (“District”) and **Terraphase Engineering Inc.** (“Contractor” and together with District, the “Parties”).

1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): Environmental Site Assessment Consulting Services for the Garfield Elementary School Modernization Project (“Project”), (as further described in **Exhibit A** to this Agreement). Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by **Terraphase Engineering Inc.** consultants are specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall begin on **May 15, 2025**, and shall end on **December 31, 2025** (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** Either Party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other Party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums; (3) Contractor is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor’s insolvency; or (6) Contractor or Contractor Parties fail to comply with or make material representations as to the fingerprinting, criminal background check, and/or tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor’s receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on the hourly rates listed in **Exhibit B** for Services satisfactorily performed. Contractor shall not increase these hourly rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **Ten Thousand Six Hundred Seventy Dollars (\$10,670.00)**, which consists of a not-to-exceed amount of **Nine Thousand Seven Hundred Dollars (\$9,700.00)** for performance of the Basic Services, and a not-to-exceed contingency amount of **Nine Hundred Seventy Dollars (\$970.00)** for performance of any Additional Services. Contractor acknowledges that the not-to-exceed fee for Basic Services, above, includes contingency compensation in the foreseeable event that more time and costs may be necessary to complete the Basic Services. Contractor shall perform all Basic Services required by the Agreement even if the not-to-exceed amount for performance of the Services has already been paid and no more payments will be forthcoming. District agrees to make payment within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly. Contractor will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 **Reimbursement for Certain Expenses.** Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

6. **Indemnity.** Contractor shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Contractor, the Contractor Parties or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Contractor's obligations under this Agreement, including, but not limited to Contractor's or the Contractor Parties' use of the site, Contractor's or the Contractor Parties' performance of the Services, Contractor's or the Contractor Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, "Equipment") which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is

furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District's reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor's liability, or indemnification obligations set forth in Section 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with a combined single limit not less than \$1,000,000 each occurrence; (iii) worker's compensation insurance as required by Labor Code section 3200, et seq.; and (iv) professional liability insurance covering errors and omissions. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor's insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** The Parties agree that Contractor is free from the control and direction of District in connection with Contractor's performance of the Services. Contractor is hereby retained to provide the specified Services for District, which are outside the usual course of District's business. Contractor certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor and the Contractor Parties and otherwise in connection with this Agreement.

11. **Fingerprinting/Criminal Background Investigation Certification.** Contractor and the Contractor Parties shall at all times comply with the fingerprinting and criminal background investigation requirements of the California Education Code ("Education Code") section 45125.1. Before performing any Services, Contractor shall execute and return the District's Fingerprinting Notice and Acknowledgement form and the required certification (see *Exhibit C*).

Contractor further agrees and acknowledges that if at any time during the Term of this Agreement Contractor learns or becomes aware of additional information which differs in any way from the information learned or provided pursuant to Section 45125.1, or Contractor or Contractor Parties add personnel who will provide Services under this Agreement, Contractor shall immediately notify District and prohibit any new personnel from interacting with District students until the fingerprinting and background check requirements have been satisfied and District determines whether any interaction is permissible.

12. Tuberculosis Certification. Contractor and the Contractor Parties shall at all times comply with the tuberculosis ("TB") certification requirements of Education Code section 49406. Accordingly, by checking the applicable boxes below, Contractor hereby represents and warrants to District the following:

A. ☒ Contractor and Contractor Parties will **only have limited contact or no contact** (as determined by District) with District students at all times during the Term of this Agreement.

B. ☐ The following Contractor and Contractor Parties will have **more than limited contact** (as determined by District) with District students during the Term of this Agreement and, at no cost to District, have received a TB test or risk assessment in full compliance with the requirements of Education Code section 49406:

_____. [Attach and sign additional pages, as needed.]

Contractor shall maintain on file the certificates showing that the Contractor and Contractor Parties were examined and found free from active TB. These forms shall be regularly maintained and updated by Contractor and shall be available to District upon request or audit.

