ASK OF THE BOARD

Adoption by the Board of Education of Resolution No. 2526-0199 – Directing the Secretary of the Governing Board, on behalf of the Governing Board, to cast a ballot for Sub-Region 7-B Regional CSBA Delegate Assembly candidates as listed in said Resolution which is incorporated herein by reference as though fully set forth.

BACKGROUND/DISCUSSION

As you may know, the California School boards Association (CSBA) is a collaborative group of virtually all state school districts and county offices of education, which advocate for and promotes interest in K-12 children through variety of organized means.

The Association's governance structure, in part, provides for a Delegate Assembly, elected, in part, by member school boards divided into several regions. The open board is a member of the Association and is geographically located in subregion 7-B (Alameda County).

Presently there are four delegates to be elected to the Delegate Assembly from Seven region 7-B of the Association for a two-year term commencing April 1, 2026. The Assembly will meet at least twice a year to conduct business and may also meet with other Delegates and Direct off the Region and otherwise act in the interest of the Association.

Three school board member candidates within CSBA Subregion 7-B had qualified to CP office. Upon conferring with our Board Assembly Delegates, Rachel Latta and Patrice Berry, we recommend that the Board support the unopposed three name candidates on the ballot:

- Charlie Jones (Pleasanton USD)
- Kyla Sinegal (San Lorenzo USD)

- Christiaan VandenHeuvel (Livermore Valley Joint USD)

A fourth candidate did not qualify. However, the Secretary is instructed to write in _____
(_____ USD); as (not write in) a fourth candidate.

I believe that the recommended candidates will personally serve the interests of the Oakland Board and well represent the Subregion as a whole if elected to the Delegate Assembly.

RECOMMENDATION

10. Are you an incumbent Delegate? *

No

11. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. *

I am interested in serving as a CSBA Delegate to advance student-centered governance and policies that close the achievement gap in alignment with CSBA's Call to Action for Governance (CTAG) and CSBA's mission. As an elected governing board member—serving as Board President in 2020, 2022, 2023, and 2025—I bring a strong understanding of effective governance.

I offer over fifteen (15) years of public education experience, including HR roles at the Alameda County Office of Education and as a current HR Consultant for San Francisco Unified School District, along with service as a former Personnel Commissioner, CSEA Chapter President, and current CABSE Board President. I would bring collaborative leadership, labor expertise, and a commitment to equity and local control.

12. Please describe your activities and involvement on your local board, community, and/or CSBA. *

During my tenure on the San Lorenzo Unified School District Board of Education, I have been actively engaged in district governance and leadership. I have served on several board and district committees, including the Student Board Member Selection Committee, Fiscal Efficiency and Revenue Enhancement Committee, Health and Wellness Council, LGBTIQ Districtwide Support Team, and the African American Family Advisory Council. I have served four terms as Board President, providing leadership focused on collaboration, fiscal responsibility, and student-centered decision-making.

My involvement with CSBA has been consistent and intentional. I attend CSBA's Annual Education Conference and pre-conference workshops each year, which have been instrumental to my growth as a school board member. I was appointed to serve on the CSBA Delegate Assembly on October 31, 2025, further strengthening my engagement in statewide governance, policy development, and advocacy on behalf of local educational agencies.

I also remain committed to continuous professional development through participation in conferences hosted by CSEA, the California School Personnel Commission, the California Association of Black Educators, the California Latino School Boards Association, and the California Association of African American Superintendents and Administrators. In addition to my governance role, I am a parent and a dedicated community member, ensuring my service remains grounded in the needs of students and families.

13. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? *

One of the greatest challenges currently facing governing boards is declining enrollment and its direct impact on long-term fiscal stability. This challenge requires boards to balance difficult budgetary decisions while remaining focused on their core purpose—ensuring every student receives a comprehensive, high-quality education that prepares them for college, career, and life.

CSBA can help address this challenge by continuing to provide high-quality governance training that strengthens board members' understanding of their roles and responsibilities, particularly in times of fiscal constraint. CSBA's workshops, tools, and resources support boards in making informed, student-centered decisions and navigating complex financial realities. In addition, CSBA's advocacy and legislative efforts are critical to ensuring California prioritizes public education and local educational agencies within the state budget. Through continued leadership development and strong statewide advocacy, CSBA plays a vital role in helping governing boards remain effective, resilient, and focused on equitable outcomes for all students.
