BUDGET PROCESS & TIMELINE

A young girl with dark hair, wearing a bright green zip-up hoodie, is focused on writing in a notebook at a wooden desk. She is holding a black pen. To her right, another student's hands and arms are visible, also writing. The background shows other students in a classroom setting, slightly out of focus. The image is partially covered by a purple diagonal overlay on the right side.

FINANCING CONSTRUCTION OPTIONS

- We are still finalizing costs related to upcoming construction. Current estimated cost range is ~\$1.5M - ~\$2M
- We expect to be able to finance the bulk of these costs via a bank loan (minus down payment). We are in the process of talking to potential lenders and obtaining specific financing term information

ACADEMIC BENEFITS

- Teacher planning partnerships and collaboration
- More opportunities for cross classroom intervention and support
- Shared professional development between schools, leveraging each site's strengths

ASPIRE PUBLIC SCHOOLS NETWORK CAN EFFICIENTLY AND EFFECTIVELY FACILITATE MERGER

- We can leverage region-wide communities of practice for alignment and improvement
- We can consolidate systems for maximum efficiency and effectiveness
- We communicate, operationalize, and respond to the needs of our families in Oakland

THANK YOU!
