Enrollment Preference Impact Analysis: Downtown Charter Academy (DCA) Proposed Material Revision October 2025

Purpose of Analysis

Amethod Public Schools (AMPS) conducted this analysis to evaluate the potential impact of a one-year enrollment preference for families displaced by the closure of Oakland Charter Academy (OCA). The preference applies only to the 2026-27 school year and is designed to ensure continuity of educational access for OCA families while maintaining equitable access for all Oakland students.

1. Data Sources and Methodology

This analysis draws from the following verified data sources:

- **California Department of Education (CDE) DataQuest (2024-25):** Race/ethnicity, English Learner (EL), Students with Disabilities (SWD), and Socioeconomically Disadvantaged (SED) data for DCA, OCA, and OUSD.
- **Ed-Data.org:** Consolidated reporting of CDE and CALPADS demographic data for Downtown Charter Academy.
- **CALPADS Fall 1 Reports (2024-25):** Validation of subgroup counts.

The comparison evaluates how the proposed one-year enrollment preference could influence DCA's demographic composition and equitable access.

2. Demographic Comparison (2024-25)

Student Group	Oakland Charter Academy (OCA)	Downtown Charter Academy (DCA)	Oakland Unified (OUSD)
Hispanic or Latino	85.6%	13.1%	51.0%

Asian	2.7%	74.8%	9.1%
Black/African American	2.7%	7.9%	19.5%
White	7.2%	0.7%	10.0%
Two or More Races	0.5%	2.0%	6.1%
English Learners (EL)	57.2%	20.0%	32.1%
Students with Disabilities (SWD)	8.6%	12.5%	16.4%
Socioeconomically Disadvantaged (SED)	88.3%	75.4%	80.8%

Sources: CDE DataQuest, Ed-Data.org, and CALPADS Fall 1 (2024-25).

3. Analysis of Potential Impact

- **Demographic Composition:**

OCA's student body is predominantly Hispanic/Latino (86%) with a majority of English Learners (57%) and socioeconomically disadvantaged students (88%). DCA's current enrollment is majority Asian (75%) with lower proportions of EL and Latino students. If displaced OCA families were admitted under the one-year preference, DCA's Latino enrollment would likely increase from 13% to roughly 25-30%, and EL representation could rise by 5-8 percentage points, modestly shifting DCA closer to OUSD's overall demographic profile.

- **Access for Vulnerable Groups:**

The preference supports equitable access for English Learners, low-income students, and students with disabilities. Both OCA and DCA serve high-need populations; the proposed preference sustains educational continuity rather than creating new advantage. DCA's existing Multi-Tiered System of Supports (MTSS) and ELD program demonstrate strong capacity to serve these populations equitably.

- **Neighborhood Alignment:**

Both schools serve students from East and Central Oakland neighborhoods with overlapping attendance areas that include the Fruitvale, San Antonio, and Eastlake communities. These areas are home to predominantly working-class, multilingual families with high rates of economic disadvantage. The proposed policy aligns with these community demographics and supports equitable access to high-quality public education

within OUSD's boundaries.

- **Scope and Duration:**

The preference applies only to the 2026-27 enrollment cycle and will sunset thereafter, preventing long-term demographic imbalance or preferential access.

4. Summary Conclusion

The analysis concludes that the proposed one-year enrollment preference:

- Provides equitable continuity for displaced OCA families.
- Brings DCA's demographic composition closer to districtwide averages.
- Maintains equitable access for English Learners, students with disabilities, and socioeconomically disadvantaged students.
- Aligns with both OUSD's equity priorities and DCA's mission to serve a diverse Oakland student body.

Accordingly, the proposed preference is equitable, time-limited, and consistent with the District's standards for fairness, transparency, and inclusion.

