The Contractor and the Owner agree that all of the documents listed in Article 1.1.1 of the General Conditions form the “Contract Documents” which form the “Contract.” The Contractor and its subcontractors must use the Owner’s program software KAHUA, INC. for projects.

### ARTICLE III. TIME TO COMPLETE AND LIQUIDATED DAMAGES.

Time is of the essence in this Contract, and the time of Completion for the Work (“the Contract Time”) shall be seventy-five (75) calendar days which shall start to run on (a) the date of commencement of the Work as established in the Owner’s Notice to Proceed, or (b) if no date of commencement is established in a Notice to Proceed from Owner, the date of Contractor’s actual commencement of the Work (including mobilization). The Owner anticipates that the Contract Time will start to run on **February 16, 2026**, in which case the deadline for Completion would be **May 2, 2026**.

The site for the Contract will not be available to the Contractor for construction on the following dates: N/A. The Contractor shall not be entitled to time extensions for lack of access to the site on these dates.

Failure to Complete the Work within the Contract Time and in the manner provided for by the Contract Documents, or failure to complete any specified portion of the Work by a milestone deadline, shall subject the Contractor to liquidated damages. The actual occurrence of damages and the actual amount of the damages which the Owner would suffer if the Work were not Completed within the Contract Time, or if any specified portion of the Work were not completed by a milestone deadline, are dependent upon many circumstances and conditions which could prevail in various combinations and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages. Damages which the Owner would suffer in the event of such delay include, but are not limited to, loss of the use of the Work, disruption of activities, costs of administration and supervision, third party claims, and the incalculable inconvenience and loss suffered by the public.

Accordingly, the parties agree that \$1,000.00 per calendar day of delay shall be the damages which the Owner shall directly incur upon failure of the Contractor to Complete the Work within the Contract Time or Complete any specified portion of the Work by a milestone deadline, as described above. Liquidated damages will accrue for failure to meet milestone deadlines even if the Contractor Completes the Work within the Contract Time.

In addition, Contractor shall be subject to liquidated damages, or actual damages if liquidated damages are not recoverable under law, for causing another contractor on the Project to fail to timely complete its work under its contract or for causing delayed *completion* of the Project. The actual occurrence of damages and the actual amount of the damages which the Owner would suffer if another contractor on the Project were to fail to timely complete its work under its contract or delay *completion* of the Project are dependent upon many circumstances and conditions which could prevail in various combinations and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages. Damages which the Owner would suffer in the event of such delay include, but are not limited to, loss of the use of the Work, loss of use of the other contractor’s work, loss of use of the Project, disruption of activities, costs of administration and supervision, third party claims, the incalculable inconvenience and loss suffered by the public, and an Owner’s inability to recover its delay damages from the contractors whose work was delayed by Contractor.

Accordingly, the parties agree that \$1,000.00 for each calendar day of delay shall be the amount of damages which the Owner shall directly incur upon Contractor causing another contractor on the Project to fail to timely complete its work under its contract or causing delayed *completion* of the Project.

For Contractor's obligations regarding claims against Owner from other contractors on the Project alleging that Contractor caused delays to their work, see General Conditions sections 3.7.4, 3.16 and 6.2.3.

If liquidated damages accrue as described above, the Owner, in addition to all other remedies provided by law, shall have the right to assess the liquidated damages at any time, and to withhold liquidated damages (and any interest thereon) at any time from any and all retention or progress payments, which would otherwise be or become due the Contractor. In addition, if it is reasonably apparent to the Owner before liquidated damages begin to accrue that they will accrue, Owner may assess and withhold, from retention or progress payments, the estimated amount of liquidated damages that will accrue in the future. If the retained percentage or withheld progress payments are not sufficient to discharge all liabilities of the Contractor incurred under this Article, the Contractor and its sureties shall continue to remain liable to the Owner until all such liabilities are satisfied in full.

If Owner accepts any work or makes any payment under the Contract Documents after a default by reason of delays, the payment or payments shall in no respect constitute a waiver or modification of any provision in the Contract Documents regarding time of Completion, milestone deadlines, or liquidated damages.

#### **ARTICLE IV. PAYMENT AND RETENTION.**

The Owner agrees to pay the Contractor in current funds **TWO HUNDRED FIFTY-NINE THOUSAND SEVEN HUNDRED TWO DOLLARS NO/100 (\$259,702.00)** for work satisfactorily performed after receipt of properly documented and submitted Applications for Payment and to make payments on account thereof, as provided in the General Conditions.