Contractor further agrees and acknowledges that all new personnel hired to provide Services under this Agreement after the Effective Date of this Agreement by Contractor and Contractor Parties are subject to the TB certification requirements of Education Code section 49406 and shall be prohibited from having any contact with District students until the TB certification requirements have been satisfied and District determines whether any contact is permissible.

13. Confidential Information. All District information disclosed to Contractor during the course of performance of services under this Agreement shall be treated as confidential and shall not be disclosed to any other persons or parties excepts as authorized by District or required by law. Contractor shall maintain the confidentiality of, and protect from unauthorized disclosure, any and all individual student information received from the District, including but not limited to student names and other identifying information. Contractor shall not use such student information for any purpose other than carrying out the obligations under this Agreement. Upon termination of this Agreement, Contractor shall turn over to District all educational records related to the Services provided to any District student pursuant to this Agreement.

14. Assignment/Successors and Assigns. Contractor shall not assign or transfer by operation of law or otherwise any or all of its rights, burdens, duties or obligations under this Agreement without the prior

written consent of District. Subject to the foregoing, this Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the respective Parties.

15. **Severability.** If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

16. **Amendments.** The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both Parties and approved by the District's governing board.

17. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Alameda, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

18. **Written Notice.** Written notice shall be deemed to have been duly served if delivered in person to Contractor at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

19. **Compliance with Law.** Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. Contractor shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances, including but not limited to fingerprinting under Education Code section 45125.1 and confidentiality of records. Contractor agrees that it shall comply with all legal requirements for the performance of duties under this Agreement and that failure to do so shall constitute material breach.

20. **Non-Discrimination.** There shall be no unlawful discrimination in the contracting of persons under this Agreement because of race, color, national origin, age, ancestry, religion, sex, or sexual orientation of such persons.

21. **Attorneys' Fees.** If a party to this Agreement commences a legal action against the other party to enforce a provision of this Agreement or seek damages related to the services provided under this Agreement, the prevailing party in the legal action will be entitled to recover from the other party all of its reasonable litigation expense, costs, and fees actually incurred, including reasonable attorneys' and experts' fees.

22. **Liability of District.** Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost profits in connection with this Agreement.

23. **Time.** Time is of the essence for performance of the Services under this Agreement.

24. **Waiver.** No delay or omission by either Party in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude either Party from any or further exercise of any right or remedy.

25. **Reports.** Contractor shall maintain complete and accurate records with respect to the Services rendered and the costs incurred under this Agreement, including records with respect to any payments to employees and subcontractors. All such records shall be prepared in accordance with generally accepted accounting procedures. Upon request, Contractor shall make such records available to District for the purpose of auditing and copying such records for a period of five years from the date of final payment under this Agreement.

26. **Ownership of Documents.** All plans, studies, drawings, calculations, reports, specifications, estimates, and other documents or any other works of authorship fixed in any tangible medium of expression, including but not limited to physical drawings, data magnetically or otherwise recorded on computer disks, or other writings prepared or caused to be prepared by the Contractor under this Agreement (“Documents”) shall be and shall remain the property of the District for all purposes, not only as they relate or may relate to the Services but as they relate or may relate to any other project. Contractor will provide the District with a complete set of Documents, and will retain, on the District's behalf, the originals or reproducible copies of all Documents, however stored, in the Contractor's files for a period of no less than fifteen (15) years. Contractor shall promptly make available to District any original documents it has retained under this Agreement upon request by the District.

27. **Licensing of Intellectual Property.** This Agreement creates a non-exclusive and perpetual license for the District to copy, use, modify, reuse or sublicense any and all copyrights, designs and other intellectual property embodied in the Documents (“Intellectual Property”) not only as they relate or may relate to the Services but as they relate or may relate to other projects. The Contractor shall require any and all subcontractors and subconsultants to agree in writing that the District is granted a similar non-exclusive and perpetual license for the Intellectual Property of such subcontractors or consultants that they provided to Contractor as part of the Services. The compensation for the Services includes compensation not only for any such use of the Intellectual Property in connection with the Services, but also for any re-use of the Intellectual Property by the District in relation to other projects. Contractor represents and warrants that Contractor has the legal right to license the Intellectual Property that Contractor, its subcontractors, or its subconsultants prepare or cause to be prepared under this Agreement.

