

CONSTRUCTION UPDATE: Oakland Tech High School

September 2025

Oakland Unified School District is continuing to invest in Oakland Technical High School, located at 4351 Broadway.

From the summer of 2024 to now, OUSD has completed multiple projects aimed at addressing needs throughout the site. This included replacing the asphalt throughout the campus, installing a battery backup station which will support the District's sustainability goals, gymnasium improvements in partnership with Under Armour and Eat.Learn.Play (including re-finishing of gymnasium floors, new basketball hoops, new scoreboards and shot clocks, and wall pads), restroom renovations, and new paint at the gymnasiums and the exterior of the gymnasium buildings. The projects are listed below.

Recently Completed Projects:

- **Battery Backup**
- **Under Armour/Eat.Learn.Play partnership Gym Renovations**
- **Asphalt Paving**
- **Exterior Paint**
- **Interior Paint at Boy's and Girl's Gymnasiums**
- **Window Replacement at Boy's Gymnasium**
- **Restroom Renovations at Boy's Gymnasium**

We appreciate your support and cooperation to help make these important improvements for Oakland Technical High School.
