**OAKLAND UNIFIED
SCHOOL DISTRICT**

Community Schools, Thriving Students

Ask of the Board

- Review the mid-year status of LCAP metrics and implementation, ahead of the June 2026 Annual Update;
- Review the mid-year status of spending of LCFF Supplemental & Concentration funds; and
- Review the planned mid-year shifts of LCFF Base spending into LCFF Supplemental & Concentration funds.

Background

Senate Bill 114 (2023) added a requirement for LEAs to present a report on the annual update to the Local Control and Accountability Plan (LCAP) and Budget Overview for Parents (BOP) on or before February 28 at a regularly scheduled meeting of the governing board or body of the LEA.

The report must include the following:

- All available midyear outcome data related to metrics identified in the current LCAP, and
- All available midyear expenditure and implementation data on all actions identified in the current LCAP.

Impact to the Budget Overview for Parents

When we adopted our LCAP and Budget in June 2025, we did not yet have a full picture of our Census Day 2025 enrollment and Unduplicated Pupil Percentage. Based on the certified Census Day counts, the impact to our adopted Budget Overview for Parents is as follows:

Item	As Adopted	Updated Amount (First Interim)
Total LCFF Funds (includes Supplemental and Concentration Grants)	\$495,800,305	\$490,572,539
LCFF Supplemental & Concentration Grants	\$120,393,941	\$119,551,783

Mid-Year Update: LCAP Metrics, Expenditures & Implementation

- At this point in the school year, some metric outcomes are not yet available, and some are known. Known metric outcomes for each LCAP goal will be shared on the following slides.
- Outcomes not yet available will be included in the June 2026 Annual Update.
- Similarly, at this point in the school year, some LCAP actions have not started, some are in progress, and some have been completed. An update of LCAP actions will be shared with expenditures through the First Interim budget update.

LCAP Goal 1: Implementation Status

- For Actions 1.3 (Equitable Access to a Broad Course of Study), 1.4 (Visual & Performing Arts), and 1.8 (Counseling & Equitable Master Scheduling), discrepancies between budgeted expenditures and estimated actuals are primarily due to higher than projected staffing costs.
- Planned secondary literacy supports in Action 1.1 (Strong Readers: Early Literacy & Secondary Literacy) were reduced to make funding available to shift costs of small schools into these funds.
- Increased costs in Action 1.11 (School Improvement) reflect the shift of the cost of small elementary schools into S&C Carryover funding.
- Updated estimated actuals and details on impacts to planned activities will be included in the 2025-2026 LCAP Annual Update in June 2026.