The above contract price does not include any special allowances. The above contract price includes a general contingency allowance of **THIRTY-TWO THOUSAND DOLLARS NO/100 (\$32,000.00)** to pay any additional amounts to which the Contractor may be entitled under the Contract Documents other than special allowances.

Any payment from a special allowance or general contingency allowance ("Allowance") is entirely at the discretion, and only with the advanced written approval, of the Owner. To request payment from an Allowance, the Contractor must fully comply with the Contract Documents' requirements related to Notice to Potential Changes, Change Order Requests, and Claims, including but not limited to Articles 4 and 7 of the General Conditions and its provisions regarding waiver of rights for failure to comply. If the Owner approves in writing a payment from an Allowance, no change order approved by Owner's governing body shall be required, but Contractor must sign an Allowance expenditure form, after which the Contractor may include a request for such payment in its next progress payment application. Contractor's inclusion of a request for such payment in a progress payment application, or Contractor's acceptance of a progress payment that includes such

payment, shall act as a full and complete waiver by Contractor of all rights to recover additional money related to the underlying basis of such payment; and such waiver shall be in addition to any other waiver that applies under the Contract Documents (including Article 4 of the General Conditions). If Contractor requests a time extension or other consideration in connection with or related to a requested payment from an Allowance, Contractor must comply with the Contract Documents' requirements related to Notice to Potential Changes, Change Order Requests, and Claims, including but not limited to Articles 4, 7, and 8 of the General Conditions and their provisions regarding waiver of rights for failure to comply, and no such time extension or other consideration may be issued until a change order is approved by the Owner's governing body pursuant to the Contract Documents. The amount of an Allowance may only be increased by a change order approved by Owner's governing body. Once an Allowance is fully spent, the Contractor must request any additional compensation pursuant to the procedures in the Contract Documents for Notices of Potential Claim, Change Order Requests, and Claims, and payment must be made by a change order approved by the Owner's governing body pursuant to the General Conditions. Upon Completion of the Work, all amounts in an Allowance that remain unspent and unencumbered shall remain the property of the Owner, Contractor shall have no claim to such funds, the Owner shall be entitled to a credit for such unused amounts against the above contract price, and the Owner may withhold such credit from any progress payment or release of retention.

DESIGNATED SUBCONTRACTORS LIST

In compliance with the "Subletting and Subcontracting Fair Practices Act," California Public Contract Code sections 4100 to 4114, and any amendments thereto, each Bidder shall provide the information requested below for each subcontractor who will perform work, labor or render service to Bidder in or about the construction of the Work in an amount in excess of one-half of one percent (greater than 0.5 %) of the Bidder's Total Bid Price and shall further set forth the portion of the Work which will be done by each subcontractor. Bidder shall list only one subcontractor for any one portion of the Work.

If the Bidder fails to specify a subcontractor for any portion of the Work to be performed under the Contract, it shall be deemed to have agreed to perform such portion itself, and shall not be permitted to subcontract that portion of the Work except under the conditions hereinafter set forth below.

Subletting or subcontracting of any portion of the Work in excess of one half of one percent (greater than 0.5%) of the Total Bid Price for which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after District approval.

Pursuant to California Labor Code § 1725.5, for any project exceeding Twenty-Five Thousand Dollars (\$25,000), each listed subcontractor must be registered as a Public Works Contractor with the California Department of Industrial Relations (DIR) at the time of bid submission. Each Bidder shall provide the DIR Public Works Contractor Registration Number for each subcontractor listed. Failure to comply with this requirement may result in bid rejection.

An inadvertent error in listing a California contractor's license number shall not be grounds for filing a bid protest or for considering the bid nonresponsive if the Bidder submits the corrected contractor's license number to the District within 24 hours after the bid opening, or any continuation thereof, so long as the corrected contractor's license number corresponds to the submitted name and location for that subcontractor.

If the Contractor fails to specify a subcontractor for any portion of the Work to be performed under the Contract in excess of one-half of 1 percent (0.5%) of the Contractor's total bid, the Contractor shall be deemed to have agreed to perform such portion itself, and shall not be permitted to subcontract that portion of the Work except under the conditions hereinafter set forth.

Subletting or subcontracting of any portion of the Work as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the legislative body of the District.