28. **Entire Agreement.** This Agreement is intended by the Parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.

29. **Ambiguity.** The Parties to this Agreement, and each of them, hereby represent that the language contained herein is to be construed as jointly proposed and jointly accepted, and in the event of any subsequent determination of ambiguity, all Parties shall be treated as equally responsible for such ambiguity.

30. **Execution of Other Documents.** The Parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be

necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

31. **Execution in Counterparts.** This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

32. **Warranty of Authority.** The persons who have signed this Agreement warrant that they are legally authorized to do so on behalf of the respective parties, and by their signatures to bind the respective parties to this Agreement.

33. **Mediation.** A party to this Agreement shall, as a condition precedent to initiating any litigation against the other party, demand mediation of any dispute. The parties shall endeavor to include any third party claimant in the mediation. The parties shall select a mediator and schedule the mediation within thirty (30) days of the initial demand for mediation. If the parties cannot agree on a mediator, the mediator shall be appointed by JAMS. The parties to the mediation, including the parties to this Agreement, shall pay equal shares of the mediator's fees. Each party shall bear its own attorney's fees related to the mediation.

34. **Forms.** Prior to performing any Services, Contractor shall prepare, execute, and submit all forms that may be required by law for this Agreement, including but not limited to disabled veteran business enterprises ("DVBE") certification (Education Code §17076.11) and an Iran Contract Act certification (Public Contract Code §2204). If a form is necessary, Contractor shall use the District's versions of these forms, which the District shall make available upon request.

35. **Sanctions in Response to Russian Aggression.** The District is using State of California funds for this Contract, and therefore Contractor must comply with the Governor's March 4, 2022, Executive Order N-6-22 ("Order") relating to any existing sanctions imposed by the United States government and the State of California in response to Russia's actions in Ukraine, including additional requirements for contracts of \$5 million or more. Failure to comply may result in the termination of the Contract.

36. **Designation of Key Personnel.** The individuals specified in the attached *Exhibit D* shall provide the services set forth herein, and shall be the persons primarily in charge of such work. No other individuals may provide services for Contractor on the this project without first obtaining the written approval of the City Manager.

37. **Conflict of Interest.** Contractor warrants that neither Contractor nor any of its employees, agents, or subcontractors has an actual or potential conflict of interest with the District in respect to the Services to be performed under this Agreement for the District. None of such individuals shall, during this term of this Agreement, acquire any interest which conflicts, or could potentially conflict, in any manner with the interests of the District.

38. **Notice to Proceed; Progress; Completion.** Upon execution of this Agreement by the parties and approval of it by the District's governing board, District shall give Contractor written notice to proceed with the Services. Such notice may authorize Contractor to render all of the Services contemplated herein, or such portions or phases as may be directed by the District. In the latter event, District shall, in its sole discretion, issue subsequent notices from time to time regarding further portions

or phases of the Services. Upon receipt of such notices, Contractor shall diligently proceed with the Services authorized and complete it within the agreed time period.

39. **California Residency.** Contractor is a resident of the State of California.

Subject: Letter of Interest: Request for Qualifications and Proposal (RFQ/P) for Environmental Site Assessment Consulting Services for the Interim Housing and Modernization Project for Garfield Elementary School, 1640 22nd Avenue, Oakland, CA 94606 (District Project No. 22102)

Dear Ms. Chatman:

Terraphase Engineering Inc. (Terraphase) is pleased to submit our response to the Oakland Unified School District (District, or OUSD) Request for Qualifications and Proposal (RFQ/P) to provide Environmental Site Assessment Consulting Services for the Garfield Elementary School Modernization Project (Project). We have developed the attached proposal based on the RFQ/P as well as documents related to the Project's Schematic Design and Addendum #1, which is hereby acknowledged as received.

Terraphase is headquartered in Oakland and is a **City of Oakland Certified Local Business Enterprise**. Many of our families have been educated through the OUSD system and we are proud to have worked with the District on multiple projects over the past decade. As a former student of OUSD schools, Ms. Hale Price appreciates the opportunity to submit a response to this RFQ/P.