DRAFT

Amethod Public Schools

Minutes

Special Meeting of the AMPS Board of Directors

Date and Time

Thursday November 13, 2025 at 6:00 PM

Location

1450 Marina Way South, Richmond CA 94804

The Board of Directors (Board) and employees of Amethod Public Schools will be holding this meeting in person at **1450 Marina Way South, Richmond, CA 94804**.

Members of the public who wish to attend in person can join us in the Home Office's Board Room at 1450 Marina Way South, Richmond, CA 94804. Or members of the public may meet via the Zoom meeting platform at:

<https://us02web.zoom.us/j/83187954557>

We also offer two-way teleconference locations for the public to attend in our Oakland school sites:

Downtown Charter Academy- 2000 Dennison St, Oakland, CA 94606

Oakland Charter Academy- 4215 Foothill Blvd, Oakland, CA 94601

Teleconference Location (Board Member Peter Hanley): 1033 Shoreline Dr. San Mateo, CA 94404

Participating by Telephone: 669-900-9128 Meeting ID: 831 8795 4557

Public Comment: Members of the public attending in person who wish to comment on an agenda item please fill out a speaker card and submit it to a staff member. Members of the public who are joining via teleconference, please use raise hand tool in the reactions tab located at the bottom

of the zoom screen or press star (*) nine if joining by telephone. The Board Chair will call on you. Please note that comments are limited to two minutes. The Board Chair may increase or decrease the time allowed for public comment, depending upon the topic and number of persons wishing to be heard.

Access to Board Materials: A copy of the written materials which have been submitted to the Board of Directors with the agenda relating to open session items may be reviewed by any interested persons on the Amethod Public School's website at www.amethodschools.org following the posting of the agenda. Amethod may distribute additional information and/or documents to the Board of Directors after the agenda is posted and at the meeting; these items and the full Board packet are available for inspection in the AMPS Board Room (located at [1450 Marina Way S, Richmond, CA 94804](#)) and during the meeting. Any documents distributed to the Board of Directors during the meeting will be posted on the website Agenda following the meeting.

Disability Access: Requests for disability-related modifications or accommodations to participate in this public meeting should be made 72 hours prior to the meeting by calling (510) 436-0172. All efforts will be made for reasonable accommodations. The agenda and public documents can be modified upon request as required by Section 202 of the Americans with Disabilities Act.

ORDER OF BUSINESS MAY BE CHANGED WITHOUT NOTICE

Directors Present

D. Leung, J. Lerma, M. DiGiorgio, P. Hanley (remote), R. Ornelas

Directors Absent

L. Martinez

Guests Present

A. Barnes, M. Arechiga, M. Busby, S. Li

I. Opening Items

A. Call the Meeting to Order

R. Ornelas called a meeting of the board of directors of Amethod Public Schools to order on Thursday Nov 13, 2025 at 6:01 PM.

B. Record Attendance

C. Announcements

No announcements.

D.

Approval of the Agenda

R. Ornelas made a motion to approve the Agenda.

D. Leung seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

L. Martinez Absent

D. Leung Aye

M. DiGiorgio Aye

P. Hanley Aye

R. Ornelas Aye

J. Lerma Aye

E. Public Comments on Non-Agenda Items

No public comments.

II. Consent

A. Approval of 10/16/2025 Regular Board Meeting Minutes

P. Hanley made a motion to approve the minutes from Regular Meeting of the AMPS Board of Directors on 10-16-25.

M. DiGiorgio seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

R. Ornelas Aye

P. Hanley Aye

J. Lerma Aye

D. Leung Aye

M. DiGiorgio Aye

L. Martinez Absent

III. Closed Session

A. CONFERENCE WITH LEGAL COUNSEL— ANTICIPATED LITIGATION

The board reconvened from closed session at 6:46pm and there were no reportable actions.

B. PUBLIC EMPLOYEE APPOINTMENT (Gov. Code section 54957(b)(1).)

IV. Business II

A. Review and Consideration of Approval of Employment Agreement for Assistant Director of Student Services

Adrienne, CEO presented the at-will employment agreement for the Assistant Director of Student Services. The position is on the organization chart and they have interviewed the candidate.