For all projects over Twenty-Five Thousand Dollars (\$25,000): For any bid proposal submitted, and for any contract for public work entered into, an inadvertent error in listing a subcontractor who is not registered under Labor Code section 1725.5 shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that either: the subcontractor is registered prior to the bid opening; or the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5(a)(2)(E), if applicable, within 24 hours after the bid opening; or the subcontractor is replaced by another registered subcontractor under Public Contract Code section 4107. Failure of a listed subcontractor to be registered shall be grounds under Public Contract Code section 4107 for the Contractor, with the District's consent, to substitute a registered subcontractor for the unregistered subcontractor.

Failure to provide this information in a legible manner may result in the rejection of an otherwise acceptable bid.

WHEREAS, N G Builder Company, as Principal, and Capitol Indemnity Corporation, as Surety, a corporation organized and existing under and by virtue of the laws of the State of Wisconsin and authorized to do business as a surety in the State of California, are held and firmly bound unto the Oakland Unified School District ("District"), as Obligee, in the sum of Twenty Six Thousand One Hundred & 00/100\*\*\* DOLLARS (\$ 26,100.00), being not less than ten percent (10%) of the Total Bid Price; for the payment of which sum will and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS, said Principal has submitted a bid to the District to perform all Work required for the **Harriet Tubman CDC Play Yard Site Improvement**, Bid No. 25092 as set forth in the Notice to Bidders and accompanying Contract Documents.

NOW, THEREFORE, if said Principal is awarded a Contract for the Work by the District and, within the time and in the manner required by the above-referenced Contract Documents, enters into the written form of Contract bound with said Contract Documents, furnishes the required bonds (one to guarantee faithful performance and the other to guarantee payment for labor and materials), furnishes the required insurance certificates and endorsements, and furnishes any other certifications as may be required by the Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Contract or the notice inviting bids, or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration, or addition to the terms of the Contract of the notice inviting bids, or to the work, or to the specifications.

The bid security will be held by the District for ten (10) days after the period for which bids must be held open or until posting by the successful bidder(s) of the bonds, certificates of insurance required and return of executed copies of the Agreement, whichever first occurs, at which time the bid security will be returned.

In the event suit is brought upon this bond by the District and judgment is recovered, said Surety shall pay all costs incurred by the District in such suit, including reasonable attorneys' fees to be fixed by the court.

## **SECTION IV- LIMITS OF INSURANCE**

Regardless of the number of insureds under this policy, persons or organizations who sustain injury or damage or claims made or suits brought, the Company's liability is limited as follows:

1. The Limit of Insurance under this policy applies only when the total applicable limits of the “underlying insurance” have been exhausted solely as a result of actual payment of claims for damages by the underlying insurer(s) including if applicable actual payments by the underlying insurer(s) of any costs or expenses incurred in the investigation or defense of any claim.
2. The Limit of Insurance shown in **Item 1** of the Declarations as Each Occurrence is the most we will pay for damages because of bodily injury, property damage, personal and advertising injury arising out of any one occurrence or event.
3. The Limit of Insurance shown in **Item 1** of the Declarations as the Annual Aggregate is the most we will pay for all damages.
4. If the applicable aggregate Limit of Insurance has been reduced by payments of claims or expenses to an amount that is less than the Occurrence limit stated in the Declarations, the remaining aggregate limit of insurance is the most that will be available for payment of damages arising out of any other occurrence.
5. The Limits of Insurance of this policy apply to the entire policy period shown in the Declarations. If this policy is extended after issuance for an additional period of less than 12 months, the additional period will be deemed part of the last preceding policy period for the purposes of determining the Limit of Insurance.

## SECTION V- CONDITIONS

If any conditions of the “underlying insurance” conflicts with any conditions of this policy, the conditions of this policy will apply:

### 1. Maintenance of Underlying Insurance

You will maintain the “underlying insurance” in full force and effect during the term of this policy, and agree to inform us within 30 days of any replacement or material change to that “underlying insurance” by the same or any other company.

Even if you do not maintain the “underlying insurance” in full force and effect or if you fail to meet all conditions, terms and warranties of such “underlying insurance”, this policy will apply as if those policies were available and collectible.

The aggregate limits of the “underlying insurance” shall be unimpaired at the effective date of this policy and:

- a. If “underlying insurance” applies on an occurrence basis, for the purpose of the insurance provided by this policy, only occurrences taking place during the policy period of this policy shall be considered in determining the extent of any exhaustion of the underlying aggregate limits; or
- b. If “underlying insurance” applies on a claims-made basis, for the purpose of the insurance provided by this policy, only injury or damage taking place after the retroactive date shown in the Declarations of this policy and before the end of the policy period of this policy shall be considered in determining the extent of any exhaustion of the underlying aggregate limits.