Terraphase has provided environmental services to 40+ California K-12 and community college districts as well as charter schools in support of local and State bond programs for new development and modernization projects. Terraphase has worked closely with District staff to complete projects at multiple campuses, including California Environmental Quality Act (CEQA) documentation, environmental site assessments, and investigations. Terraphase prepared the CEQA documentation for the Central Kitchen, Urban Farm, and Education Center Project in 2015, the Laurel Childcare Center Modification Project in 2021, and Roosevelt Middle School in 2024, and has supported multiple environmental and geotechnical investigations.

Assessment Consulting Services for the Interim Housing and Modernization Project for Garfield

Elementary School, 1640 22nd Avenue, Oakland, CA 94606 (District Project No. 22102)

Ms. Julie Welch, REPA, will serve as the technical reviewer for the Phase I ESA. She is experienced in overseeing multi-site real estate due diligence portfolios for various entities, including local agencies, developers, banks, commercial, industrial, and private clients, and educational facilities.

Ms. Hale Price, Ms. Radtke, and Ms. Welch all qualify as "Environmental Professionals" per ASTM International 2021 guidelines and U.S. Environmental Protection Agency (USEPA) "All Appropriate Inquiry" requirements.

Certification Statements

- Terraphase Engineering Inc. received a copy of the District's Agreement attached as Exhibit A to the RFQ/P. Terraphase Engineering Inc. has reviewed the indemnity provisions in Exhibit A and insurance requirements contained in the Agreement. If given the opportunity to contract with the District, Terraphase Engineering Inc. has no objections to the use of the Agreement.
- Terraphase Engineering Inc. certifies that no official or employee of the District, nor any business entity in which an official of the District has an interest, has been employed or retained to solicit or assist in the procuring of the resulting contract(s), nor that any such person will be employed in the performance of any/all contract(s) without immediate divulgence of this fact to the District.

Authorized Person

The name and title of the person authorized to submit the RFQ/P Packet on behalf of Terraphase is: Alice Hale Price, PE, Principal Engineer and Director of Oakland Operations. Ms. Hale Price's signature is provided at the end of this letter.

Closing

Terraphase is grateful for the opportunity to offer our services to the District once again. If you have any questions or comments regarding this submittal, please contact Alice Hale Price, PE, at (510) 645-1850 extension 57.

Sincerely,

for Terraphase Engineering Inc.

3.5 Scope of Work

Task 1. Phase I ESA

Terraphase will prepare a Phase I ESA for the Project site in accordance with: ASTM E1527-21, the United States Environmental Protection Agency (USEPA) 40 CFR 312 "Innocent Landowners, Standards for Conducting All Appropriate Inquiries"¹ (AAI rule), adopted November 1, 2006, and most recently amended on December 15, 2022^{2,3}. The Phase I ESA reports will be prepared under the oversight of an environmental professional as defined in ASTM E1527-21.

We propose performing the following Phase I ESA tasks in general accordance with ASTM guidelines. The scope of work for a Phase I ESA consists of the following eight elements: (1) user responsibilities, (2) physical setting sources, (3) government records, (4) historical resources, (5) site reconnaissance, (6) owner/operator/occupant interviews, (7) local government interviews, and (8) evaluation/report preparation. In addition to a standard environmental records database report, Terraphase will procure an *EDR Environmental Lien and AUL Search Report*, which provides results from a search of available *current* land title records for environmental cleanup liens and other activity and use limitations, such as engineering controls and institutional controls.

Prior to performing the site reconnaissance, we will perform a preliminary review of relevant documents provided by the subject property owner or representative. Requested information and documentation include:

- Names, titles, and contact information for current and past site owners, operators, and tenants.
- Prior environmental due diligence documentation.
- Site layout maps (showing current and past land use, utilities, etc.).
- Copies of all environmental and building material testing/mitigation reports done for the site.
- Historical geological/geotechnical reports.
- Information regarding title reports, environmental liens filed or recorded against the property, and activity and/or land-use restrictions for the property.