D. Leung made a motion to approve Employment Agreement for Assistant Director of Student Services.

M. DiGiorgio seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

J. Lerma	Aye
D. Leung	Aye
L. Martinez	Absent
P. Hanley	Aye
R. Ornelas	Aye
M. DiGiorgio	Aye

B. Review and Consideration of Approval of Emergency Expenditure Authorization for Water Damage Mitigation at John Henry High School - Not to Exceed \$225,000

Adrienne, CEO stated there was water intrusion at John Henry High School which caused extensive damage across the campus. The school has already spent about \$10,000 on the initial water removal. AMPS have received a \$100,000 repair quote for the full project and a verbal \$70,000 estimate to replace damaged equipment. Because additional costs may arise and vendor selection is still in progress, she is requesting board approval for an expenditure authorization of up to \$225,000. The incident has been submitted to the insurance provider, which has a \$2,500 deductible. AMPS will pay expenses upfront and will be reimbursed.

D. Leung made a motion to approve Emergency Expenditure Authorization for Water Damage Mitigation at John Henry High School - Not to Exceed \$225,000.

M. DiGiorgio seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

J. Lerma	Aye
L. Martinez	Absent
P. Hanley	Aye
R. Ornelas	Aye
D. Leung	Aye
M. DiGiorgio	Aye

C. Review and Consideration of One Time Authorization for Curriculum Purchases (Not to Exceed \$50,000)

Adrienne, CEO requested a one-time board authorization of up to \$50,000 for curriculum purchases across all schools. The curriculum has already been adopted and is currently in use. This authorization would prevent the need to return to the board for multiple smaller approvals.

Board Chair Rodolfo asked if the purchases will be for next academic year or if it is a reorder for the current year.

Board member Davis asked if this cost was budgeted for.

Adrienne clarified that this is a reorder because the schools did not initially purchase enough curriculum, and confirmed that the curriculum costs are included in the budget.

R. Ornelas made a motion to approve One Time Authorization for Curriculum Purchases (Not to Exceed \$50,000).

J. Lerma seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

R. Ornelas Aye

J. Lerma Aye

L. Martinez Absent

D. Leung Aye

M. DiGiorgio Aye

P. Hanley Aye

D. Review and Consideration of Approval of Nonpublic, Nonsectarian School Master Contract

Mary, Senior Director of Student Services and Special Education presented the master contract with a non-public school for securing a placement for a student. As required by the IEP, they need to provide the most appropriate educational setting to ensure the student receive the necessary services and support that could not be adequately provided on AMPS campus. She noted that the cost would likely exceed the previously approved amount and would include transportation. Therefore, she requested that the board approve the placement.

Board member Peter asked about the selection process.

Mary said after researching multiple schools offering intensive behavioral, mental, and emotional support, the team identified a small program that fit the student's needs. The school provided robust services, including a therapist, two behaviorists, and an aide in each classroom with a maximum of six students, along with both individual and family counseling. The goal was to help the student develop regulation skills so he could eventually return to AMPS. The enrollment process was extensive; the school met with the parents, reviewed the student's IEP, and required parent consent before the placement could be finalized.

M. DiGiorgio made a motion to approve Nonpublic, Nonsectarian School Master Contract.

J. Lerma seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

M. DiGiorgio Aye
L. Martinez Absent
R. Ornelas Aye
D. Leung Aye
J. Lerma Aye
P. Hanley Aye

E. Review and Consideration of Approval of 1450 and 1402 Marina Way South Property Tax Bills 2025-2026

Adrienne, CEO reported that the school received full property tax bills for both the 1402-JHHS building and the 1450-BJE/RCA building. Adrienne requested that the board authorize payment of the bills while staff researched the exemption status as public schools typically receive property tax exemptions. She noted that this situation had occurred previously with DCA, where the bills were paid and refunds were later issued once the exemption was confirmed.