Even if replacement policies provide coverage with limits of insurance that are less than those indicated in the “underlying insurance” this policy will apply as if the terms, conditions and limits of the original “underlying insurance(s)” were still available and collectible, except insofar as this policy has been endorsed in writing to reflect such changes in the “underlying insurance”.

Your failure to comply with the foregoing shall not invalidate this policy, but in the event of such failure, we shall be liable under this policy only to the extent that we would have been liable if you complied.

For the purposes of this policy, if the limit of insurance of any "underlying insurance" is not paid or collectible because of:

- a. The bankruptcy or insolvency of the underlying insurer(s) providing such "underlying insurance";
- b. Any defense which the underlying insurer may assert; or
- c. The inability or failure for any reason of such underlying insurer(s) to comply with any of the obligations of its policy;

then this policy shall apply (and amounts payable hereunder shall be determined) as if such "underlying insurance" was available and collectible.

No statement contained in this condition limits our right to cancel or not renew this policy.

## **2. Other Insurance**

This insurance is excess over any other valid and collectible insurance whether primary, excess, contingent, or any other basis, except any other insurance written specifically to be excess over this policy.

## **3. Duties in the Event of an Occurrence, Claim or Suit**

You must see to it that we are notified as soon as practicable of an occurrence that may result in a claim for damages or suit under this policy. To the extent possible, notice should include:

- a. How, when and where the occurrence took place;
- b. The names, addresses, or any injured persons and any witnesses; and
- c. The nature and location of any injury or damage arising out of the occurrence.

If a claim is made, or suit is brought against you, which is reasonably likely to involve this policy, you must notify us in writing. Written notice should be mailed to the Company at the address shown on the Declarations page of this policy. You and any other insured must:

- a. immediately send us copies of any demands, notices, summonses, or legal papers received in connection with the claim or suit; and
- b. authorize us to obtain records and other information; and
- c. cooperate with us in the investigation, settlement and defense of the claim or suit; and
- d. assist us upon our request, in the enforcement of any right against any person or organization that may be liable to you because of injury or damage to which this policy may apply.

Except at your own cost, you will not voluntarily make payment, assume any obligation or incur any expense without our consent.

## **4. Transfer of Your Rights and Duties Under this Policy**

Your rights and duties under this policy may not be transferred without our written consent. If you die or are legally incapacitated, bankrupt or insolvent, your rights and duties will be transferred to your legal representative, but only while acting within the scope of duties as your legal representative. In any event, Notice of Cancellation sent to the first Named Insured as shown in the Declarations, and mailed to the address shown in this policy will be sufficient notice to effect cancellation of this policy.

## **5. Territory**

This insurance applies to occurrences that take place in the coverage territory as it is described below:

- a. The United States of America (including its territories and possessions), Puerto Rico and Canada;

- b. International waters or airspace, but only if the injury or damage occurs in the course of travel or transportation between any places included in a. above; or
- c. All other parts of the world if the injury or damage arises out of:
  - 1) Goods or products made or sold by you in the territory described in a. above;
  - 2) The activities of a person whose home is in the territory described in a. above, but is away for a short time on your business; or
  - 3) Personal and advertising injury offenses that take place through the Internet or similar electronic means of communication

provided the insured's responsibility to pay damages is determined in a suit on the merits, in the territory described in a. above.

#### **6. Cancellation**

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
  - 1) Ten (10) days before the effective date of cancellation if we cancel for non-payment of premium; or
  - 2) Thirty (30) days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us. If notice is mailed, proof of mailing will be sufficient proof of notice.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this policy is cancelled, we will send the first Named Insured any refund due subject to the minimum earned premium provisions of the policy. If we cancel for reasons other than non-payment of premium, the refund will be pro rata. If we cancel due to non-payment of premium or if the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

#### **7. Non-Renewal**

- a. If we elect not to renew this policy we shall mail written notice to the first Named Insured at the address shown in the declarations. Such written notice of non-renewal shall be mailed at least thirty (30) days prior to the end of the policy period.
- b. If notice is mailed, proof of mailing will be sufficient proof of notice.

#### **8. Changes**

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

#### **9. Representations**

By accepting this policy, you agree that the statements in the Declarations are accurate and complete; those statements are based upon representations you made to us; and we have issued this policy in reliance upon your representations.