During the site reconnaissance, Terraphase staff will endeavor to traverse what we identify to be key portions of the subject property by foot or vehicle to perform a visual inspection of major on-site features.

¹ <https://www.ecfr.gov/current/title-40/chapter-I/subchapter-J/part-312?toc=1>.

² Please note that AAI defines certain client responsibilities beyond just having a Phase I ESA completed; thus, Terraphase strongly encourages its Phase I ESA clients to become familiar with the AAI rule to understand what must be done by the client to fully demonstrate AAI and achieve the full benefit of AAI "liability protections."

³ Terraphase understands from the District's response to Question #2 included in the Addendum that the non-ASTM E1527-21 items identified in the DTSC guidance (DTSC 2001) and California Code of Regulations (CCR) Title 22 Section 69104 are not requested to be included in the Phase I ESA.

Owner and user (client) knowledge of environmental issues related to the subject property is required in a subsequent Phase I ESA report. This information will be obtained through owner and user questionnaires, which will be provided upon authorization. We request that both questionnaires be completed and returned to Terraphase within one week of authorization.

Issuance of Phase I ESA Report

The Phase I ESA report discussed herein is solely for the benefit of the client. Terraphase will issue the report to the client and grant the client the right to rely on the report contents. Although not required by ASTM E1527-21, recommendations for additional assessment (if necessary) will be included in our report unless otherwise requested.

If another entity requests the right to rely on the report, we will consider the request and will grant a right-to-rely letter for an additional fee (with the client's authorization). Also note that all third-party reliance is subject to the same terms and conditions as set forth in the Master Services Agreement established between Terraphase and the client.

Task 2. Recommendations and DTSC Coordination

Terraphase will develop recommendations to be included in the Phase I ESA report based on the findings of the research. The recommendations will include a statement indicating:

- Further investigation of the subject property is not warranted.
- A preliminary endangerment assessment (or Phase I ESA Addendum) is needed to further evaluate potential environmental impacts.

In addition, Terraphase will assist the District in submitting the Phase I ESA to DTSC.

If a Phase II investigation or preliminary endangerment assessment is warranted based on the findings of the Phase I ESA, Terraphase will provide a proposal for additional services, as requested by the District.

Optional Tasks

Terraphase has included optional tasks as follows for the District to consider, outside of the scope of work directly outlined in the RFQ/P:

- (Optional) Task 3: 1940 Chain of Title Search: Terraphase has included the *EDR Environmental Lien and AUL Search Report* in Task 1. This report provides results from a search of available *current* land title records for environmental cleanup liens and other activity and use limitations, such as engineering controls and institutional controls, but is not a full "chain of title" search. Terraphase can procure a Chain of Title search which traces the property's ownership back to 1940, if requested by the District; however, this is not within the typical scope of a Phase I ESA per ASTM E1527-21.
- (Optional) Task 4: Additional DTSC Communications: Terraphase has included up to four hours of technical time in Task 2 for correspondence with the District and DTSC regarding the findings of the Phase I ESA. If, based on the findings of Tasks 1 and 2, Terraphase recommends further investigation, DTSC coordination will require additional time to develop a scope of work and participate in meetings. Terraphase has included up to 18 hours of technical time for this optional task.

Relevant Assumptions

Terraphase has developed this scope of work and the cost estimate under the following assumptions:

- Access to the subject property will be provided within a mutually agreed upon schedule, and Terraphase will be provided contact with person(s) knowledgeable of the properties to interview as part of the due diligence scope of work.
- The site reconnaissance visit can be completed within a four-hour time period.
- Terraphase personnel will have an on-site escort that will provide access to the target areas of the subject property as requested by Terraphase.

EXHIBIT B

Hourly Rates

- All permits, records, data, regulatory correspondence and other files and documents requested from the property owners will be provided to Terraphase within one week of project initiation.
- Additional "Non-Scope Considerations" as defined in ASTM E1527-21 are not included in the proposed scope of services.
- Terraphase has included up to four hours of technical time to provide recommendations and respond to DTSC comments; if further time is required, Terraphase will provide a proposal for additional services, as requested by the District.