Board member Peter asked how the refund was previously done and if AMPS can file for prior years.

Adrienne stated that, based on her understanding, AMPS did not properly request the property tax exemption in the year prior to her arrival. Adrienne emphasized that it is standard practice for public schools to submit the exemption request and she will do so for the prior missed years. The refund will go to the landlords and AMPS will request for reimbursements from them.

Board Chair Rodolfo asked if the payment is for the first installment.

Adrienne said AMPS will be paying for the first installment and is asking for board approval for the full amount in the case that a full amount need to be made.

M. DiGiorgio made a motion to approve 1450 and 1402 Marina Way South Property Tax Bills 2025-2026.

D. Leung seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

J. Lerma Aye
D. Leung Aye
P. Hanley Aye
M. DiGiorgio Aye
L. Martinez Absent
R. Ornelas Aye

F.

Review and Consideration of Approval of Fifth Amendment to Lease Extension for Oakland Charter High School

Adrienne, CEO requested approval for a fifth amendment to the lease through December 31st to give time to clear out the Oakland Charter High School building.

Board member Peter questioned whether the board could reconsider the decision regarding the campus location. He expressed strong concern about giving up campus that required significant effort to secure. Peter stated that he believed it would be a mistake to give up the location and suggested that the school should move there rather than remain at DCA's current location. He asked whether there was any possibility of revisiting the decision.

Board Chair Rodolfo stated that discussions about moving or retaining the campus should occur as part of the broader merger plan. He noted that the current lease would be maintained until December 31st, allowing sufficient time to address those considerations later. For the meantime, he emphasized that the immediate issue before the board was whether to approve an amendment to the lease.

D. Leung made a motion to approve Fifth Amendment to Lease Extension for Oakland Charter High School.

J. Lerma seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

D. Leung	Aye
M. DiGiorgio	Aye
J. Lerma	Aye
R. Ornelas	Aye
P. Hanley	Aye
L. Martinez	Absent

G. Review and Consideration of Approval of Downtown Charter Academy Material Revision

Adrienne, CEO presented the material revision for DCA. AMPS proposed the expansion of DCA and unifying the students from OCA into DCA for the 2026-2027 school year. She shared the benefits of the expansion that will have for the school diversity, students, academics, fiscally, and sustainability for the school.

Board member Jorge mentioned for the team to explore the possibility of renaming Downtown Charter Academy or implementing a strategic plan as DCA is not located in downtown Oakland.

Board Chair Rodolfo explained that a name change would require a completely new charter and CDS code, which is a separate process from a material revision. He suggests this could be included in a presentation to the board of education. However, the

discussion is not about proposing a new name, but rather addressing strategic points, such as ensuring no traffic issues would result from the change.

Vice Chair Margie addressed a typo on page 20 about independent study which should state no more than 15 days.

R. Ornelas made a motion to approve Downtown Charter Academy Material Revision.

M. DiGiorgio seconded the motion.

The board **VOTED** to approve the motion.

Roll Call

Downtown Charter Academy Material Revision Narrative

Downtown Charter Academy (DCA) proposes absorbing Oakland Charter Academy and its rising 7th and 8th grade students in 2026-27. This will increase DCA's enrollment from the current charter's 330 to a projected maximum of 448. This reduces overall enrollment at the two locations from 600, but uses economies of scale to improve operations at DCA.

This increase in enrollment leads to a 44% increase in LCFF revenue, or approximately \$1.85M, unadjusted for the LCFF calculator's COLA increase. While the calculations for both 2025-26 and 2026-27 are using an Average Daily Attendance (ADA) rate of 95%, DCA has averaged a 98% ADA rate from 2022-23 through 2024-25, and is conservatively on track to exceed 97% in 2025-26, despite keeping the budgeted ADA at 95%. Conservatively, total revenue is expected to increase 38% or \$2.2M overall.

