Technology as a Tool for Equity and College Readiness

Mission

Baytech infuses assistive technology throughout the school to provide a **personalized educational experience** for every student to be **college and career-ready**.

Model

College-preparatory curriculum rooted in the Direct Interactive Instruction (DII) model, leveraging technology to **individualize learning, accelerate growth, and build critical thinking**

Core Belief

All students, regardless of background, can **master college-level content** when provided with the right support, high expectations, and personalized pathways

"It's going to be a great day at BayTech!"

Our New Home: Palace Theater Campus

After **21 years on a co-located campus**, BayTech now owns a permanent, purpose-built facility at the historic Palace Theater that provides safety, stability, and an enhanced learning environment.

Permanent Ownership

BayTech owns the historic **Palace Theater** at 1445 23rd Avenue, eliminating rent burden and ensuring long-term stability.

Safety & Security

Dedicated campus with controlled access, ending the disruptions of shared facilities and providing a secure learning environment.

Enhanced Learning Spaces

Modern classrooms, science lab, gymnasium, and technology infrastructure designed specifically for 6-12 education.

Accessible Location

Located at the border of the Fruitvale and San Antonio neighborhoods, with expanded transportation services (2 vans) serving 45% of students.

The Palace Theater campus represents **stability after crisis** and positions BayTech for sustained academic growth during the 2026-2028 renewal term.

Rising from Adversity: BayTech's Transformation

Acknowledgment & Path Forward

We Acknowledge Our Current Standing

BayTech has **not met all academic performance standards** and is classified as a **low tier school** under California's charter renewal framework.

We take full responsibility for these outcomes.

Our Commitment to Improvement

We have developed a Board-approved **comprehensive Performance Improvement Plan (PIP)** with measurable targets, proven instructional strategies, and rigorous monitoring systems to accelerate student achievement.

Program Improvement Plan Drives Continuous Improvement

ELA Improvement

Edge Curriculum: Rigorous, standards-aligned literacy instruction

Literacy Lab: Small-group intervention for struggling readers

48-Hour Reteach: Immediate support for mastery gaps

Math Improvement

Carnegie Math: Adaptive, research-based curriculum

Math Lab: Targeted intervention and skill-building

Weekly CFAs: Data cycles to identify and address gaps

Chronic Absence Reduction

Transportation: Free van routes from underserved neighborhoods

Tiered Outreach: Attendance Works framework (Tier 1/2/3)

Family Engagement: Same-day contact and support

Enrollment Stability

Community Partnerships: Deep engagement with families and neighborhoods

Student Retention: Positive climate and belonging initiatives

Recruitment: Strategic outreach to maintain enrollment

McClymonds High	84.3%	59.4%	16.6%	-128.4	-223.7	N/A

92.5% graduation rate with **100% UC A-G completion** and **lowest suspension rate** among comparison schools — BayTech ensures every graduate is college-eligible in a safe, supportive environment.

Governance & Fiscal Health

Governance

Independent Board of Directors

Active, engaged board with expertise in education, finance, legal, and community development. Meets monthly with strong committee structure, including **two parents and OUSD Rep.**

Compliance Record

Zero material findings in recent audits. Full compliance with OUSD reporting requirements and state/federal regulations.

Stakeholder Engagement

Parent-teacher conferences every 5 weeks. Active **School Site Council**. Regular community forums and transparent communication.

Fiscal Health

Clean Financial Audits

Unqualified audit opinions with **no material weaknesses**. Strong internal controls and financial management systems.

Financial Stability

Maintains **adequate reserves**. Balanced budgets with sustainable enrollment and revenue projections for 2026-2028 term.

Facility Ownership

Palace Theater campus at 1445 23rd Avenue: Permanent facility eliminates rent burden and ensures long-term stability.

Legal Framework for 2-Year Renewal

California Education Code § 47607(c)

Pursuant to California Education Code § 47607(c)(2), a charter school identified as meeting the criteria in § 47607(b)(1) (low-performing) may be renewed for a term of two to five years.

1

Low Tier Designation

BayTech acknowledges its low tier classification based on Dashboard performance and requests a renewal term appropriate to this status.

2

Improvement Plan Required

BayTech has developed and our Board has approved a comprehensive Performance Improvement Plan with measurable targets.

3

2-Year Term Rationale

A 2-year term (2026-2028) allows BayTech to demonstrate measurable progress while maintaining accountability to OUSD.

4

Renewal Criteria Met

BayTech demonstrates fiscal stability, governance capacity, and a credible plan for academic improvement as required by law.

Under California law, **low tier schools with approved improvement plans may receive 2-5 year renewals**. BayTech respectfully requests a **2-year term** to prove our capacity to execute our plan and achieve measurable student outcomes.

Partnering with OUSD to Serve Oakland Families

BayTech Respectfully Requests a 2-Year Charter Renewal

- ✓ **Transparent Accountability:** Quarterly progress reports to OUSD on all PIP targets and academic metrics
- ✓ **Collaborative Partnership:** Open communication and responsiveness to OUSD guidance and support
- ✓ **Measurable Progress:** Commitment to achieving Orange → Yellow Dashboard performance by 2027
- ✓ **Equity Focus:** Accelerated growth targets for English Learners, Students with Disabilities, and African American students

Together, we can ensure every BayTech student graduates college-ready and prepared to create equity in their own lives and in the Oakland community.

Oakland students deserve the opportunity to rise, learn, and thrive at BayTech.
