**MEASURE N
CONTINGENCY / RESERVE FUND
OVERVIEW & BALANCES**

Measure N revenue that was not allocated to schools (a.k.a. 90%) and administration (a.k.a. 10%), shall be held in reserve and maintained as a "Contingency Fund" also known as the "Reserve Fund." The Measure N Commission will allocate money from this Contingency Fund to address any negative financial impact to high schools due to rising overall high school student enrollment count, Measure N revenue shortfalls, or due to the expiration of Measure N's ten-year term (2024-25). In addition, if approved by the Measure N Commission, these additional funds can be used to provide schools with additional funds to support site visits or innovative programs and pilots that may contribute to better student outcomes as outlined by Measure N.

*The Contingency/Reserve Fund balance for year 1 of Measure N, Fiscal Year 2015-2016, is money that was not allocated to schools because it was the first year, "Planning Year."

*The per pupil allocation was at \$200 for most schools and at \$400 for SSI schools (instead of \$850 per pupil).

*SSI Schools that received the \$400 per Pupil allocation: Castlemont, Fremont, and McClymonds

*Schools that were awarded extra funds via the "Measure N Innovation Grant" in fiscal year 2015-2016: [CCPA](#), [LIFE](#), [Bunche](#), [Dewey](#), [Rudsdale Continuation](#), [Oakland International High School](#).

These negative amounts were related to the Charter Schools and the Administrative 10% budget. They were absorbed by the Measure N Contingency Reserve Fund and offset by an increase (deposit) to the Measure H Contingency Reserve Fund. This adjustment was made to reduce the Measure H Carryover allocations for the affected sites in FY 2024-25, resulting in a deposit to the Measure H CRF. The total amount in negatives is \$808,838.27.	28

	2024-2025	\$650.91		\$260,972.36	The amount of \$650.91 deposited represents the total Measure N revenue collected in FY 2024-25. MEASURE H CONTINGENCY / RESERVE FUND OVERVIEW & BALANCES

Measure H Contingency Fund is revenue that was not spent during year-1, and shall be held in reserve and maintained as a "Contingency Fund" also known as the "Reserve Fund." The Measure H Commission will allocate money from this Contingency Fund to address any negative financial impact to high schools due to rising overall high school student enrollment count, Measure H revenue shortfalls, or due to the expiration of Measure H's 14-year term (2037).

- The Contingency/Reserve Fund balance for year 1 of Measure H, Fiscal Year 2023-2024, is revenue that was received, but not allocated to schools. Measure H revenue was not used the first half of the school year. Instead, we used the Measure N Contingency Funds to pay for all of the salaries and some expenditures for the 26 schools and the Measure H Admin 10% for the first half of the school year (July-December 2023).
- By spending down the Measure N Contingency Funds first, we were able to offset the costs for Measure H in year-1.
- The unused Measure H funds in 23-24 was used to create the Measure H Contingency/Reserve Fund.

Year of Measure H Term	Fiscal Year	Amount deposited in the Reserve Fund	Amount withdrawn from the Reserve Fund	Reserve Fund Balance	Notes	# of schools served & Admin 10%
1	2023-2024	\$4,900,621.86		\$4,900,621.86	The \$4,900,621.86 amount deposited, represents the 1st Deposit; the initial allocation to create the Measure H Contingency Reserve Fund. Revenue received; however, it was not allocated to the schools or Admin 10%. Balance as of 6/30/2024.	27
2	2024-2025	\$808,838.27		\$5,709,460.13	The \$808,838.27 amount deposited represents the overpayments made in FY 2023-24 from Measure N, which resulted in a negative balance. These negative amounts were related to the Charter Schools and the Administrative 10% budget. They were absorbed by the Measure N Contingency Reserve Fund and offset by an increase (deposit) to the Measure H Contingency Reserve Fund. This adjustment was made to reduce the Measure H Carryover allocations for the affected sites in FY 2024-25, resulting in a deposit to the Measure H CRF.	28
2	2024-2025	\$578,335.07	-\$113,050.00	\$6,174,745.20	The \$578,335.07 amount deposited represents the 2nd Deposit to the Measure H Contingency Funds. The Measure H Revenue collected this year was higher than the total required to fund schools at the \$850 per pupil rate. The amount deposited is considered revenue received; however, it was not allocated to the schools or Admin 10%. The -\$113,050.00 amount withdrawn is to grant a One-Time Allocation to the Young Adult Program site 308. Balance as of 6/30/2025.	28