The increase in revenue will be invested in the strength of programming and facilities improvements. DCA uses general education Instructional Assistants to push-in to classrooms and for individual or small group tutoring. Significant resources will be invested in additional personnel as follows:

- 4 Content Teachers and 1 Education Specialist (\$374k)
- 1 Administrator (\$110k)
- 2 Instructional Assistants (\$129k)
- 1 ASES Tutor (\$45k)
- 1 Safety/Utility position (\$42k)
- Additional counseling/pupil support (\$39k)
- Increasing bonuses/stipends for additional merger/transition work (\$100k)

These resources will be used to continue DCA's current model of strong instructional support, paired with counseling, special education, and program (ASES/ELOP) support. The bonuses or stipends will be used for additional staff time to successfully blend the two school communities with summer bridge programming, increased planning time, and increased relationship/community building efforts.

While personnel will be the largest expected increase, additional students will raise supply and materials expenses as follows:

- textbook core curricula expense increasing 47% due to new one-time purchases of textbooks as well as additional curricular licenses
- Conservative estimates of general school supplies and materials increases of \$53.5k or 53.5%, covering one-time investments in nearly all budget lines, with the largest increases in instructional/classroom supplies (57%) and uniforms (119%), to ensure ample materials and equity in dress for all students
- A one-time investment in noncapitalized expenses (furniture, computers, equipment) is expected at \$42.5k or a 243% increase over 2025-26, which will last several years. Additionally, any usable OCA equipment may be moved to DCA for student use.

Subagreement services (special education contractors, substitute teachers, outsourced transportation & security providers, other educational consultants) are expected to remain stable, with decreases due to projected new hires in lieu of substitute/consultant expense.

Operations and Housekeeping is expected to increase approximately \$144k or 46% primarily due to increases in insurance and utilities/janitorial services due to additional students, staff, and space/infrastructure investments.

Rent will not increase above the standard 3%, as DCA has a large building with several unused rooms. Those unused rooms will be remodeled to accommodate additional classrooms and tutoring spaces, using one-time cash resources, and a combination of increases in maintenance and depreciation/capitalization expense. Total repairs/maintenance improvements and depreciation are expected to increase by a total of \$180k.

Professional and Consulting services are expected to increase by \$393k or 38% due primarily to increases in general consulting, special/student activities (\$65k), and business services/management fees (\$251k). This increase is commensurate with the increase in students and the substantial program offerings both on campus and in the community.

The proposed absorption of OCA into DCA in 2026–27 will streamline operations, reduce overall AMPS enrollment across Oakland, and create meaningful economies of scale that strengthen DCA's academic and operational model. The increased enrollment and subsequent revenue increase will be strategically invested in expanding instructional capacity, strengthening student support services, and upgrading facilities. Significant personnel additions, targeted stipends for transition work, expanded counseling and special education support, and one-time investments in curriculum, equipment, and classroom spaces will ensure a smooth merger and a high-quality learning environment for all students. While some operational costs will rise with increased enrollment, DCA's stable rent structure, efficient use of existing space, and planned long-term improvements allow the school to sustainably manage growth. Overall, the merger positions DCA to enhance programming, equity, and community cohesion while maintaining robust financial health.

LCFF Calculator Caveats

v.26.2

8/1/2025

Every effort was made to make the calculator as accurate as possible. However, because the calculator is based on estimates and assumptions, actual Local Control Funding Formula (LCFF) funding may differ from the amounts generated by the calculator. In some cases, LEA-specific and unique complexities that exist for a small percentage of local educational agencies (LEAs) may result in errors. Every unique situation is not modeled in the calculator, and **the calculator may not be useful for all LEAs.**

The following bullets highlight these assumptions, and some of the unique situations and known issues that could be identified.

