# Board Cover Memorandum

**To** Board of Education

**From** Denise Saddler, Interim Superintendent  
Sondra Aguilera, Chief Academic Officer  
Jessica Cannon, Executive Director, Early Learning

**Meeting Date** November 12, 2025

**Subject** Calendar Change for 11 PKs on Elementary School Campuses (Allendale, Bridges, Brookfield, Fruitvale, Garfield, OAK, Lockwood STEAM, MLK, Prescott, Reach, Sankofa)

---

**Ask of the Board** Review and approve the proposed calendar change

**Background** These sites would shift from Full-Day, Full-Year to Full-Day, Part-Year programs, operating 180 days per year and closing during major school breaks (Thanksgiving, Winter, Spring) and the summer period.

This proposed change reflects ECE's efforts to balance the needs of families with the operational realities and staffing challenges at these single-classroom preschool sites. These sites were originally operated as part-day programs and were converted to full-day models in recent years in response to community need for longer and more flexible care post-pandemic. However, over the past year, a number of site-specific challenges connected to operating these PKs when the elementary schools are not in session have emerged.

**Justification:**

**1. Site-Based Operational Challenges:**

These CSPP classrooms are embedded within elementary schools, which are closed during district-wide breaks. During these times, campuses lack custodial, administrative, and security services. There is no principal or site support, and operating a single classroom on a closed campus has raised safety and supervision concerns.

2. Family Attendance Patterns:

Historically, attendance during school breaks has been significantly lower with an average of 15-20% attendance at PKs located on Elementary School campuses during Elementary School Vacations. Many children have older siblings at home during these times, and with ELOP programs closed, families often opt to keep all children home or use alternate arrangements. These patterns further reduce the viability of maintaining operations during breaks.

**Discussion**

**Mitigation and Support Measures for Families:**

The Early Childhood Education Department is committed to providing vacation care for families who need care.

- Summer enrollment at CDCs will be offered to families at PKs on elementary campuses. These families will be given priority spaces at schools close to their home base.
- We will create and distribute a Summer Child Care Resource Guide (Updated Yearly), which includes free and low-cost summer programs, along with contact information for BANANAS, Inc., our local child care resource and referral agency.
- We will partner with families who have urgent childcare needs over vacations to find support for them

**LABOR IMPLICATIONS**

OEA - Currently, our CDC teachers in these 11 classrooms are a mix of 186 day teachers and 208 day teachers. We do not want to change anyone's contract. Teachers who are on a 208 day contract will support other classes whose teachers may be on vacation during the days they are scheduled to work.. As teachers retire or move on from these classes, we will fill new positions with 186 day contracts so that all OEA members on Elementary School campuses have the same schedule.

SEIU - Instructional Assistants can work up to 233 days because their vacation time is based on years with SEIU. IAs are already moved to other sites if their work calendars fall on a time that their class is closed. Nothing will change.

ENGAGEMENT - During the month of September, ECE is surveying families and staff to gauge community feelings about this proposal. As of September 11, the response has been very positive. We will be prepared to share full results by October 1.

**Fiscal Impact**

California State Preschool Programs are funded through a contract with the State. Our allocation is based on days of attendance. attendance has been so low at these sites that we do not anticipate any major changes. Additionally, we will be able to better plan staffing schedules which will reduce expenses.

**INSTRUCTIONS:**

1. Contractor Name: Enter the contractor's name.
2. Vendor Number: Enter the contractor's vendor number.
3. County: Select the contractor's headquartered county from the drop-down menu.
4. Contract Type(s): Select the contracted program type(s). Check all that apply.
5. Calendar: Click on the date for the days of operation and enter an uppercase 'X' for all days the program will serve subsidized children during the FY 2025-26 contract period (Center-Based programs and CFCC). AP and R&R programs should mark the days the program office is open for business. The total number of days marked with a capital letter 'X' for each contract will constitute each contract's MDO. The totals for "Days of Operation," "Quarter Subtotals," and "Total Days of Operation" will then automatically calculate. Please verify accuracy.
6. Minimum Days of Operation: If your MDO has changed from the previous year, please provide a brief explanation in the space provided.