#### **10. Terms, Conditions And Premiums**

The first Named Insured shown in the Declarations is responsible for the payment of all premiums and will be the payee for any return premiums we pay. On each renewal, continuation or anniversary of the effective date

of the policy or on an annual basis, the Company will determine the rate and premium and may amend the terms and conditions of the policy in accordance with the rates and rules then in effect.

#### **11.Examination Of Your Books And Records**

We may examine and audit your books and records as they relate to this policy at any time during the policy period and up to three years afterward.

#### **12.Service Of Suit**

In the event of the failure of the Company to pay any amount claimed to be due under this Policy, the Company will submit to the jurisdiction of any court of competent jurisdiction within the United States of America or Canada and will comply with all requirements necessary to give such court jurisdiction. All matters arising under this Policy shall be determined in accordance with the law and practice of such court.

Service of process in any such suit may be made upon the President and Chief Executive Officer of the Company or his designee at the address shown on the Declarations of this Policy. In any suit instituted upon this contract and against the President and Chief Executive Officer of the Company or his designee, the Company will abide by the final decision of such Court or of any Appellate Court in the event of an appeal. The President and Chief Executive Officer of the Company or his designee is authorized and directed to accept service of process and will enter a general appearance on behalf of the Company in any such suit.

Pursuant to any statute of any state, territory or district of the United States of America, the Company designates the Superintendent, Commissioner or Director of Insurance or other officer specified for the purpose in the statute, or his successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the insured or any beneficiary under this Policy arising out of this contract of insurance. The Company designates the above-named as the person to whom said officer is authorized to mail such process or a true copy of such process.

#### **13.Transfer Of Rights Of Recovery Against Others To Us**

If any person or organization to or for whom we make payment under this Policy has rights to recover damages from another, those rights are transferred to us. That person or organization must do nothing after loss to impair them. At our request, the insured will bring suit or transfer those rights to us and help us enforce them.

#### **14.Legal Action Against Us**

No one may bring a legal action against us under this Policy unless there has been full compliance with all of the terms of this Policy. No suit, action or proceeding for the recovery of any claim under this policy shall be sustainable in any court of law or equity unless it is commenced within twelve (12) months next after discovery by the insured of the occurrence which gives rise to the claim, provided however, that if by the laws of the state within which this Policy is issued, such limitation is invalid then any such claims shall be void unless such action, suit or proceeding is commenced within the shortest limit of time permitted by the laws of such state. We will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable Limit of Insurance.

#### **15.Binding Arbitration**

All disputes under this policy shall be subject to binding arbitration as follows:

- a. All disputes over coverage or any rights afforded under this policy, including whether an entity or person is a Named Insured, an insured, an additional insured or the effect of any applicable statutes or common

law upon the contractual obligations owed, shall be submitted to binding arbitration, which shall be the sole and exclusive means to resolve the dispute. Either party may initiate the binding arbitration.

The arbitration forum and process shall be agreed to by the parties. In the event the parties cannot agree on an arbitration forum and process, the matter shall be submitted to the American Arbitration Association. The Arbitration shall be before a panel of three arbitrators, unless the parties agree to one arbitrator, all of whom shall have experience in insurance coverage of the type afforded by this policy. If the parties select a panel of three arbitrators, each party shall select an arbitrator and the chosen arbitrators shall select a third arbitrator. The American Arbitration Association shall decide any disputes concerning the selection of the Arbitrators. The potential arbitrators from which the arbitrators shall be selected shall not be confined to those provided by the American Arbitration Association. Each party shall bear the costs of its arbitrator and shall share equally the costs of the third arbitrator and arbitration process. In the event of a single arbitrator, the cost shall be shared equally by the parties. The decision of the arbitration is final and binding on the parties.

- b. All disputes regarding payment(s) owed under this policy for any deductible or premium, including but not limited to any audit premium, shall be settled by binding arbitration administered by the American Arbitration Association in accordance with the AAA Expedited Procedures. This arbitration shall be the sole and exclusive means to resolve the dispute. Either party may initiate the binding arbitration.

Each party will provide relevant documents in support of its position. In order to eliminate undue burden and expense, there shall be no other discovery allowed. The arbitration will be based solely on the documents submitted by the parties and there shall be no in-person or oral hearing. The disputes shall be decided by a single arbitrator. The arbitrator's decision shall be accompanied by a reasoned opinion and shall be binding upon all parties. Any judgment or award rendered by the arbitrator may be entered in any court having jurisdiction to enforce such judgment or award. Each party shall bear its own costs and expenses and an equal share of the arbitrator's fee and any administrative fees associated with the arbitration. Except as may be required by law, neither a party nor the arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.