General	The calculator is based on the LCFF statute as currently written, unless otherwise noted in these caveats. In some cases there may be differences in rounding +/- \$1.
	The calculator includes cost of living adjustments (COLA) and if applicable proration factors as estimated by the Department of Finance (DOF).
	The calculator prepopulates with certified data provided by the California Department of Education (CDE) for the calculation of principal apportionment. Users should independently verify prefilled data, and should make adjustments as needed if revisions have been filed.
	The Education Protection Account (EPA) proportionate share percentage is based on estimates released by the CDE that may not yet be finalized. Therefore, the percentage may change from what is shown in the calculator through final calculation in February of the following fiscal year.
	EPA revenue in the 2021-22 fiscal year increased to an unprecedented level of funding which necessitated changes to the calculation. Pursuant to Section 112 of AB 181 (Chapter 52, Statutes of 2022), the 2012-13 Revenue Limit rates for school districts and charter schools were adjusted to reflect statutory COLA increases from 2013-14 through 2021-22. These rates will continue to receive COLA adjustments moving forward.
NEW 2024-25	On the Data Entry tab, there are three new columns that include an additional three years of historical data for local educational agencies. These columns do not create calculations for these years, but may impact the three prior year calculations (PY3, PY2). Districts can use these to enter in audit adjustments or other necessary adjustments from reorganizations or mergers to their attendance, enrollment, unduplicated pupil counts, or charter shift increases or decreases.
Charter School Calculations	
	The calculator is not designed to directly calculate budget estimates for all-charter school districts because of the unique options selected at the time the district converted. It is recommended all-charter school districts contact the CDE to determine the best method for estimating LCFF revenues.
	Charter schools that are funded under different funding methodologies due to their pupil population are not included as a single scenario within the calculator. These schools are mainly those authorized by a county board of education.
	The calculator is designed for a district to calculate the in lieu taxes and, as such, charter schools should contact their sponsoring authority for in lieu tax amounts to ensure accuracy.
	The calculator does not take into account the following: -District reorganizations that include a charter school(s) newly authorized by one or more districts affected by the reorganization. -Charter schools that operated in the prior year but have been reauthorized by a different agency in the current year and have not been certified within the PASE system. -The LCFF fire recovery protections for charter schools included in Education Code 46392(g). For specified charter schools that were damaged, destroyed, or directly impacted as a result of a state of emergency that was declared by the Governor in January 2025.
NEW 2025-26	If any of these situations apply, we recommend working with the CDE and FCMAT to determine if the calculator can be adapted.
School District Calculations	
	2019-20 certified ADA was adjusted after the R3 certification cycle for school districts that were the sponsoring LEA of a charter school that discontinued operation by the end of 2019-20. This ADA adjustment was only made to accommodate an accurate calculation of the three prior-year average (PY1 2021-22, PY2 2020-21, PY3 2019-20) commencing with the 2022-23 fiscal year.
	For districts with necessary small schools (NSS) , the calculator models different combinations of NSS and regular ADA to determine the overall maximum funding available. Districts with necessary small schools should refer to the Instructions tab. Districts are encouraged to independently select their funding options and evaluate the results to determine which funding method they will elect to
	The calculator does not take into account the following funding adjustments for basic aid school districts : - Basic Aid Choice - Basic Aid Court-Ordered Voluntary Pupil Transfer - Basic Aid Open Enrollment - Basic Aid Supplement Charter School Adjustment
NEW 2025-26	The calculator does not include the LCFF fire recovery protections for LEAs included in the 2025-26 Education Trailer Bill. A basic aid school district in Los Angeles County that loses local property tax revenue due to the Eaton and Palisades fires in January 2025 will be reimbursed from the state General Fund for losses in the 2024-25 and 2025-26 fiscal years. The reimbursement will follow a schedule submitted by the county and distributed by the state controller no later than September 30, 2025.
NEW 2025-26	The calculator accounts for the impact of district reorganizations that have been certified by the CDE via the PASE system to support more accurate projections. Historical year projections may not align with CDE exhibits for those years. To reconcile historical year calculations to CDE's LCFF Calculation exhibits, manual adjustments must be made to the ADA section for those years in the data entry tab. If needed, FCMAT recommends working with its team to align the historical year calculations with CDE's LCFF Calculation exhibit.