3.5.1 Litigation History

There are no judgments against Terraphase nor any other evidence of liability of Terraphase during the past 5 years preceding this response to the RFQ/P.

Terraphase's 5-year summary of litigation, arbitration, and negotiated/settled history with previous clients is provided below.

Entity Bringing Suit:	Terraphase Engineering Inc.
Complaint:	Breach of contract
Accusation:	Contract was breached; client did not inform Terraphase of any issues with invoices and failed to pay them.
Outcome:	Dispute was resolved without further litigation.

4 Professional Fees

4.1 Fee

We propose to provide the scope of services described as Tasks 1 and 2 of this proposal for the following time-and-materials not-to-exceed cost estimate. This cost estimate and associated rates schedule assume that work will be completed prior to January 2025.

	Base Fee
Task 1. Phase I ESA	\$8,700
Task 2. Recommendations and DTSC Coordination	\$1,000
Contingency Budget (Requires PM Approval)	\$970
Project Total	\$10,670

In addition, if requested, Terraphase has included the following time-and-materials not-to-exceed cost estimates for the two optional tasks described above.

	Base Fee
Optional Task 3: Chain of Title	\$1,200
Optional Task 4: Additional DTSC Communications	\$5,000

4.2 Hourly Rates

The following table provides the schedule of fees for Terraphase; rates for support and clerical staff are included. Rates are inclusive of all overhead costs. Terraphase is pleased to offer the District a 10 percent discount from our 2025 Standard Schedule of Charges.

Labor Classification	Standard Hourly Rate	Hourly Rate with 10% Discount

Fingerprinting Notice and Acknowledgement Form

FINGERPRINTING NOTICE AND ACKNOWLEDGEMENT
FOR ALL CONTRACTS EXCEPT WHEN CONSTRUCTION EXCEPTION IS MET
(Education Code Section 45125.1)

Other than business entities performing construction, reconstruction, rehabilitation, or repair who have complied with Education Code section 45125.2, business entities entering into contracts with the District must comply with Education Code sections 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. (Education Code §45125.1(a).)
2. You shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Education Code section 45122.1. (Education Code §45125.1(e).) See the lists of violent and serious felonies in ***Attachment A*** to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in ***Attachment B*** to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section 45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a).

(Education Code §45125.1(h).)

I, as VP of HR *[insert "owner" or officer title]* of Terraphase Engineering Inc.
[insert name of business entity], have read the foregoing and agree that Terraphase Engineering Inc.
[insert name of business entity] will comply with the requirements of Education
Code §45125.1 as applicable, including submission of the certificate mentioned above.

ATTACHMENT A

Violent and Serious Felonies

Under Education Code sections 45122.1 and 45125.1, no employee of a contractor or subcontractor who has been convicted of or has criminal proceedings pending for a violent or serious felony may come into contact with any student. A violent felony is any felony listed in subdivision (c) of Section 667.5 of the Penal Code. Those felonies are presently defined as:

- (1) Murder or voluntary manslaughter.
- (2) Mayhem.

Certificate Disclaimer

Alliant Insurance has recently updated their Certificate of Liability procedures to minimize unnecessary errors and to help clients and certificate holders understand the limitations and provisions outlined in their insurance policies. We will do so by adhering to the recommendations found in the recent Acord form manual and by staying compliant with state statute WAC 284-30-355 and (ORS)744.074(1)(e). Alliant aims to ensure clarity and accuracy in coverage interpretation while also protecting the interests of its clients and certificate holders.

While we can still add specific details such as job numbers, contract names, event dates, or specific locations on certificates, it's crucial to note that Alliant cannot bind our insurers to anything beyond what is specified in the endorsement. If the Additional Insured box is checked, individuals can refer to the Additional Insured endorsement attached to their certificate for detailed coverage information.

Ultimately, coverage is determined by the policy, its terms, and individual endorsements, and as established by the contract between the Named Insured and the Additional Insured. If there are any further inquiries or requests for clarification, please do not hesitate to reach out to us for further assistance.