LCFF Calculator Navigation

v.26.2 8/1/2025

Structure:

- 1 The LCFF Calculator structure has been built to maintain a standard eight-year structure that includes two historical years, one current year and five projection years.
- 2 The Data Entry tab was designed to cluster data entry sections by projection type (charter school or school district). Charter school data entry sections are intentionally placed at the top of the page due to the limited amount of data required to complete a projection.
- 3 The workbook contains conditional formatting to guide users through data entry. Once a projection type is identified and all basic questions are answered, only the highlighted sections require data entry; all remaining sections not applicable to the projection will remain grayed out. **No data should be entered in sections that are not highlighted.**

Projection Type Not Identified	Charter School Projection	School District Projection
	Data Entry Sections	Data Entry Sections

- 4 A separate calculation must be prepared for each LEA, either district or charter school.
- 5 **Version Names will reflect the last two digits of the current projection year, followed by ".1" or ".2". If additional updates are needed, letter suffixes such as ".1a" or ".2b" will be used.**
 - version.1 includes prepopulated PY1-PY3 data from the CDE's P-1 Certification.
 - version.2 includes prepopulated PY1-PY3 data from the CDE's P-2 Certification.**For example, for the 2025-26 projection year, version v26.1 includes P-1 certification data and version 26.2 includes P-2 certification data.**

Data entry cells: prepopulated with the most current certified data; all data entry cells are unlocked for user edit. Prepopulated data cannot be restored after user override.

Tab Navigation Key:

Information tabs: provide important projection information and should be reviewed with each update.

Data Entry tab: single data entry tab for ALL LCFF calculations. Sections to be completed are identified through highlighting upon entry of CDS code and responses to required questions.

Primary calculation results tabs: provide calculations and results summaries only. No data is entered on these tabs.

Secondary support calculation tabs: provide details of supporting calculations for components that do not apply to all LEA calculations. No data is entered on these tabs.

User editable tabs: preformatted graphs and blank worksheet tabs.

Instructions:

- 1 **Review Caveats:** Important details that may affect LEA calculations are noted in this tab. **This tab should be reviewed with each update.**
- 2 **Data Entry tab:** Data for all calculation types is entered into the Data Entry tab.
 - Start a calculation by entering the five-digit code for a school district calculation or seven-digit school code for a charter school calculation. Once the LEA code is entered, the LEA type (district or charter) will be identified and the applicable data entry sections will be highlighted for completion.
 - New charter schools that do not yet have a CDS code should select "Yes" from the drop-down list following the question below the CDS code box.

Section (1) Universal Assumptions: Prepopulated assumptions are based on the most current data released by the Department of Finance and the California Department of Education. COLA and EPA assumptions should be reviewed and updated to match percentage updates published after the version release.

EPA Miscellaneous Adjustments (P-2 Certification only) - cell L23: For LEAs that need to update the version.1 (spring release) of the LCFF calculator with P-2 certification data before FCMAT publishes its version.2 (summer release), the row titled "EPA Miscellaneous Adjustments (P-2 Certification only)" has been added in the PY1 column, cell L23. LEAs should enter data in this field **only in late June, after the California Department of Education publishes the P-2 certification data and before FCMAT releases the version.2 LCFF calculator.** This field is only open in the version.1 of the calculator. An EPA miscellaneous adjustment is calculated once at P-2 and reported on the CDE's P-2 Education Protection Account exhibit, line D-2. This EPA miscellaneous adjustment offsets LCFF State Aid (object 8011).

Section (2) Charter School Data Elements Required to Calculate the LCFF: Enter charter school data elements in this section of the Data Entry tab ONLY; do not enter data in sections that are grayed out.

Section (3) School District Data Elements Required to Calculate the LCFF: Enter school district data elements in this section of the Data Entry tab ONLY; do not enter data in sections that are grayed out.

- In Lieu of Taxes:** School districts that are the sponsoring LEA for a charter school or are otherwise required to transfer property taxes to a charter school should answer "YES" to the applicable question in this section, then complete section (5) School District In-Lieu of Property Tax Calculation for Charter Schools.
- Necessary Small Schools:** School districts that have necessary small schools should answer "YES" to the applicable question in this section, then complete section (4) Necessary Small Schools ADA.
- TK Add-on Funding:** ADA for TK students must be entered in this section for the add-on to calculate. TK ADA should also be included in the ADA section to properly calculate the Base, Supplemental and Concentration grants.
- Charter Shift ADA:** Prior year ADA used in the determination of school district funding calculations is based on the greater of current year, prior year and, beginning with 2022-23 fiscal year, three-prior year average. The prior year ADA must be adjusted by the net ADA of students who "shifted" between district schools and district sponsored charter schools. Sponsoring school districts should enter the total prior year ADA by grade span of those students who attended district sponsored charter schools in the prior year and returned to attend district schools in the current year in the first section. Total prior year ADA by grade span for students who attended district schools in the prior year, then left to attend a district sponsored charter school should be entered in the second section.

Section (4) Necessary Small Schools ADA: School districts that have necessary small schools must complete section (4) on the Data Entry tab. **Prior year data must be entered for each year including historical years, even when the school is funded under LCFF.** If "Enter SCHL LCFF ADA" or "Enter SCHL FTE" is in any of the cells in the NSS ADA/FTE section, school districts should enter in the ADA/FTE for the school, and select funding method, so the calculator can accurately project funding.

-**NSS Supporting Calculations:** details related to NSS funding determination are located in the NSS Calculation tabs.

Section (5) In-Lieu of Property Tax Calculation for Charter Schools: School districts required to transfer in-lieu taxes to charter schools should select "Yes" from the drop-down list in section (3), then complete either section (a) or (b).

- Section (a): To be completed only by districts that use an alternative rate for in-lieu tax transfers or calculates the in-lieu transfers outside of this tool. Carefully review and follow the instructions located in the In-lieu tax section.
- Section (b): To be completed by districts that follow the traditional allocation of funding for in-lieu tax transfers. The tool has been designed to support basic aid district calculations, which require charter school ADA to be entered by grade span. Non basic aid districts can enter the total charter school ADA for each school in any single grade span, it is not necessary to enter ADA by grade span or separately for each charter school. Consolidating all charter school ADA into a single section will calculate a similar result.
- In-Lieu of Property Taxes Results: The supporting calculations and in-lieu of property tax transfer amounts for each charter school are located in the District In-Lieu Taxes tab.

3 **Review LCFF Calculation and EPA Results:** Detailed calculations and results can be viewed on the Calculator, EPA and Summary tabs. No data entry is required on these tabs.

4 **Supporting Calculations:** details related to NSS funding determination and in-lieu tax transfer amounts for each charter school are located in the NSS Calculation and District In-Lieu Taxes tabs.

IN-LIEU PROPERTY TAX TRANSFER

For an authorizing district, in-lieu of property tax is calculated on the lesser of property taxes per ADA or the LCFF funding per ADA

1. Property Taxes per ADA
- 2a. Adjusted base revenue per ADA x charter school ADA

For a district with students in county-operated charter, or a basic aid district with students in countywide charter schools, or a district certified as basic aid at prior year annual with students in an SBE-approved charter school, in-lieu of property tax is calculated on the lesser of property taxes per ADA, or adjusted base funding per ADA.

1. Property taxes per ADA x District of Residence ADA
- 2a. Adjusted base revenue per ADA x District of Residence ADA

To enter your own calculation of In-Lieu use the [Alternative Calculation tool](#) on the [Data Entry](#) tab
